Dear Parents:

This letter contains two important announcements.

- (1) The lunches for the Horace Mann Laboratory School children will start Monday, September, 20²². We expect every child who finds it necessary to eat lunch away from home to eat in the lunch room. The price of the lunch is 15 cents. Miss Marriott, director of the lunch program, says the price of the lunch will remain 15 cents unless food costs continue to increase. If you feel that you cannot plan for your child to eat lunch with us because of financial reasons, please talk with me about it.

Each child is to bring his 15 cents to the supervisor when he comes to school in the morning. No reservations for lunches will be accepted after 9:30 a.m. We are very fortunate to have this excellent lunch provided for us.

- (2) Mrs. Fowler will meet the mothers of the children in grades 3, 4, 5, and 6 who are interested in orchestra, Tuesday, September 23, 3:30 p.m. If you wish your child to join this group, please plan to talk with Mrs. Fowler on this day concerning the instrument he should use.

*either Tues. or
Thursday, Sept. 21
or Sept. 23*

We have 242 children enrolled in the Horace Mann Laboratory School this year. We are glad to have your child and hope, with your co-operation, to give him the best in education. We shall be happy to have you visit school any time you find it possible to arrange your schedule to come.

Dear Parents:

After checking the lunch report for the month of September we find it will be necessary to change the price of the school lunch from 15¢ to 20¢. This increase will go into effect Monday, October 13. We are sorry it is necessary to do this but increase in the price of milk and other food products makes it necessary.

Dear Parents:

This week November 9 to 15 is known all over the United States as American Education week. During this week, parents throughout the nation are urged to visit and study their schools. We hope you will plan to visit your child's school sometime during this week. We shall be glad to see you any or every day.

In order that the fathers as well as the mothers may have an opportunity to visit our school, we are planning "open house" for all parents Wednesday, November 12, 7:00 to 9:00 p.m. Supervisors and student teachers will be in their rooms to visit with you. Your child will be your guide over the building. You may feel free to come and go as you wish. We hope it will be possible for you to be here for part of the evening at least.

Please plan to spend some time with us during the week of November 9 to 15. We are seeking to give your child the best in education. We need your help and encouragement.

Dear Parents:

This note contains three important announcements:

1. The Pittsburg contribution to the "Friendship Train" is to be sent from Pittsburg to join the train in Kansas City next week. The city committee in charge has asked the Horace Mann Laboratory School children each to contribute at least 14¢ which is the price of one loaf of bread. This money will be used to buy wheat. This contribution will need to be in to the supervisor by Monday, November 17. We hope you will feel that your child can make this contribution.

2. The committee on International Education of the Kansas State Teachers College is asking all campus organizations to participate in collecting and contributing school supplies for children and youth in the war torn countries. Many children in these countries lack school supplies such as pencils, tablets, crayons, etc. We should like each child in the Laboratory School to bring at least one pencil or more, or 1 box of crayons. The pencils and crayons must be new. This contribution must be given to the supervisor not later than Thursday, November 20.

3. This is the week for each child to re-enroll in the Junior Red Cross. We are suggesting that each child bring at least one penny and not more than 10¢ in order to enroll in this organization. We hope each child will become a member of this very worthwhile organization.

The contributions for which we are asking are all worthwhile and we hope are helpful at least in a small way to promote friendly relations between our country and the other countries of the world.

Dear Parents:

An immunization program free of charge to the parents has been planned for the Horace Mann Laboratory School. This program is under the direction of the college physician, Dr. Church, and the college nurse, Mrs. Comer.

At different times during the next few weeks you will be notified of the dates on which the immunizations will be given.

In order to know how much serum will need to be ordered for the program we should like you to sign the enclosed statement if you wish your child immunized against diphtheria and smallpox.

If you have children who are not as yet attending school you may bring them for the immunizations on the dates we will send to you later.

If your child has been immunized for or has had diphtheria, smallpox, or any other disease listed, please give us the date for each on the enclosed blank.

We hope you will cooperate with us in this program.

Plans Completed For Regional Conference

Noted Out-of-State Educators to Attend

Plans for the regional conference to study the curriculum program, to be held September 26 and 27 at the Horace Mann training school have been completed, Dr. Jane M. Carroll, Horace Mann director and conference chairman, has announced.

The conference will bring educators from Southeastern Kansas to Pittsburg to discuss changes and improvements in the state school programs. Noted educators expected to attend the meeting include Dr. Harold Hunt from the University of Illinois and Dr. Ruth Strickland from the University of Indiana.

Educators from the district on the program include President Rees H. Hughes of the College, Superintendent Lowell A. Small, of Pittsburg; Superintendent James B. Hutton of Chanute; William B. Davidson, Cherokee county superintendent of Columbus; Superintendent D. V. Swartz of Fort Scott; Dr. William Black of the College department of education; Superintendent John R. Hughes of Oswego; Miss Dorothy McPherson of Coffeyville and Glenn DeLay, curriculum director of the Kansas department of education at Topeka.

The local committee in charge of the conference includes Mr. Small, Dr. Black, Dr. C. W. Street and Dr. Carroll.

KANSAS EDUCATORS TO MEET

Conference on Curriculum to Be Held at Pittsburg.

PITTSBURG, Kas., Sept. 24.—A regional conference to study the state educational curriculum will be held at the Pittsburg Teachers college Friday and Saturday.

Educators taking part in the conference, which has been planned by Glenn DeLay, curriculum director of the state department of instruction, include:

Dr. Harold Hand, University of Illinois; Dr. Ruth Strickland, University of Indiana; James B. Hutton, superintendent of schools, Chanute; William J. Davidson, county superintendent of schools, Columbus; Rees H. Hughes, president of Pittsburg State college; S. V. Swartz, superintendent of schools, Fort Scott; Dr. William Black, head of the department of education at Pittsburg State college; John R. Hughes, superintendent of schools, Oswego; Miss Dorothy McPherson, director of elementary education, Coffeyville schools; Lowell A. Small, superintendent of schools, Pittsburg; Dr. C. W. Street and Dr. Jane M. Carroll of Pittsburg State college.

CONFERENCE TO BE SEPT. 26-27

Headlight

Study of State Curriculum to Be Made at College.

A regional conference to study the state curriculum program will be held at the Horace Mann training school on the College campus Sept. 26 and 27, Dr. Jane M. Carroll, Horace Mann director, and conference chairman, has announced.

The conference will bring educators from southeastern Kansas to Pittsburg to discuss changes and improvements in the state school programs.

Noted educators expected for the meeting include Dr. Harold Hunt from the University of Illinois and Dr. Ruth Strickland from the University of Indiana.

Educators from over the district on the program include President Rees H. Hughes of the College, Superintendent Lowell A. Small of Pittsburg; Superintendent James B. Hutton of Chanute; William B. Davidson, Cherokee County superintendent of Columbus; Superintendent D. V. Swartz of Fort Scott; Dr. William Black of the College department of education; Superintendent John R. Hughes of Oswego; Miss Dorothy McPherson of Coffeyville and Glenn DeLay, curriculum director of the Kansas department of education at Topeka.

The local committee in charge of the conference includes Mr. Small, Dr. Black, Dr. C. W. Street and Dr. Carroll.

INTERNATIONAL ACCORD VITAL

Necessary to Peace, Dr. Hand Tells Curriculum Conference.

The task of teaching international understanding and peace is one of the most pressing curriculum problems in the schools of today, Dr. Harold Hand of the University of Illinois warned southeastern Kansas educators today.

The visiting school administrators and instructors were here to take part in the final session of the state curriculum program conference held yesterday and today at the College. More than 250 persons attended today, it was reported.

Dr. Hand said "if the schools do not successfully teach international understanding, about half of us will not be here 25 years from now."

The United States, as well as many of the other leading nations, are inclined to be provincial in their thinking and dealings with other nations, he said, "and we must know about other people if we are going to have international good will and peace."

He urged the school leaders and instructors to stress this world problem in their school courses.

Dr. Ruth Strickland from the University of Indiana also spoke at the closing general session of the conference on reading problems in the schools. Dr. William Black, head of the College psychology department, gave greetings to the educators today. Superintendent D. V. Swartz of Fort Scott was chairman of the meeting.

Dr. Strickland was taken to Joplin by Dr. Jane M. Carroll, conference chairman, after her talk, to catch a plane back to Indiana. Dr. Hand flew here in a plane owned by the University of Illinois, and departed for his home from the local airport early this afternoon.

PENALTY FOR RUNNING SCHOOL SIGNS HIKE *Head light*

**CITY COMMISSION ACTS TO
PUT TEETH IN TRAFFIC
REGULATIONS.**

**Mayor Appoints Rogers as Special
Policeman at Cleveland, Broad-
way Intersection; to Organize
Student Patrol System.**

Teeth in traffic regulations designed to protect the lives of school children will be sharpened as the result of action taken at the weekly meeting of the city commission today to make the minimum penalty for failing to observe a school stop sign a fine of \$5. This will be an increase of \$4.

Action on the penalty followed a recommendation by Lawrence M. Walker, chairman of the legislative committee of the Pittsburg Safety Council, who declared some action to force motorists to respect the stop signs was needed.

