Caney Valley High School
Caney, Kansas

Dreams . . . Dreams . . . Dreams . . . Dreams

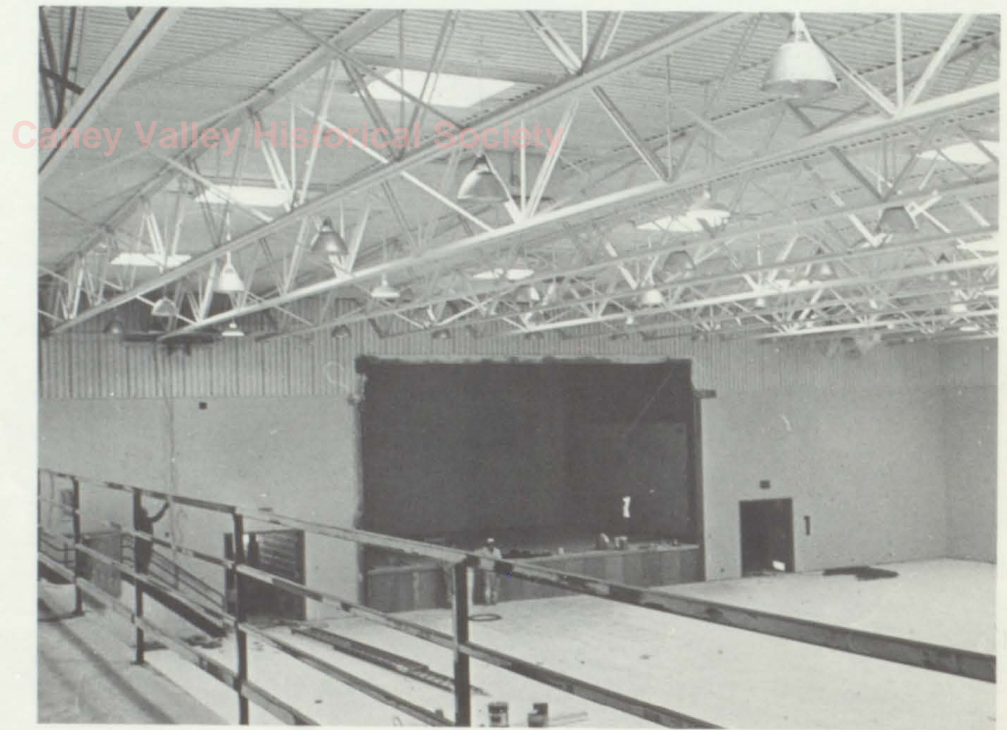

Sometimes, I think, the things we see
Are shadows of the things to be

Dreams . . . Dreams . . . Dreams . . . Dreams

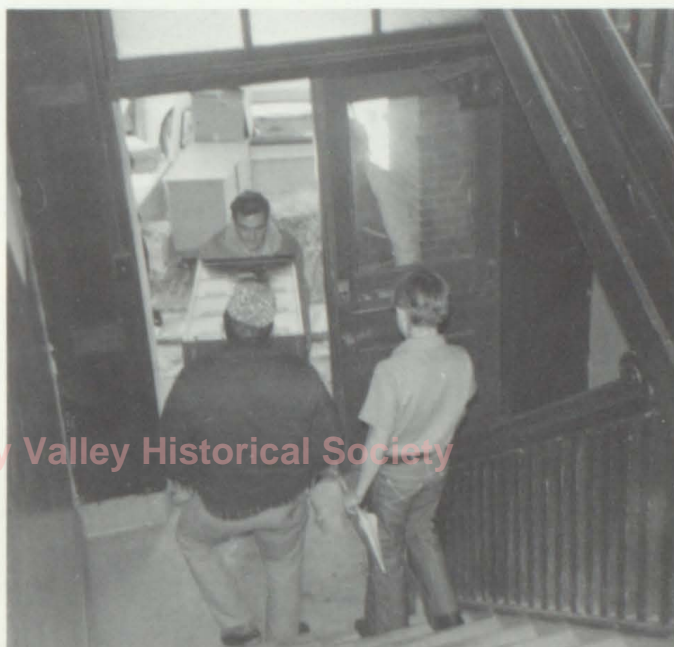

Now . . . Now . . . Now . . . Now . . . Now . . .

That what we plan we build;

Now . . . Now . . . Now . . . Now . . . Now . . .

