HORACE MANN LABORATORY SCHOOL

KANSAS STATE TEACHERS COLLEGE

Pittsburg, Kansas  
September 17, 1948

Dear Parents:

This letter contains two important announcements.

- (1) The lunches for the Horace Mann Laboratory School children will start Monday, September, 20. We expect every child who finds it necessary to eat lunch away from home to eat in the lunch room. The price of the lunch is 20 cents. If you feel that you cannot plan for your child to eat lunch with us because of financial reasons, please talk with me about it.

Each child is to bring his 20 cents to the supervisor when he comes to school in the morning. No reservations for lunches will be accepted after 9:30 a.m. We are very fortunate to have this excellent lunch provided for us.

- (2) Mrs. Fowler will meet the mothers of the children in grades 3, 4, 5, and 6 who are interested in orchestra, either Tuesday or Thursday, September 21 or September 23, 3:30 p.m. If you wish your child to join this group, please plan to talk with Mrs. Fowler on this day concerning the instrument he should use.

We have 247 children enrolled in the Horace Mann Laboratory School this year. We are glad to have your child and hope, with your co-operation, to give him the best in education. We shall be happy to have you visit school any time you find it possible to arrange your schedule to come.

Sincerely,

Jane M. Carroll

## COLLEGE GREET'S NEW CLASS OF ABOUT 400

### ORIENTATION PROGRAM FOR FRESHMEN GETS UNDER WAY.

Enrollment Tomorrow and Wednesday, Classes Thursday; Increase in Price of Activity Tickets Boosts Student Fees.

The College's fall term swung into gear today as some 400 freshmen attended the first orientation convocation at the Music hall auditorium this morning and received their initial instructions concerning the school's activities and curriculum.

This year's incoming class is comparable in size to last year's freshman class, Dean Paul Murphy said. Late comers will boost the total of the first year class almost 100 new students, it was believed.

Enrollment for juniors, seniors and graduate students will be tomorrow afternoon. Freshmen will enroll Wednesday morning, followed by the sophomores Wednesday afternoon. Classes will begin Thursday.

#### Counseling.

The convocation lasted about 45 minutes after which the new students went to Russ hall where they received counseling from faculty members about their classes for the semester.

President Rees H. Hughes welcomed the new students and explained what the school offered and its rating among colleges in Kansas.

Dean of Instruction Ernest Mahan explained the major and non-major groups in the curriculum. A counseling period was held again this afternoon beginning at 1:30 o'clock. A freshman picnic was scheduled for 5:30 o'clock tonight at the College lake.

Fees for this school year will remain the same with the exception of the activity tickets. Last year these tickets sold for \$5.80 including tax, while this year they will sell for \$8.95, including tax.

#### Other Fees.

The matriculation fee, which is paid only once during the four years of college, is \$10 for students living in the state and \$20 for non-resident students. Incidental fees amount to \$33 for resident students and \$60 for non-resident. The student health fee is \$2 for both classes of students and \$5 is assessed for student union privileges.

Students who are taking up to and including five hours of school work will pay \$3 per credit hour if residents of the state and \$6 per credit hour if out-of-staters. Both must pay the student activity fee.

Those students taking six or more hours of work are considered full time students and as such must pay the full fees.

#### Heavy Enrollments.

Heavy enrollments were reported by W. E. Matter, principal of the College, and Dr. Jane Carroll, principal of Horace Mann laboratory school. Mr. Matter said that late enrollment would be accepted tomorrow and the remainder of the week, but urged students to enroll as soon as possible.

At Horace Mann late enrollments will be accepted at 8 a. m. Thursday but not before, Dr. Carroll said. Classes there will begin at 9 o'clock Thursday morning.

### ENROLL AT HORACE MANN.

Register 242 Students; Increase of 15 Over Last Year.

Some 242 students were enrolled at Horace Mann training school today, Dr. Jane M. Carroll, the principal, said. This is an increase of fifteen students over last year.

Classes will start at 9 o'clock Thursday morning. All those who did not enroll today may do so between 8 and 9 a. m. that morning. There will be a full day of school work the first day.

### Alpha Honor Tea

Alpha Sigma Alpha honored its rushees and their mothers at an afternoon tea September 12 at the sorority house, 201 E. Williams.