He declared the city commissioners and police department have co-operated fully in an effort to solve the traffic problem, but that they are in need of some help.

Names Special Officer.

It is a matter, Mr. Walker said, that will require considerable time to work out.

Appointment by Mayor Joe Gutteridge of Louis E. Rogers as special policeman to be stationed at the intersection of Cleveland and Broadway during the periods children are going to and leaving Horace Mann school was approved by the commission. He will receive a salary of \$50 per month. His appointment is for the school term of 1947-48.

The traffic light at that intersection will be turned off during the periods the special patrolman is stationed there in order to avoid confusion on the part of motorists.

Commends Action.

A letter from Lowell A. Small, superintendent of the city schools, was read. He complimented the commission for steps taken to protect children crossing the intersection at Cleveland and Broadway and urged similar protection for city schools particularly Forest Park, Central, the senior high school and Lincoln, where he declared traffic hazards are as serious as at the College intersection.

Commissioners expressed the opinion that the organization of a student patrol system in the city schools will go a long way toward solving the traffic problem for the city schools.

Chief of Police Tom Stowers said he has been informed two state men will be here on Sept. 26 to assist in the organization of a student patrol system for Pittsburg. In a letter to Mr. Stowers, Claude R. McCammett, state safety engineer, stated Sam Knight and John Casey will come here to aid in forming the patrol.

Hold Children Back.

Mr. McCammett explained it will not be necessary for student patrolmen to cross the street while on patrol duty. Instead they will stay at the side of the street and hold back students until it is safe for them to cross.

Use of student patrols normally are supplemented in larger cities with school stop signs and with proper school cross walks painted, according to the letter.

Water Commissioner Orley Hay pointed out that there will be a clinic on traffic safety on Sept. 23 during the annual state convention of the Kansas League of Municipalities.

GAIN IN INFLUENZA FIGHT.

Number Vaccinated at K. U. Is 500 Ahead of Last Year.

LAWRENCE, KAS., Oct. 21. (AP)—More than 1,800 students and staff members at the University of Kansas have been vaccinated against influenza this fall, 500 more than at the same time a year ago, Dr. R. I. Canuteson, student health service director, said today.

A year ago 3,500 vaccinations were given in the fall term, and when an influenza epidemic threatened in February 5,000 more were inoculated, all on a voluntary basis.

"With enrollment up 500 over last year, it's important that more people take the vaccine," Dr. Canuteson said. "However, the weather is so nice it's difficult for people to realize that seven minutes now may save seven days or more of misery later."

EIGHT TO TEACHERS' MEETS.

Pittsburg Faculty Members to Speak at Sectional Sessions.

PITTSBURG, KAS., Oct. 21.—Eight members of the Pittsburg Teachers college faculty will appear at sectional meetings of the Kansas State Teachers association November 6 and 7 at Topeka, Pittsburg, Wichita, Salina, Hays, Dodge City and Independence.

Dr. Paul G. Murphy and L. H. Caldwell will speak at Wichita. Dr. Jane M. Carroll, Miss Flora Holroyd, Dr. J. A. Glaze, Dr. Robertson Strawn, Dr. L. C. Heckert and Lawrence Cutler will be speakers at the Independence meeting. Prof. Ernest Stonecipher will address a group at Hays.

Faculty Members At KSTA Meetings

**Speak To Many Groups
Over State Nov. 6-7** *Nov. 12*

Sectional meetings of the Kansas State Teachers Association were held in Salina, Wichita, Dodge City, Topeka, Independence and Hays, Nov. 6 and 7. Many faculty members from the College were on the various programs.

At the Wichita meeting, L. H. Caldwell, director of audio-visual education, spoke at a round table discussion on adult education and also on the social studies program. Dean Paul Murphy addressed the round table on exceptional children.

In Independence, Miss. Flora E. Holroyd, of the rural education department, presented educational films on practice teaching to the rural school group. Prof. Claude Leist, of the biology department, was chairman of the biology round table. Dr. J. A. Glaze, psychology department, addressed the elementary school principles on "The Exceptional Child."

Dr. Robertson Strawn, head of the language and literature department, addressed the English teachers; Laurence Cutler, printing department, addressed the group attending the journalism round table; Dr. L. C. Heckert, physical science department, addressed the round table discussion on physical science; Prof. W. E. Matter, principle of College High school, was chairman of a round table discussion on grading in high school and junior college; Dr. Jane Carroll, principle of Horace Mann training school, addressed the social studies group on "Trends in the Teaching of Social Studies."

The College was represented at the Hays meeting by Dr. E. J. Hume-ston who spoke to librarians on "School Libraries That Pay." Prof. E. E. Stonecipher, rural education and extension department, spoke to rural teachers and administrators on the subject "My task"; Professor Stonecipher also spoke at the elementary principal's round table on "Some Imperatives of Good Administration." in each of the var shtardolui hr 8

Alumni dinners were also held in each of the various convention cities.

Horace Mann Students To Present Program

The Horace Mann first grade students will present a program Friday morning, in the Horace Mann gym, Dr. Jane M. Carroll has announced. The program will stress changes in nature in the fall, fire prevention, care of pets and Halloween. Miss Velda Williams and student teachers, Miss Lilian Bussell, Miss Doris Trigg and Miss Mary Del Esch will direct the program.

Dr. Carroll Busy At Teachers Meet

Dr. Jane Carroll, principal of Horace Mann elementary laboratory school, will be very busy at the Independence meeting of the Kansas State Teachers Association Nov. 6-7. Dr. Carroll will speak at a round-table discussing trends in the teaching of social studies and at a noon luncheon of Delta Kappa Gamma both on Thursday, Nov. 6. On Friday, Nov. 7, she will act as chairman of a discussion group on cooperation with community agencies.

Miss Velda Williams, supervisor at Horace Mann, will also take part in the meeting by leading a discussion group on class size and teacher load.

Open House Held At Horace Mann

Parents and friends of the children of Horace Mann were present at the Horace Mann open house which was held last Wed. night. More than 600 people were present.

Habits Children Learn Early Determine Lifetime Success

Habit training for children at an early age as the basis for thinking and doing throughout life was emphasized by Dr. Jane Carroll last night as she addressed a group of parents in the library on the subject "The Pre-School Child."

"We are not born with habits," she said. "They begin at birth and are learned by experience, training and education. Good habits are necessary for health, happiness and success."

Parents Responsibility.

At the very outset Dr. Carroll placed full responsibility on the parents, insisting that they must give the baby a feeling of security, of being wanted and loved. Here she stressed the necessity of harmony in the relationship of husband and wife.

"Quarrels upset children emotionally when we may think they never notice," the Pittsburg State college instructor remarked, and gave illustrations of children who came to school with distinct emotional upsets because of family bickerings at the breakfast table.

Three kinds of guidance given by parents and kindergarten teachers while the child is very young were enumerated by Dr. Carroll as physical, verbal and emotional.

Physical she explained as guiding the child's hands, feet and fingers as he learns manual skills, such as drinking from a glass, walking and tying his shoes.

Verbal guidance comes from proper direction with words after the child becomes old enough to understand their meaning.

Emotional guidance, the most important, comes generally from imitation of the parents' reactions and emotional stability in the mother and father has a great deal to do

with the emotional development of the child.

Develop Emotional Base.

Here the child psychologist accepted the importance of calmness at all times with a simple, positive approach which children can understand and follow without question.

"And always keep in mind that a smile of encouragement with this type of approach has much to do with what the child learns to do," she added.

Discussing good eating habits, Dr. Carroll listed a number of things parents should and should not do to get the child to take proper nourishment. Above all, she insisted, be sure the meal time is a pleasant time, with all unpleasant talk banished.

Obedience and self-control were discussed at length with the "talk it over" and the "either this or that" methods suggested in reasoning with the child.

Dear Dr. Carroll:

You may be familiar with the fact that the Kansas Advisory Council on Teacher Education was organized last year by Dr. Brooks and other leaders in education.

Several meetings were held and recommendations were made by the council relative to areas needing immediate study. In compliance with directions given me by the council I am appointing the following committees for study of teacher education in the areas indicated. We hope you will find it possible to serve as a member of the committee in which your name is included. We trust you will hear soon from the chairman of the committee on which you are asked to serve.

This is to be an action committee and it is hoped that a report to the general Advisory Council on Teacher Education will be ready at the latest by December 1. The chairman of your committee will receive special suggestions relative to the problems involved from the office of the state superintendent. It is suggested that these chairmen get in touch with the state office as early as is convenient.

Committees on Elementary Education

- A. Elementary Teachers' Education Committee - This committee is expected to make a general study of teacher education for elementary teachers at all levels in the elementary field and to make specific suggestions relative to provisions for certificate requirements.

Chairman - Mr. Willard Sarna, Elementary Principal, Wamego

Dr. Dale Zeller, Emporia State Teachers College
Miss Gaynelle Davis, Fort Hays Kansas State College
Dr. E. M. Anderson, Pittsburg State Teachers College
Miss Agnes Engstrand, State Department of Education
Miss Mary Mae Paul, State Department of Education
Mrs. Sylvia I. Daniels, County Superintendent, St. Francis
Mrs. E. S. Krug, Rural School Teacher, Hoisington
Dr. Avery Fleming, McPherson College
Mrs. Pearl B. Garten, City School Teacher, Hutchinson

- B. Elementary Administration Committee - This committee is expected to review and suggest any needed changes in the Provisional or Life certificate for elementary teachers.

