## Most frequently downloaded items in January 2016, PSU Digital Commons

In January we added 15 images from the Faculty Author Reception held in November 2015, for a total of 419 items in the repository.

Overall, the repository supplied 224 downloads for 273 items. All item downloads are listed below. Over half of the downloads were from student research (Undergraduate and Graduate).

At this time faculty contributions to the repository include the Faculty Author's Reception Bibliographies.

The overall top download of 14 was for a student thesis: *Unilateral skin temperature control examined across method of teaching, type of feedback, and locus of control.*