The rushees and their mothers were greeted at the door by Patricia Scallet, president, Mrs. Perva Hughes and Mrs. Noel Dieu. The tea table was decorated with red and white garden flowers. Mrs. Ernest Mahan

presided at the table assisted by Mrs. Clay DeFord. Miss Marjorie Pease was in charge of the guest book.

Ninety guests were present. The out of town guests were Joyce Cloes, Betty Hunting, Dorothy Clark, Emma Vantrepotte, Ona Marie Dechairio, Carol Cushman, Joan Sell and Sue Grant.

### Dr. Carroll to Speak To Teachers Group

Dr. Jane M. Carroll will speak to the County-Teachers Association group at Olathe, Saturday, at 10:00 a.m. She will speak on the subject, "Education for International Understanding."

### Future Teachers Picnic

Future Teachers of America will hold a picnic at the College lake next Wednesday at five o'clock. All members are urged to attend, according to the officers.

Future Teachers of America is designed for all college students who plan to teach. Membership in this organization includes membership in

the National Education Association, Kansas State Teachers Association, and the local college chapter of Future Teachers of America.

Local officers are Jimmie Roberts, president; Kathryn Hosack, vice-president; Howard Forbes, secretary; John Roman, treasurer; and George Hudiburg, program chairman. Dr. Jane M. Carroll is sponsor.

### Dr. Carroll to Speak To Teachers Group

Dr. Jane M. Carroll will speak to the County-Teachers Association group at Olathe, Saturday, at 10:00 a.m. She will speak on the subject, "Education for International Understanding."

Dear Parents:

As you probably know there is a National Committee on "World Friendship Among Children" which is sponsored by the Church World Service, Inc. This committee asked last year and again this year that donations of money be sent to them to send Christmas packages to children in war devastated countries. Each package which goes overseas will contain

Pure Wool Scarf  
Pure Wool Cap  
Pure Wool Mittens  
Polo Shirt  
For Girls--A Pair of Bloomers  
For Boys--A Pair of Shorts  
Three Handkerchiefs  
One Towel  
A Cake of Soap  
A Comb  
One Toothbrush  
Candy  
and a Greeting Card.

The expense is \$3.00 per package.

We thought the parents, children, student teachers, and supervisors of the Horace Mann Laboratory School might like to send several of these packages. We are asking those who are interested to bring 10¢ to the supervisor by Friday, October 1. If you wish your child to contribute to this very worthy cause, please see that he has his money here by the date mentioned above.

Best wishes to you.

Sincerely,

Jane M. Carroll

# Vacations Take Faculty Members Far From Campus

• • 9-29-48

## Travels Lead to Places Of Interest Throughout Entire North America

Several members of the faculty spent parts of the summer far from the Pitt campus in various interesting activities, with travel and the advancement of education leading the list.

President Rees H. Hughes and Dean Paul Murphy attended a school for executives held by the American Association of College for Teachers Education. The meeting was held at the YMCA camp at Estes Park, Colorado. At the meeting school executives discussed teachers education. President Hughes was chairman of a group which concerned itself with curricular problems. Dean Murphy was a member of a group dealing with student personal problems and one of curricular activities.

Eugene Dawson, dean of men, spent two weeks as director of interviews at the Royal Ambassador camp near Ocean Park, Maine. Later Dawson spent two weeks at Harvard University doing research work in the field of psychology.

Jim Bertone, instructor of press-work, spent part of August in Chicago, Illinois.

Dr. Elizabeth Cochran made a four week tour of Old Mexico.

Miss Ruth Moon, assistant professor of biological science, has taken a leave of absence for the year, and at the present is doing research work in Alaska.

### Visit South America

Another who has taken a leave of absence is Miss Gladys Rinehart, assistant professor, who is traveling and studying spanish in South America. She visited in Brazil, Venezuela and at the present time is in Uruguay.

John Gilbreath, assistant instructor of linotype, spent August traveling throughout the southern and eastern sections of the country. Highlights of Mr. Gilbreath's travels were historic Lookout Mountain, the battlefields of Shiloh, Richmond, Fredericksburg, Gettysburg, and Appomattox, and the grave of the Unknown Soldier. Mr. Gilbreath also visited various points of interest in Canada.

### Sees Daughter

Professor Frank German spent August traveling in the New England states, spending the major portion of his time with his daughter, Willetta, at her home in Augusta, Maine. Professor German visited many historical points in Boston and Canada. Among places of interest visited was the memorial to the late President Franklin D. Roosevelt.