Chairman - Joe Burke, Elementary Principal, Topeka

Dr. Jane Carroll, Pittsburg State Teachers College
Mr. Harley Garrett, Fort Hays Kansas State College
Dr. George Hill, Emporia State Teachers College
Dr. J. W. Twente, University of Kansas
Mr. Carol Noel, State Department of Education
Mr. Anthony E. Roth, County Superintendent, Hays

Committees on Secondary Education

- A. Secondary Education Committee - It is expected that this committee will make a report relative to minimum requirements in teacher education on the junior high and senior high school levels. In addition to minimum certificate requirements it is expected this committee will also make recommendations relative to the minimum preparation for teaching in particular subjects or fields.

Chairman - Hugh Bryan, Superintendent, Leavenworth

Miss Maude McIndes, Fort Hays Kansas State College
Mr. Don E. Davis, Emporia State Teachers College
Professor W. E. Matter, Pittsburg State Teachers College

Rev. Sylvester Schmitz, St. Benedict's College
Mr. C. E. Strecker, County Superintendent, Fredonia
Lily Zimmerman, Wichita University (High School Teacher 1946-47)
Mrs. Tunie Curyea, Junior High School Teacher, Topeka

- B. Secondary Administration Committee - It is expected this committee will make recommendations for minimum requirements for the principals of both junior high and high school and in addition will make recommendations concerning the administrator's certificate for the superintendent of all schools including class C schools.

Chairman - Dr. John E. Jacobs, Emporia State Teachers College

Dr. George B. Smith, University of Kansas
Dr. V. L. Strickland, Kansas State College, Manhattan
Mr. Robert T. McGrath, Fort Hays Kansas State College
Dr. William A. Black, Pittsburg State Teachers College
Mr. Ralph Stinson, State Department of Education
Mr. Raymond B. Custer, State Department of Education

Mr. A. F. Throckmorton, County Superintendent, Wichita
Mr. J. H. Benefiel, Junior High School Principal, Coffeyville

Committee on General Education in Special Fields
Entire Public School System

It is expected that this committee will make recommendations concerning minimum education of any teachers with the exception of the superintendent whose supervision or instruction extends through both elementary and secondary fields. This group will also consider the advisability of a health examination for teachers in Kansas.

Chairman - Marlin Schrader, Department of Vocational Education

Dr. C. W. Street, Pittsburg State Teachers College

Maude Ellsworth, High School, Lawrence

Mintor E. Brown, Kansas State Teachers' Association

Fritz Knorr, Dept. of Physical Education, Kansas State College

DR. REES HUGHES TO PARIS.

Seminar on Education for International Understanding His Goal.

PITTSBURGH, Kas., July 15 (AP)—Dr. Rees H. Hughes, president of the Pittsburg Teachers college, will go to Paris, France, late this month to attend a seminar on education for international understanding. The meeting is sponsored by the educational, cultural and science division of the United Nations.

President Hughes is one of six American educators named as delegates to the seminar. He will leave Saturday for Washington and from there take a Trans-Atlantic plane to Paris, where the conference is scheduled for July 21 to August 30.

Five to Topeka.

Five members of the College faculty went to Topeka this afternoon to attend a special meeting at the state superintendent's office of public instruction. Attending the special meeting were W. E. Matter, Dr. C. W. Street, Dr. E. M. Anderson, Dr. Jane Carroll and Dr. William A. Black. They will meet with committees on elementary and secondary education and general education in special fields.

But Foreign License Does Not Mean Vehicle Driver Over.

Even though the car may have an Hawaiian license tag, it's no sign that it was driven over. This was proved today by Paul Rinehart, a resident of Maunaloa, Malokai, Hawaii. The car with the foreign license tag was bought in San Francisco rather than Hawaii.

Mr. Rinehart is visiting his aunt, Mrs. Gladys Rinehart, who is an education instructor of the fifth grade at Horace Mann.

After spending several more days in Pittsburg, Mr. Rinehart will return to Hawaii where he is manager of a pineapple plantation.

tel, with Mrs. Winifred Benefiel as accompanist, followed by committee reports and other business. Ten discussion groups will meet in this building in various rooms.

Plan Birthday Luncheon

The birthday luncheon in the Broadview grill room at 12:30 will be in charge of Miss Vina Hillerman, convention chairman. Dr. Carroll will present past state and chapter presidents and Miss Mary Petty, president and other members of the Emporia chapter, will conduct a birthday service.

Edwin L. Stuntzner, Emporia State Teachers college instructor, will furnish music, accompanied by Miss Irene Johnson. Miss Phyllis Dredge, exchange teacher from London, England, will speak on "English Education and Customs." A summation of discussion groups and committee reports will be followed at 4 o'clock by a necrology service, led by Miss Beatrice Richards, of Holcomb, formerly of Emporia.

Initiation of state and honorary members will take place at 5 o'clock in the Little theater, Civic auditorium, also the initiation of Alpha Gamma chapter, by Miss Maude Gorham, past president Phi State chapter.

Program Follows Dinner

Dr. Carroll will preside at the Founders day dinner at the Broadview at 7:30, and Miss Helen Elcock, first state president, will give the collect. Three music numbers will be by William Grissom, baritone, and the vesper A Capella choir, of the College of Emporia. The C. of E. women's sextet, composed of Beverly Nelson, Shirley Prosser, Marva Glenn, Phyllis Landon, Rosemary Ingold and Hazel Roberts will sing two numbers; Margaret Keraus, contralto, will give a number, and the choir will sing a Negro spiritual. Lyndon B. Street, director of the College music department will be in charge, with Mary Helen Beck at the piano. Miss Petty will present the state founders.

Dr. Catherine Nutterville, of Loretta Heights college, Loretta Heights, Colo., national president, will give an address, "The Teacher as a World Force." The national Delta Gamma Society was founded in Austin, Texas, May 11, 1929; the Kansas state chapter, now numbering more than 800 members, was founded in Wichita October 17, 1936.

Experienced Educators Speak

Dr. Nutterville received her A. B. and M. A. degrees at the University of Montana, and her doctor of education from Teachers College, Columbia university. She has taught social sciences and psychology in the school of education at the University of Montana, has contributed educational articles to numerous educational journals. At Loretta Heights college she has organized the placement and counseling services, and teaches in the department of social sciences.

Dr. Carroll, director of the laboratory school at Pittsburg, received her Ed. D. in 1939 at George Washington university, her A. M. at Columbia in 1927. She was president of the Kansas State Teachers association 1945-46; one of the state founders Delta Kappa Gamma, 1939. She worked with the United States office of education in the establishment of pre-school and after-school units for children of working mothers, in communities in war defense areas, her work covering nine states. Half a dozen of her publications cover a wide range of teaching. She has appeared on the Kansas State Teachers association program each year since 1927, and frequently on like programs in Oklahoma and Missouri. She was a member of the state text-book committee 1937-38. She has served on many national, state and local educational committees. Her community interests include the presidency of the Pittsburg Chapter P. E. O. Sisterhood, Delta Kappa Gamma and A. A. U. W. during past years.

ATTENDING UNESCO MEETING.

Crawford County Delegation at Session in Wichita.

A group from Crawford County, including a number from the College, has gone to Wichita to attend a meeting of the United Nations education & cultural organization there, tomorrow and Friday.

J. E. Needham of Girard, county superintendent of schools, and Mrs. J. U. Massey are the official county delegates.

Those making the trip from the College are President Rees H. Hughes, Dr. Jane M. Carroll, Miss Temple Hill and Miss Ruth Moon, official delegates from the faculty.

Burton Sanders is the official representative of the College student body. Other students attending are Mr. and Mrs. Richard Howell, Mrs. V. E. McDonell, Miss Muriel Warner, Charles Johannsen and Alleela Myers.

FAITH IN SANTA HOLDS

GIRL'S IMMORTAL QUESTION 50 YEARS AGO HAS SEQUEL.

Virginia O'Hanlon, Now Mrs. Edward Douglas, Who Got Immortal Answer, Sees Much in Famed Editorial.

BY HAL BOYLE.

New York, Dec. 12.(AP)—Just fifty years ago a small girl, panged with doubt, sat down and wrote a letter to a newspaper that asked an immortal question—and received an immortal answer.

The girl was 8-year-old Virginia O'Hanlon. Her troubled question: "Please tell me the truth, is there a Santa Claus?"

Today little Virginia is a 58-year-old school principal who never since has questioned the reality of Santa Claus.

The newspaperman who answered her back in 1897 with an unsigned editorial published in the New York Sun was Francis P. Church, and his reply has become a part of American Christmas folklore:

"Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and

cated than when I was young," she said. "They begin to have doubts about Santa Claus at an earlier age. One reason is they are more mechanically minded, and they just can't figure how Santa can do what he's supposed to with nothing but reindeer pulling him."