Caney Valley Historical Society

That every hope that hath been crossed,

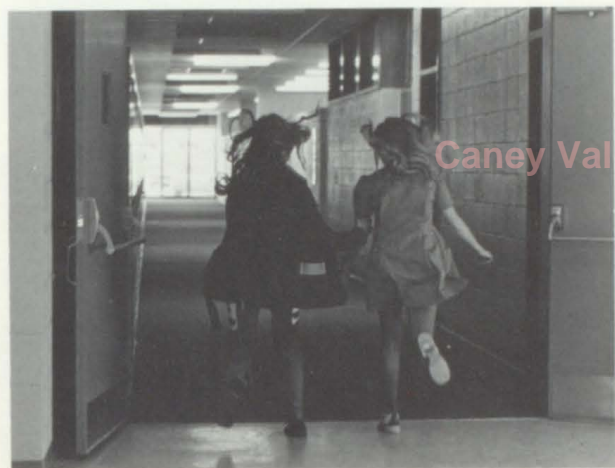

Realities...Realities...Realities...Realities

That every dream we thought was lost,

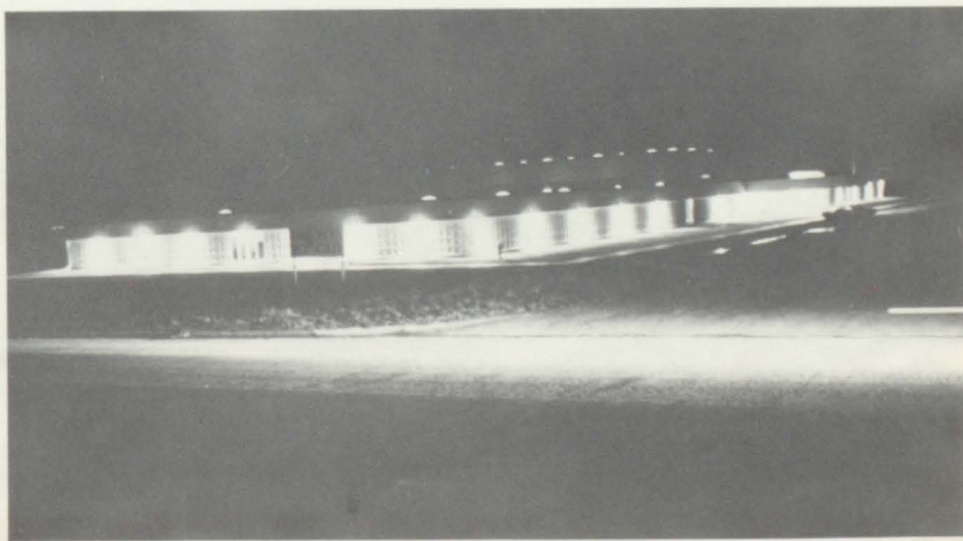

Realities . . . Realities . . . Realities . . . Realities

Caney Valley Historical Society

In heaven shall be fulfilled.

With strong leadership, as President Marshall McDaniel, the Caney FFA has been able to achieve many goals.

The FFA has had another good year to their credit. The annual FFA-FHA dance was held on Nov. 17. The Kountry Kajuns of Tulsa, Oklahoma, provided the entertainment for the evening. Jack Horton was crowned FHA King. His attendants were Marshall McDaniel and Glenn Harriman. The FFA Sweetheart for 1972-73 is Miss Shiela Thomas. Her attendants were Miss Melody Robbins and Miss Suzy Moore. The vocational agriculture classes were the first students to put the new building to use. Marshall McDaniel, Glenn Harriman and Allen Perkins ran for District offices. Marshall is now serving as District Vice President. The speech contest was a disappointment this year. No one won a division title. Many judging contests were attended. The Messner sales were attended in large numbers by the members. Also, a clean up was held by the chapter before each sale. This has been another memorable year for the Caney Chapter of Future Farmers of America.

Oh, no! Another lecture!

The Freshman speakers did well at Iola. Pictured, (L-R), Mike Pouncil, Bill Walker, Joe Potts, Rick Finney and Luther Burris.

Future Homemakers of America reached many "new horizons" this year. President Lois Sewell and Vice President Melody Robbins attended the FHA summer camp at Sterling College. Eight girls presented a skit at the district meeting at Girard. Suzy Moore was elected district song leader. The Annual progressive party was held at the end of the year and Senior Farewell represented a sad day for all the FHA girls. Money raising projects included selling pens and cook books. The Caney association hopes to continue to "face the future with warm courage and high hope" for a better "family life for all," according to Mrs. Maxine Earhart, sponsor.

Robin Rolls, Debra Hodges, Lois Sewell and Pam Condry put in extra time for the FHA making sandwiches for the varsity basketball players.

The National Honor Society is a select group of students chosen for their outstanding qualities. There are four basic requirements for honor society members. They are scholarship, service, leadership and character. Scholarship is the grade point average the student has maintained throughout high school. Leadership is the participation of the individual in school activities. Character is the qualities of personality a person exhibits and service is the willingness to render any service to the school and community when called upon. This year's National Honor Society members were presented pins with the year of graduation and NHS written on them. This is the first year the members have been given anything like this.

Starting out the year with screeching sopranos, wandering altos, straining tenors and moaning basses, the Sound of Times seemed very bleak at the beginning of the year. But after many weeks of hard practice and a lot of yelling from Director Larry Clark, the Sound molded into a harmonious group of talent. Performances were staged at the Lions Club, Phillips in Bartlesville and other local civic groups. They also held fall, Christmas and spring concerts. The Sound gives special recognition to Pianist Ann Dyer, who spent many hours at home behind her piano hoping to make the group into a success.

After an exciting performance for the Phillips employees, the Sound of Times settles down for a bite to eat.

Senior High Pepperettes

The Pep Club starts out every year with a lot of pep and enthusiasm, ready to back the bullpups, and 1972-73 was no exception. Throughout football and basketball season, the old faithful Pep Club is always right there. Even after a year of "RAILROAD" and "Quiet in the back of the bus," the girls' pep is not gone and their enthusiasm is carried over to another year. On the bus or anywhere else there is always laughter and comments: "We're number 1... Why aren't you yelling, Roxie?... What happened to the rest of my gum? ... Lois, please stop making that funny face. Oh! you're not?... Who took the last elephant cracker?... RAILROAD!! ... L is for the way you look at me... Hodges, stay in your seat... Who won the game?... Nancy, keep your clothes on ... Did I get any demerits for breathing?... Clark, quit singing that country western... R-r-rail-road!! ... Does anyone want to trade a bottle of pop for a piece of gum?... Who won a cake tonight?... Turn on the lights! ... Robin! wake-up... Aren't we there yet?... Is he pickin' you up?... NO! NO! NO! ... Look there! ... Pass the Doritos... Have you seen 'Deliverance!' Wake-up girls... Railroad!!!"

Ah, come on, we have more than one point.

Shame on you, Melody, playing footsie again.

If I only had a good hand.