But she thinks both children and grownups everywhere in the disturbed modern world need to renew their simple faith in what Santa Claus stands for.

"You don't want to isolate children in a world of make-believe," she said. "But with international conditions what they are, any small happiness that can be provided to counterbalance harsh realities is a fine thing. What is Santa Claus but the spirit of giving?"

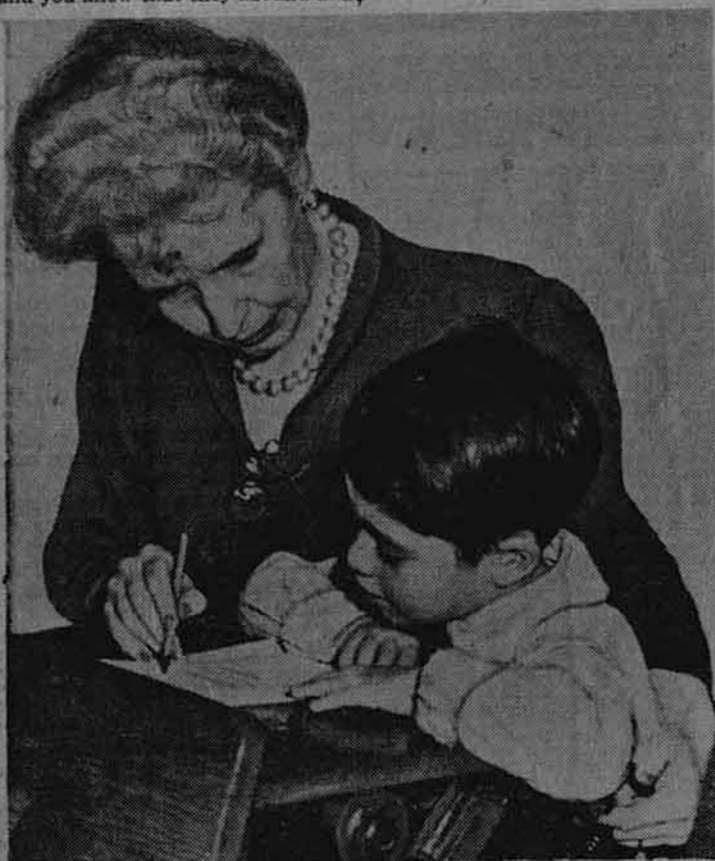

And Mrs. Edward Douglas says she still believes in him just as much today as little Virginia O'Hanlon did half a century ago.

TO RECRUITING POST HERE.

Lieut. Comdr. C. M. Stearns to Direct Navy Office.

Lieut. Comdr. Chester M. Stearns yesterday took over as officer in charge of the navy recruiting station in the Federal building. The office includes the territory of Kansas and Western Missouri.

The officer entered the navy in 1924 when he was 18 years old and served nine years as an enlisted man. During the war he was engineer in charge of the engine rooms of the

give to your life its highest beauty and joy."

Church went on to point out that there is nothing else real and abiding but the beauty of the unseen world whose passwords are faith, fancy, poetry and romance, and concluded:

"No Santa Claus! Thank God, he lives, and he lives forever. A thousand years from now, Virginia, nay ten times ten thousand years from now, he will continue to make glad the heart of childhood."

Church died a number of years ago, and the little Virginia whose faith in Santa Claus he kept is now Mrs. Edward Douglas, a widow and principal of a public school in Manhattan's lower East Side.

Curiously, the girl who asked the famous question and the man who gave the famous answer never met or saw each other.

"A friend of my family, however, was a neighbor to Mr. Church and complained that he kept dogs that barked too much," she laughed. "That was all I knew of him."

A trim, pleasant-faced woman with gray hair and blue eyes, Mrs. Douglas recalled that at first she was mildly displeased by the original publication of her letter because schoolmates teased her.

But the editorial that Mr. Church wrote means even more to me now than then. As each year passes I see more in it."

Its philosophy has influenced her own life, and she still believes with a whole heart in the things for which Santa Claus is one symbol.

Annually people from all parts of America write her the joy they have found in reading the famous editorial. She enjoys them all except a few from cranks who accuse her of personally inventing Santa Claus to confuse the downtrodden masses.

Mrs. Douglas has a daughter and six grandchildren, and her lifetime teaching career has kept her close to the world of childhood. Her school is in a poor neighborhood which is predominantly Jewish. Until the board of education banned trees as fire hazards, one Jewish parent who worked in a market arranged each year to provide a Christmas tree for every room in the school.

"I doubt if he observed Christmas in his own home," said Mrs. Douglas. "But he always saw that the school had plenty of trees."

A number of the children are heart patients or are crippled, and she is particularly interested in seeing that these handicapped ones have a good Christmas.

"Children today are more sophisti-

UNESCO Week Is Set For April 20-22

Various Programs, Assemblies Are To Be Presented

The UNESCO organization here on the Campus has announced that the week of April 20-22 has been designated as UNESCO week.

The week will open with an assembly on Tuesday, April 20, at 10:00 a. m., with Kenneth Davis from Kansas State College as the guest speaker. Tuesday night a variety show will be presented in Carney hall auditorium at 8 o'clock by the pledge club of the Delta Sigma Theta sorority. Numbers will also be presented by Theta Alpha Phi. The price of the tickets has not been announced. There will be films shown all day Wednesday, April 21, the time and place will be announced later.

On Thursday, April 22, at 4:00 p. m., there will be a roundtable discussion of the Marshall Plan over KOAM. After the broadcast an open forum will be held in room 110 of Russ hall. Exhibits will be in the buildings around the campus during the week.

Education Club Banquet

The education club held its annual dinner Wednesday night, March 3, in the Arabian room of the Besse hotel. The dinner marked the twenty-first anniversary of the founding of the club.

President Rees H. Hughes gave a talk concerning his recent trip to Atlantic City, N. J., where he attended the American Association of Teachers colleges meeting, and his attendance at the UNESCO meeting in Washington, D. C.

Mrs. Zoe Wilma Reid furnished the music entertainment, playing the piano and singing two Irish folk songs.

Officers of the education club are: Buford E. Fisher, president; Howard D. Forbes, vice-president; Eldon Kastler, secretary; Jackalin Forbes, treasurer; Dr. Ernest M. Anderson, sponsor.

Members and guests who attended the dinner were President and Mrs. Rees H. Hughes, Dr. and Mrs. H. L. Johnson, Dr. and Mrs. William A. Black, Dr. and Mrs. C. W. Street, Dr. Jane Carroll, Dr. Anderson, Mrs. Perva Hughes, Miss Temple Hill, Miss Velda Williams, Mrs. Ethel Peck, Miss Gladys Rinehart, Mrs. Nora Rowan, Miss Doris Trigg, Miss Loreta Parker, Mr. and Mrs. Fisher, Mr. and Mrs. Forbes, Mrs. Reid, Mr. and Mrs. Raymond Young, Mr. and Mrs. Ervin Killion, Shirley Simmons, Dick Fuller, Bailey Ricketts, and James McCollam.

Future Teachers Meet

Future Teachers of America held a social meeting Feb. 12 in room 110 Russ hall. Decorations and games carried out the Valentine theme. Cookies and punch were served as refreshments.

Elementary Education Dinner

Mrs. Ruth Short, exchange teacher from England, was guest speaker at the annual elementary education dinner which was held last Thursday night at the Hotel Besse.

Dr. Jane M. Carroll presided at the dinner. The invocation was given by

Dr. Eugene Dawson. President Hughes and Dr. Wm. A. Black presented greetings to the group.

Special numbers were vocal solos by Miss Polly Lashbrook and Miss Pat Scalet.

Operetta To Be Given Tomorrow

'The Melting Pot' Is Theme of Program

"The Melting Pot," an operetta, will be presented by the students of Horace Mann school in Carney hall auditorium tomorrow night at 7:30.

The operetta gets its name from the fact that the United States is often referred to as the melting pot of the world because of its composite of all different nationalities.

The first part of the program is based upon songs and dances that have been brought here from some of the countries of the old world.

The operetta has been arranged and directed by Mrs. Edwina Fowler. Dr. Jane Carroll is the general manager and Miss Evelyn Tripplett is the dance director.

Professors D. D. Moore and Bert Keeney will be in charge of the stage settings and lighting arrangements.

The costumes to be worn by the students were designed by Horace Mann supervisors and made by the mothers of the children.

Rinehart Speaks On Travels In Inca

Miss Gladys Rinehart, fifth grade supervisor of the Horace Mann school, spoke at the Inter-American Roundtable meeting last Monday morning at the home of Mrs. S. D. DeLappe. She told of her travels in the Inca country around Cuzco, Peru, Lapaz, Bolivia and Lake Titititacaca in South America.

Next Friday Miss Rinehart will go to Chanute to speak to 150 sixth grade children about South America. The talk will be a culminating activity of the children's unit of study on South America.

Dr. Carroll Speaks At Atchison Meet

Dr. Jane M. Carroll spoke on "Education for International Understanding" at a dinner meeting of the elementary and secondary teachers of the Atchison schools in Atchison, last Friday.

United Federalist Speaks At Campus UNESCO Meeting

James Burns of Princeton Stresses Importance Of A World Federal Government

James Burns, speaker from Princeton University, New Jersey and a representative of the United Federalist Movement, spoke on the subject "World Government", at the UNESCO meeting on April 12.

In his speech, Burns stressed the point that the president of the United States should immediately call a general conference of the United Nations and recommend that they pursue stronger actions toward making the United Nations capable of enacting, interpreting and enforcing world law to prevent another war. Burns also proposes and favors a Federal World government which would limit a country or government from making

UNESCO week opened yesterday with an assembly at which Kenneth Davis from Kansas State College was the guest speaker.

A large crowd was present at the UNESCO variety show which was presented last night in Carney hall auditorium. The pledge club of the Delta Sigma Theta sorority was in charge of the show and several numbers were presented by Theta Alpha Phi.

Posters about atomic bombs and atomic energy will be on display in room 110, Russ hall during this week.

Two films will be shown this afternoon in room 110 Russ Hall. The films are, "United Nations at Work," and "The Economic and Social Council."

A round table discussion led by Carol Burke, Ivan Fugate and Bob Tollman on the Marshall plan will be broadcast over KOAM tomorrow at 4:00 p. m. from room 110, Russ hall. Immediately following the broadcast, an open discussion of the Marshall plan will be conducted. Everyone is invited to attend the broadcast and the discussion.

Black Participates In Annual Meeting

Dr. W. A. Black, head of the education department, attended the annual meeting of the American Association of Junior Colleges at the Hotel President in Kansas City last Wednesday.

Dr. Black participated in two panel discussions, one on student personnel, and the other on extracurricular activities.

Carroll Will Speak To Oklahoma A.A.U.W.

Dr. Jane Carroll will be one of the two main speakers at a convention of the Oklahoma division of the annual American association of university women April 24, in Enid, Okla. Dr. Carroll will speak on "Promoting International Understanding in the Schools."

Some 2,000 Attend 'The Melting Pot'

Edwina Fowler Directs
Pupils In Operetta

5/14/48

Standing room only is the sign which may have to be placed on the Carney hall auditorium when another Horace Mann operetta is given next spring.

The students of the training school, appearing in "The Melting Pot", an operetta arranged and directed by Mrs. Edwina Fowler, packed the college auditorium with an enthusiastic audience of some 2,000 last Thursday night and gave a "hit" performance with smooth precision which brought applause and laughter from an enthusiastic audience.

The Horace Mann training school has gained national recognition under its equally well known director Dr. Jane Carroll, but "The Melting Pot" sets a new standard for the annual musical event which has been rated by many instructors as an "example" for training schools in the state and one of the most outstanding programs of its kind in the United States.

Well trained students, delightfully costumed, colorful stage lighting, and excellent scenery, made "The Melting Pot" a show to remember.

The first part of the program was based upon songs and dances from foreign countries. This part closed with an instrumental ensemble number. Those playing in the ensemble were Carolyn Anderson, Noeleen Dieu, Sharon Wilson, Vella Sue Johnson, Patricia Yeandle, Carole Cline, Felix Parks, and Gayle Holmes.

The operetta was arranged and directed by Mrs. Edwina Fowler. Others in charge of the presentation were Dr. Jane Carroll, general manager; Miss Evelyn Triplett, dance director; Prof. Bert O. Keeney, stage setting; and Prof. D. D. Moore, lighting and stage.

Assisting in the production were Mrs. Ethel Moore Peck, Miss Velda Williams, Miss Thelma Carnagey, Mrs. Daphne Cross, Mrs. Perva Hughes, Miss Gladys Rinehart, and Mrs. Homer L. Johnson. Costumes were made by the mothers of the children.

2/18/48

A meeting of representatives from the various organizations on the campus was held Feb. 11 for the purpose of forming a permanent UNESCO council at Pitt State. At this meeting three temporary officers were elected. Raymond Young was elected temporary chairman, Rogene Nordstedt, vice-chairman and Edwin Walburn, secretary.

UNESCO, part of the United Nations organization, is designed to promote world peace through greater understand and education for the world's peoples. By this action taken last Wednesday, Pitt State is now the third school in the state to adopt this program. The two schools which already have active organizations are the University of Wichita, and Kansas State.

Another meeting is expected to be held in the near future to elect permanent officers and to draw up the constitution and program of the council.

All organizations are requested to select a member of their group to represent them on the council.

State DKG Convention Convenes In Hutchinson

Grace Casebolt, state secretary

Iva James, local president

Dr. Jane Carroll, state president

THE EIGHTH annual state convention of Delta Kappa Gamma society, a national organization of women teachers, will be held in Hutchinson tonight and Saturday. More than 200 delegates are expected.

Principal speakers will be Dr. M. Margaret Stroh, national executive secretary and former national president of DKG, and Heinz Franz Berger of Vienna, Austria. Dr. Jane M. Carroll of Pittsburg State college, state president of the organization, will be in charge of the meeting.

Other state officers are Sara Carter Russell; Mrs. Edyth Salvesson, Lawrence; Grace Casebolt, Hutchinson; Violetta Garrett, Kansas City; Beatrice M. Richards, Holcomb; and Helen Glaser, Coffeyville. Iva James is president of the Hutchinson chapter.

The sessions will open with an executive board meeting tonight in the Bisonte hotel. Saturday morning will be devoted to election of officers and other business and discussion groups in the Junior college building.

The birthday luncheon will be served at the Bisonte with May Hartford, convention chairman, presiding. Lena Paige will be in charge of the anniversary service and Betty Herzog will sing. Mr. Berger will address the group on the theme, "Re-Education in Europe."

The closing function of the convention will be the Founders day banquet at the Bisonte in the evening with Dr. Stroh speaking. The Junior college trio, Betty Herzog, Joann May and Alice Stoffer will sing.

Three To Convention On Child Education

Dr. Jane Carroll, Mrs. Ethel Peck, and Miss Velda Williams are attending the national convention of the association for childhood education in St. Louis, Monday, through Wednesday of this week.

The meeting is one of the outstanding of the year, Dr. Carroll said, dealing with problems related to child growth and development in the elementary schools.

Luncheon Speaker.

The education and psychology department of the College today had a luncheon and Dr. Margaret Stroh, executive secretary of Delta Kappa Gamma, national honor society for women's education, was the guest speaker. Last Friday and Saturday Delta Kappa Gamma held a state meeting in Hutchinson at which Dr. Jane Carroll, state president, presided. Also attending last week's meeting were Mrs. Perva Hughes, local president, Mrs. Ethel Peck, Miss Bertha Spencer and Miss Esther Park.

Elementary Education Picnic

About 200 elementary teachers attended the Elementary Education picnic, Tuesday evening, June 22. Songs were sung under the direction of Mrs. Edwina Fowler. Greetings were extended by Pres. Rees H. Hughes and Dr. Helen Macintosh, who is from the United States office of Education, Washington, D. C. Miss Nolle Bowman and Miss Dorothy Craig also attended. Each year the supervisors of elementary education in Horace Mann training school sponsor a picnic for the students of elementary education.

Jane Carroll Attends Directors Meeting

Dr. Jane Carroll, professor of education and principal of the Horace Mann training school, attended a board of directors meeting of the Kansas Council of Women in Topeka, Friday and Saturday of last week. The organization is made up of past and present state presidents of women's organizations.

Dr. Carroll is president of Delta Kappa Gamma, women's honorary educational fraternity, and past president of various other honorary organizations. Dr. Carroll is also

state chairman of the program committee of the Kansas Council of Women.

Operetta Tonight.

"The Melting Pot," an operetta, will be presented by the students of the Horace Mann laboratory school at 7:30 o'clock tonight in the College auditorium. This is the second performance of the operetta, the first being given earlier this year. About 260 students will participate in the production. A large crowd again is expected to attend tonight's performance, Dr. Jane Carroll, principal of the school, said.

Second Performance For 'Melting Pot'

The second performance of "The Melting Pot," an operetta presented by Horace Mann Laboratory school in Carney hall auditorium on June 5, drew another capacity crowd that rivaled the estimated two thousand

that attended the first performance on May 13.

The operetta, with a cast of 250 children, depicted the customs of foreign countries and prominent American periods. Appropriate costumes, scenery, and music carried out each theme and made a lively, colorful program, given a second time particularly for the college students.

The operetta was arranged and directed by Mrs. Edwina Fowler. Others in charge of the presentation were: Dr. Jane Carroll, general manager; Miss Evelyn Triplett, dance director; Prof. Bert O. Keeney, setting; and Prof. D. D. Moore, lighting and stage.

Horace Mann Students To Present Operetta

The operetta, "The Melting Pot," will be presented by the Horace Mann Laboratory school children Thursday, May 13, at 7:30 p.m. in Carney hall auditorium. The operetta is under the direction of Mrs. Edwina Fowler of the music department, Miss Evelyn Triplett of the physical education department, and the Horace Mann staff.

Dr. Helen Macintosh Conducts Workshop

Dr. Helen Macintosh, specialist in elementary education from the United States office of education will be on the campus for the entire week of June 21 to 25, to conduct the workshop on International Understanding. "Responsibility of the Elementary Schools" is the theme used during the week. Dr. Macintosh speaks every morning at 9 o'clock. College instructors who wish to bring classes at that hour, should call Dr. Jane M. Carroll to be sure that adequate space is provided.

ENROLLMENT MAY 31 FOR SUMMER SESSION

COLLEGE EXPECTING LARGE
STUDENT BODY FOR 9-
WEEK TERM.

High School and Horace Mann Also
To Offer Courses in June and
July; Present Semester Is
Near End.

With the regular school term rapidly drawing to a close, the College, College high school and Horace Mann training school are making plans for summer sessions. Enrollment for the new term will get under way only four days after College commencement.

The College is anticipating a large summer school attendance, J. U. Massey, registrar, said. High school graduates who will graduate this term and who are planning to teach during the fall semester, will be able to obtain provisional teaching certificates by acquiring twelve hours of credit this summer. Present teachers who are instructing under provisional certificates will need eight hours of college credit this summer in order to renew their certificates.

Classes Start June 2.

Persons in both of these categories are expected to make up a large percentage of the summer enrollment at the College.

College summer term enrollment will be May 31 and the morning of June 1. In the afternoon of June 1 there will be short classes when the students will receive their assignments and a list of the text books they will need for the summer session. However, Mr. Massey said, it will be possible for late-comers to enroll after these dates. Regular classes will begin June 2.

The summer session will last nine weeks. It will be possible to acquire eight or nine hours of credit during this session. In the 4-week August term it will be possible to get four hours of credit.

Short Courses.

The College will offer a number of short courses, conferences and workshops during the summer session, in addition to the regular school work.

Enrollment at the College high also will begin on May 31. Classes will begin June 2 and the term will close July 30. W. E. Matter, principal of the high school, said, a normal attendance is expected, which will be approximately 175 students.

Horace Mann school is planning a recreational school summer session and enrollment will begin the morning of June 2. Regular school work will begin June 4. An attendance of 250 to 300 pupils is expected. There have been quite a few advance enrollments.

Recreational session.

In the morning regular school work and playground activity is planned for the pupils while the afternoon will be devoted to swimming, crafts and music, Dr. Jane Carroll, head of the school, said. Dr. Carroll stressed that this is not a make-up session for the students, but more of a recreational session.

Final plans have recently been completed for the end of the school term, and commencement and baccalaureate exercises will come in rapid succession the next few weeks.

The College will hold its commencement exercises May 27 when H. Roe Bartle, scout executive from Kansas City, will be the speaker. Baccalaureate services will be held May 23 and Bishop Ivan Lee Holt of St. Louis will be the guest speaker.

Senior High Graduation.

Pittsburg high school will hold commencement exercises May 20 in Pittsburg Memorial Auditorium. Dr.

Walter B. Bowers, president of Utopia College in Eureka, Kas., will make the main address.

Lakeside junior high will hold its graduation exercise May 21, while Roosevelt junior high also has the same date.

St. Mary's high school will hold its commencement program May 23 at St. Mary's church and Father Herbert Hertel, of Scammon, will address the graduating class. College high has set May 25 for its commencement exercises, which will be held in the Music hall auditorium. Rev. Robert Harvey Bodine, pastor of the Methodist church in Carthage, will deliver the main address.

Reception.

At the College, the president's reception for the members of the degree class will be held at 8 p. m., May 24 in the Music hall. It will be formal.

The senior class farewell will be held on the campus oval at 9:30 a. m., May 26. The senior class day program will be held at 10:30 a. m., that day in the Music hall. The graduate and senior class dinner, which will be formal, will be held at 6 p. m., May 26, in the Hotel Besse.

HORACE MANN GIVES OPERETTA THURSDAY

TRAINING SCHOOL PROGRAM
WILL BE PRESENTED IN
COLLEGE AUDITORIUM.

"Melting Pot" Has Theme Based on
Songs and Dances That Are Heri-
tage of American Citizens
From Ancestors.

Students at Horace Mann school will present an operetta, "The Melting Pot," at 7:30 o'clock Thursday night in the College auditorium. The first part of the program is based upon the songs and dances that are the heritage of American citizens from their ancestors in the foreign countries.

In this operetta major foreign countries of the world will be represented by songs, dances and costumes. Because the United States is made up of people from all these countries, it is often referred to as "the melting pot." This is the theme of the play.

The American Indians, Negroes and cowboys have added much color to the development of music and dances in America. This phase of influence on the arts is shown in the second part of the program.

The operetta has been arranged and directed by Mrs. Edwina Fowler. Others in charge of the presentation are Dr. Jane Carroll, general manager; Miss Evelyn

Triplett, dance director; Prof. Bert O. Keeney, stage setting; and Prof. D. D. Moore, lighting and stage.

Dear Dr. Carroll:

I want to express our sincere appreciation for
the marvelous grade school operetta.

The program, the discipline, the costuming,
the dancing, the musical direction, and the
general organization is most amazing.

In the past twenty years I have seen many many
grade school productions and nothing that has
ever come close to this. Hats off to you and
the entire staff for such a wonderful production.

Dear Dr. Carroll:

We wish to call your attention to the college band program to be given May 13 at ten o'clock at the regular assembly hour.

Would it be possible to have your entire student body attend this event? We are very anxious to interest them in instrumental music.

The program will last only about thirty minutes, and will be of popular interest.

President Hughes Names Four Permanent Faculty Members

Summer Term Will Bring Eleven Temporary Instructors Here

Appointment of four permanent staff members at the College and eleven temporary appointments for the summer term have been announced by President Rees H. Hughes.

Miss Florence Penn, for the past three years assistant professor of art at Miami university in Oxford, Ohio, has been added to the staff of the College as assistant professor of art. Miss Penn was formerly head of art work in the Coffeyville public schools. She received her bachelor of science degree at the College and her master of arts degree at the teachers college in Columbia university.

C. A. Swenson, head of the department of business administration and economics at Arkansas State college, has been named assistant professor of commerce and business administration, the President said. Swenson received both his bachelor's degree and his master of science degree at Pittsburg.

Dr. Alvin Proctor has been named associate professor in the department of social science. Proctor, who received his master's degree at the College, received his doctor of philosophy degree at the university of Wisconsin.

Dr. E. G. Kennedy has been appointed associate professor in the department of education and psychology and director of the department of counseling and guidance. Kennedy received his doctor of philosophy degree at Missouri university and his bachelor's degree at the teachers college at Kirksville, Mo. He will assume his duties here August 1.

Appointment of eleven temporary staff members for instruction during the summer session beginning June 1 was also announced by the President.

Four of the eleven will be added to the department of education and psychology. Dr. Merle Prunty, director of personnel and head of the extra class division at Stevens college in Columbia, Mo., will serve as special lecturer, and director of workshops on junior college and junior high school. Prunty, former superintendent of the Tulsa public schools, is widely known in educational circles throughout the country.

Miss Nelle Bowman, assistant director of curriculum in the Tulsa public schools, will serve as director of a special workshop in education for international understanding. Other additions to the department are Miss Dorothy Craig, director of elementary education in Logansport, Indiana, city schools, and Paul Christman, superintendent of schools at Baxter Springs.

Additional instructors and the department in which they will serve are W. Howard Baker, Eldorado junior college, biology; Jeanne Malcolm, Hutchinson high school, language and literature; John F. Haberhosh, principal, Cherryvale high school, social science; T. E. Davis, F. E. Ludlum, and Margaret Oliver, Pittsburg high school, supervisors in high school courses for practice teachers, and Dr. Gladys G. Sperry, Pittsburg, biology.

Marjory Ann Pease Awarded Scholarship

Marjory Ann Pease, Pittsburg, has been awarded the 1948 scholarship given each year by the American Association of University Women to the most outstanding junior in leadership, social qualities and scholarship. The award was presented by Mrs. Perva Hughes at a tea May 6, in the social rooms of Carney hall, in honor of the graduating seniors.

The nineteen year old junior, whose grade point average is 2.8, majors in English and minors in biology and music. She has been active in campus organizations as well as organizations off the campus.

Miss Pease is a member of the women's glee club, College orchestra, language and literature club, church choir, Wesley Foundation, and a past member of the A Cappella choir. She holds offices in the Alpha Sigma Alpha, social sorority, and Sigma Alpha Iota, honorary music fraternity. Miss Pease works in the English department office and teaches a Sunday school class.

Dr. Carroll Attends Executive Meeting

Dr. Jane Carroll, principal of Horace Mann laboratory school, left Friday for Lawrence to attend a state executive board meeting of Delta Kappa Gamma, women's honorary fraternity. At the meeting plans for the coming year were made, and a state executive secretary was chosen. Dr. Carroll is retiring state president of the organization. Miss Edythe Salvesson of Lawrence is the new president.

Dr. Jane Carroll Attends Meeting

Dr. Jane Carroll, professor of education and principal of the Horace Mann training school, attended a board of directors meeting of the Kansas Council of Women in Topeka, Saturday, June 12. The organization is made up of past and present state presidents of women's organizations.

Dr. Carroll is president of Delta Kappa Gamma, women's honorary educational fraternity, and past president of various other honorary organizations. Dr. Carroll is also state chairman of the program committee of the Kansas Council of Women.

At the meeting plans were made for the year's program. According to Dr. Carroll, the council is to stress adequate financing by the state for the housing of students at the Kansas State Teachers Colleges in Pittsburg, Emporia and Hays. Two years ago they were active in obtaining funds for dormitories at the University of Kansas and Kansas State College, Manhattan.

Delta Kappa Gamma Meets at Fort Hays

A sectional meeting of the Delta Kappa Gamma, a women's educational honorary fraternity convenes June 28, on the campus of the Kansas State Teachers College at Ft. Hays. Dr. Jane M. Carroll, state president of the organization, will speak at the dinner meeting in the evening.

Elementary Education

Too many people belittle the importance of the elementary school in the system of education. Some of us become so enamored with higher education we forget where we started.

Even here on our state teacher's college campus there is evidence among some that the elementary school just doesn't count. We do not seem to realize that KSTC is primarily a teacher's training college. Horace Mann laboratory school is a definite and vital part of the educational department in this institution. This is where teachers are trained for that all important task of teaching children. A shortage of well trained elementary school teachers should show us how vital Horace Mann laboratory school is to the College; to the state of Kansas and to the nation. Give the supervisors and the teachers in training a helping hand when possible. Think about it seriously as a part of our responsibility.—Ophel Cunningham

Delta Kappa Gamma Breakfast

Rho Chapter of Delta Kappa Gamma, educational honorary fraternity for women, met July 17, in the Hotel Besse for initiatory services and breakfast. Initiates were Priscilla Alford, Dorothy Craig, Elizabeth Crawford, Irene Erickson, Pauline Kenney, Marie Kyle, Eva Long, Frances Reed, Ruth Sweany, Catherine Weibe, and Hazel Wright.

After the breakfast in the Arabian room, Mrs. Perva Hughes, president of Rho chapter, introduced the officers; Eugenia Esch, first vice president, Leah Patterson, second vice president; Alma Billings, secretary; Daphne Cross, parliamentarian. She also welcomed the initiates as members.

Dr. Jane Carroll, a member of Rho chapter and a state founder has just completed a 2-year term as state president. Delta Kappa Gamma now has 800 chapters with 30,000 members in the United States.

Campus members attending were Mildred Alsdurf, Merle Caldwell, Alberta Canter, Gladys Viets, Ophelia Cunningham, Olive Evans, Gladys Purdom, Josephine Fitch, Eva Frederick, Myrtle Moore, Genevieve Carr, and Nelle Duvall.

Honorary members were Mrs. W. A. Brandenburg, Eulalia Roseberry and Elsie Bowman.

Other members including faculty present were Blanche Smith, Marie Esch, Ruth Stamm, Margaret Parker, Hilma Davis, Annie Marriott, Isadora Sweeny, Ethel Peck, Esther Park, Louise Gibson, and Mae Gibson.

Visitors were Margaret Durkin and Dr. Harriet Galligar, state members.

P. E. O. MEET TO PITTSBURG

Gets State Convention in 1949; Dr. Carroll Chairman.

Kansas City, Kas., May 7.—(P)—Mrs. Ivan W. Dodd of Johnson County was elected president of the Kansas Chapter of P. E. O. yesterday at the close of its 46th annual convention here.

Mrs. George L. Cleland of Atchison and Mrs. Richard M. Raney Osborne, were named vice presidents; Mrs. R. R. Cross, Council Grove, organizer; Mrs. Louis Kampschroeder, Garden City, recording secretary; Mrs. George E. Broadle, Ashland, corresponding secretary; and Mrs. Gerald E. Barnes, Valley Falls, treasurer.

The 3-day session was attended by 538 delegates and visitors. The 1949 meeting will be in Pittsburg.

Two delegates from each of the three Pittsburg chapters attended the state convention of the P. E. O. which ended at Kansas City yesterday.

They were Mrs. C. O. Davis and Mrs. Otto L. Markham of Chapter AQ, Mrs. Leah Patterson and Mrs. Ernest Mahan of Chapter CJ, and Mrs. Lavon Holden and Mrs. Helen DuBois of Chapter CP.

Dr. Jane M. Carroll will be general chairman in charge of arrangements for the 1949 state convention which will be held in Pittsburg late in May. She is a member of chapter CJ.

Assisting the Pittsburg chapters with the convention arrangements will be chapters at Columbus, Baxter Springs, Galena, and Girard. Approximately 500 delegates and visitors from over the state will attend the convention.

Late this month, Mrs. Ivan M. Dodd newly elected state president, will be in Pittsburg to confer with Dr. Carroll and the assisting chapters concerning the convention for next year. Mrs. Dodd will be here Friday, May 28. She will be guest at a luncheon which will be held at the home of Mrs. H. L. Stelle, 615 West Euclid. Mrs. Stelle is a past state president.

Dear Supervisor:

I think we have finally decided on the open house program for Thursday, July 23, as follows:

1. 9:00 a.m. to 11:00 a.m. -- Classroom activities in all grades.
11:00 a.m. to 12:00 o'clock noon -- Music activities -- grades 2,3,4,5,6 -- Horace Mann Auditorium
11:00 a.m. to 12:00 O'clock noon -- Kindergarten and First Grade-- Activities planned by supervisor and student teachers in regular classrooms.
1:00 p. m. to 2:00 p.m. -- Art Exhibits -- Industrial Arts Building.
2:00 p. m. to 4:30 p.m. -- Swimming demonstrations -- College pool at regularly scheduled periods.
2. Friday, July 23, 9 a.m. to 12:00 o'clock noon -- classroom activities to be planned by the supervisors and student teachers -- parties, if you desire.
3. Please keep your class in Elementary Education 21-45-46 with you at the 9 o'clock period and have them observe any activities which you plan for Thursday and Friday, July 22, 23.
4. It will probably not be possible to have your 1:30 discussion group in Elementary Education 21-45-46 on Thursday so I am suggesting that you meet them at 9:00 a.m. Monday, July 26. That will be the last period they will be with you.
5. Tuesday, July 27, the Elementary Education class 21-45-46 will meet in the Horace Mann Auditorium at 9:00 a.m. and 10:00 a.m. for the final examination. Please see that copies of your examinations are left with me before the 9:00 a.m. hour Tuesday.
6. Wednesday, Thursday, Friday, July 28, 29,30, the Elementary Education class will meet at 9:00 a.m. in Horace Mann Auditorium.

Dear Supervisor:

There will be a meeting tonight at 4:00 p.m. to plan for counselling of freshmen in September.

After talking with Dr. Murphy and Dr. Black, I find that we will be free to talk and counsel with these students Monday afternoon, September 13, and Tuesday morning, September 14. For that reason, Dr. Murphy is asking that all of us attend this meeting, if it is at all possible and if you are willing to assist with the counselling during the fall semester.

Dear Parents:

The annual Horace Mann picnic will be held ^{Wednesday} Thursday
May 20, 9:30 a.m. to 1:30 p.m. at the College Lake Park which
is just east of the College Stadium. If it is raining, lunch
will be served in the Horace Mann building.

Miss Marriott of the Home Economics Department with the
women who have prepared the school lunches this year
will prepare the picnic lunch. This means that the mothers
and fathers will have an opportunity to come early with no
thought of lunch preparation. The amount charged for the
lunch will be 30¢ for adults and 20¢ for children.

The lunch will be served at 12:00 noon by the mothers.
Each grade will have a certain place assigned to it for
the lunch period. Mothers and fathers may eat with any
grade they choose.

Each person is to bring his own plate, cup or glass,
fork, and spoon. If adults use sugar in their ice tea,
they will need to bring sugar.

From 9:30 a.m. to 12:00 noon Miss Cave and the physical
education teachers will direct a Field Meet. We are sure
you will be interested in the events which they have planned.

If you plan to attend the picnic and eat lunch with us,
please sign the following blank and return it to a supervisor
or myself by Tuesday, May 18, 1:00 p.m. Miss Marriott must
know the number who are planning to attend by that time
in order that she may plan the amount of food which should
be purchased. We should like you to send the money with the
reservations. It is much easier to check our account if this
is done.

Sincerely,

Jane M. Carroll

Herace Mann Play Period

As you perhaps know, the students working on their provisional certificates, have been assigned for their physical education period to assist with playground activities. There are 48 of them so it is necessary to do considerable planning in order to give them all an opportunity for actual game teaching. I have from 7-9 people assigned in each grade and their duties rotate each day - two people come to the room for the children, two teach the game, two people bring the children back to the room, one person gets the equipment for the game and one person takes roll of the persons in her teaching group.

It is a physical impossibility to give them individual supervision, but we shall do the best that we can. Any suggestions you can make to them regarding handling the children going to and from the playground will be greatly appreciated.

On nice days they will always go to the playground. On bad days they will play in the room.

2nd grade - will be divided into two sections with a group of students in charge of each section
10:00-10:25

3rd grade - 10:00 - 10:25

4th grade - 10:30 - 10:55

5th grade - 10:30 - 10:55

6th grade - 10:30 - 10:55

If you observe some ways in which we could improve the way in which the children are handled, or anything else which is not working smoothly I shall be very glad to have you take it up with me.

Hazel Cave
Supervisor of Physical Education

P.S. Dr. Carrell indicated to me that she felt these students should have the opportunity to attend the convocation period at 10:00 on Thursdays, thus the above program will be in effect only on the other four days of the week.

Dr. Jane M. Carroll
Horace Mann Laboratory School
Kansas State Teachers College

Dear Dr. Carroll:

Several problems have come up in connection with the Horace Mann swimming which need to be ironed out and on which we need to have a mutual understanding.

Will you please ask the supervisors to have the practice teachers who bring the children over see that no child of an earlier group stays in the gymnasium after his or her swim period? Today one of the kindergarten children waited for his sister Kathleen in the fifth grade group and fell on the locker room floor and cut his head rather severely. He was sent to the college nurse. Likewise a few of those to swim later have been coming early and sitting watching. I know that you can realize with a continuous flow of children in and out of the pool it is impossible for me or the two boys who assist me to keep track of these strays.

Another thing which is causing great confusion is the Horace Mann children going in the 4 o'clock period of swimming. To begin with Prentice Gudgen told me that was for junior high and high school only. The only person in charge is one of the men student life savers. Frankly we do not think it too good an arrangement for the girls to go in, but if the boys go naturally they want to go too. I am having a conference with Mr. Gudgen tomorrow, but thought perhaps you should have some understanding with him so that a clear cut announcement could be given the upper grades. Many of them come to me with questions and I have nothing to do with the four o'clock swim period and do not know the regulations.

Very truly yours,

Hazel Leane

Dear Parents:

We are sending with this letter a note showing the needs of your child for summer school. We have checked your child by standardized tests, by his daily class work and with the teachers and supervisors. We hope you will read these notes carefully and if you feel you cannot send your child to summer school, please talk with the Principal.

Many city school systems that can afford summer sessions plan a ten, eleven, or twelve month term. We feel our summer term has many advantages for children.

1. It gives regular hours of work for the child.
2. It provides an opportunity for a program of remedial work to overcome specific difficulties for the child who is weak in a particular subject.
3. It provides an opportunity for an enriched course for the child who is ready for such a program.
4. It prevents a large percent of "forgetting" by keeping children in touch with school work.
5. It prepares the child to do better work in the following grade.
6. It prevents a break in the child's daily routine of habits.
7. It helps the parent solve the ever troublesome problem of summer, "What will I do with my child these hot summer days to keep him happy and doing worthwhile things."

Children enrolled in summer school will be given a permit to swim in the College pool twice a week. This period will be supervised. They will also have an opportunity to enroll in orchestra and art classes. Playground will be supervised both morning and afternoon. (See attached sheet)

We are anxious to help your child this summer. Will you permit us to do so? We thank you for the cooperation you have given us this past year.

Sincerely,

Jane M. Carroll,
Professor of Education
Director of Laboratory School

Dear Supervisor:

While Miss Reau was on our campus she told me she would send the names of one or two families who are in great need of help, both as to food and clothing.

I am enclosing the names of these families and suggesting that letters be written to the children and the parents sometime during this month, if you and the children so desire.

In addition, I wonder if we would like to ask student teachers and children to contribute warm, clean, whole clothes in order that we might send a box or boxes to these people this month. I suggest, if you wish to do this, that the materials be in my office by July 21. I will send a letter to the parents.

The family was thrown out of their house in Northern France. They were held in Sault Ces Rethel, where the parents and grandparents of Mr. Claude lived, and Mr. Claude, who was prisoner of war, came back owing to ill health in 1942. He had to support his own growing family and his wife's parents and grandparents. The latter have died since.

The family lives in very crowded quarters and everyday life is very difficult even though Mr. Claude has a fairly good job as a white collar worker in a factory. He worked between 1942-45 in the Social Agency of which he headed the Social Service.

The children, except the largest, go to school, and Libaire is now staying at home to help her mother with the house.

Dear Parents:

This spring while Miss Reau, a French Woman, was on our Campus, she told of the dire need in France for clothing and food. At our request, she sent us the names of the members of two families which she knew personally, and who would appreciate messages from the people in the United States, as well as clothing and food.

I am enclosing the names of the members of the two families. We are planning to send packages of clothing to these families about July 20. If you by chance have any garments which are clean and whole, particularly warm ones, that would fit any of the children listed, we would appreciate your sending them to us by July 19 or 20. We will see that the packages are sent directly to the families.

Miss Reau told us that used clothes were very acceptable, particularly woolen garments as it is very cold there beginning about September 1 and there is very little, if any, heat in the buildings.

She, also, told us that the clothes would need to be in good condition and cleaned before sent as they do not have needles, thread or cleaning fluids.

We shall be glad for any contributions you wish to make.

Sincerely,

Jane M. Carroll

FIFTH ANNUAL AUDIO-VISUAL EDUCATION CONFERENCE

JUNE 16 - 18

This year's audio-visual conference has been expanded to cover three days' time, the four-state area surrounding Pittsburg, and a large variety of educational needs. Audio-visual demonstrations and discussions will deal with subjects and levels from kin-

dergarten to adult group. Curricular use and administrative helps will be considered. The film forum will be demonstrated, of use both to educational and lay groups, dealing with world issues such as United Nations, atomic energy, democracy, and others. Religious education will be served in the most comprehensive offering to be presented in this area. An expanded and functioning audio-visual program in Kansas will be given special consideration. A special feature of the conference will be a photographic clinic, with displays of work of both high school students and adult groups. Workshop facilities will be available for pre-viewing audio-visual materials, particularly new items. Commercial exhibitors will display an extensive showing of standard and new equipment in the field.

Director: LEWIS H. CALDWELL, Director of Audio-Visual Education and Photography, KSTC.

Leaders: J. MARGARET CARTER, National Film Board of Canada, Chicago, Illinois.

EARL CROSS, State Department of Public Instruction, Oklahoma City, Oklahoma.

GEORGE MITCHELL, Encyclopedia Britannica Films, Dallas, Texas.

Also, members of the Executive Board, Kansas State Audio-Visual Instruction Association, Topeka, Kansas.

ANNUAL EDUCATION CONFERENCE

JUNE 23 - 25

Problem: *How Shall We Make Teaching A Career Profession*

This three-day conference is primarily for school administrators, including county superintendents, city and community superintendents, and boards of education. The main emphasis of the conference will be on securing and maintaining an adequate supply of capable teachers for our public schools. Among the problems discussed will be the following: Why the Scarcity of Career Teachers? Needed School Legislation; Improved and Professional Certification of Teachers; The Responsibility of Teacher Education Institutions; In-Service Education for Teachers;

Development of Strong Professional Attitudes; and The Challenge to Service.

Director: ERNEST E. STONECIPHER, Director of Rural Education and Extension Service, KSTC.

Leaders: Representatives of the National Education Association, the Kansas State Department of Education, Kansas State Teachers Association, Kansas State School Board Association, Kansas State Chamber of Commerce, as well as city and county superintendents.

MENTAL HYGIENE CONFERENCE

JUNE 21 - 22

Theme: *Mental Health for Today's World*

This conference is being sponsored by the College in cooperation with the Kansas State Board of Health, and is designed to appeal to all those who are interested in the mental hygiene movement. The emphasis will be on the mental hygiene of the child, both in the school and in the home. Particular attention will be given to sex education in its bearing upon emotional health.

Director: EUGENE E. DAWSON, Director of Religious Activities and Counselor for Men, KSTC.

Leaders: DR. EDWARD GREENWOOD, Director, Southard School, Menninger Foundation, Topeka, Kansas.

DR. P. K. HOUEK, Executive Secretary, Social Hygiene Society, Kansas City, Missouri.

DR. EDGAR WARREN, Director, Division of Mental Hygiene, Kansas State Board of Health, Topeka, Kansas.

SHORT COURSE FOR TEACHERS OF DRIVER EDUCATION AND TRAINING

JUNE 28 - JULY 3

This course is designed to prepare high school teachers to offer a course in Driver Education and Training in their schools. It is presented jointly by the College and The American Automobile Associa-

tion. The group will meet eight hours per day for six days. On completion of the course, teachers will receive the AAA certificate, which makes them eligible to receive all the services of the AAA and the loan of a dual-control car.

Director: HARRY V. HARTMAN, Associate Professor of Industrial and Vocational Education, KSTC.

HORACE MANN LABORATORY SCHOOL
KANSAS STATE TEACHERS COLLEGE
PITTSBURG, KANSAS

June 26, 1948

Dear Parents:

In order to insure safety for the children while swimming,
we ask the following:

1. That all children taking swimming come alone on swimming days, Tuesday and Thursday, if possible. Parents who need to bring the children are requested to wait outside the school or in the Horace Mann Laboratory School. There will be open house for parents on Monday and Tuesday, July 27 and 28, 27-28 where the parents will have an opportunity to watch the children.
2. Before and following the swimming classes, the children are not to wait at the pool for a brother or sister nor visit another class. If it is necessary for any children to wait, he may stay in the Horace Mann Laboratory School in his own room.

It is difficult for Miss Cave and her helpers to check children in and out of the pool with visitors about. We are sorry to ask parents to remain outside, but feel it is necessary to insure safety for the children.