Clay Deford, supervisor of journalism, spent the entire summer working on his doctors degree at the University of Oklahoma at Norman.

Miss Helen Kriegsman, supervisor of mathematics, spent the summer at Ohio State University, in Columbus, doing advance study in mathematics.

### Strawn on Navy Cruise

Dr. Robertson Strawn cruised from New York to Nova Scotia as a member of the Naval Reserve. The voyage was made aboard an LSM which was especially equipped for training in electronics warfare.

Another faculty member participating in the naval reserve training program during the summer was Dr. Alvin Proctor. Dr. Proctor spent two weeks at the Naval Air Station, Grosse Isle, Michigan, in the study of radar.

## Alpha Sigma Alpha 9-27-48

Eta Eta chapter of Alpha Sigma Alpha held active initiation services Tuesday night, September 21 at the sorority house, 201 East Williams. Those initiated at the ceremony were Helen Anderson, Jeanne Sawyer, and Margie Whitehouse.

The service was conducted by Pat Scalet, president; Joan Hughes, vice president; Jane Stroup, registrar; Marjory Peas, chaplin; and Marty Alberts, musician. Guards at the ceremony were Norma Hopkins, Margaret Benson, and Betty Kisse. Sponsors present were Mrs. Perva Hughes and Dr. Jane Carroll.

Following the services, a short meeting was conducted for the 25 rushees who will pledge Alpha Sigma Alpha at the next regular meeting to be held in the art room of music hall.

## Four-Year-Olds Invade Campus For Pre-School

The patter of little feet will soon be heard on campus. Twenty children four years old have been enrolled in the new University Pre-School which will open October 4, under the direction of Miss M. Dorothy Craig. Her assistant will be Mrs. Neva Lois Temple. Others on the staff are Dr. C. E. Kennedy, who will give the children medical check-ups each morning, Dr. Lorenz Misbach of the psychology department, and Miss Luella O'Neil, dietician.

### Former Greenhouse

The greenhouse, which was formerly the University bookstore, has been converted into the Pre-School. The building has been completely redecorated and a fence will be put up to provide a play area for the children.

Pre-School instruction will stress motor development.

### Four-Year-Olds

Continued from page 1, col. 3  
adaptive behavior, language development and personal and social development. A character analysis will be made of each of the children. The program includes free play, the graphic and plastic arts, rest and all activities which stimulate creative ability. Music and art appreciation, dramatic play and science observations, commensurate with the child's maturity and interest level, will also be included.

### A Happy Environment

The main purpose of the Pre-School is to help the child to develop physically, mentally and socially in a happy environment where he will be free from tension and undue pressure.

This University Pre-School is a step forward in the establishment of a laboratory for students majoring in child development and teacher training.

**PROSPECTIVE UNIVERSITY STUDENTS** although only 4 years old, Nancy Carol Smith and David Atcheson look over the playground site at the University of Kansas City, and ask Miss M. Dorothy Craig a few questions. Miss Craig is director of a pre-school plan which is being instituted at the university this fall. Today she was conducting interviews with children who may be enrolled, and their parents. David is the son of Dr. and Mrs. Bellfield Atcheson, 5333 Mission road, Johnson County, Kansas. Nancy's mother, Mrs. Frank C. Smith, 314 West Forty-fifth street, also accompanied her to the interview—(Kansas City Star photograph).

October 12, 1948

Dear Parents:

We should like your child, \_\_\_\_\_, to be a part of the Horace Mann Laboratory School float which is to be in the College Homecoming parade Saturday, October 16. The costume he is to wear is \_\_\_\_\_. Will you please put warm clothing under the costume and see that the child is at 10th and Broadway on the west side of the street by 9:00 a.m. The parade will start at that point and continue to Euclid and Broadway. Will you please be at Euclid by the time the float arrives there in order that you may see that your child reaches home safely. Miss Williams and Mrs. Cross will be at 10th and Broadway to arrange the children on the float.

We believe the float will be very attractive and that you will be happy to see it.

Sincerely,

Jane M. Carroll

Dear Parents:

The Horace Mann Laboratory School is to have a float in the College Homecoming parade Saturday, October 16. The float will be attractive and there will be two representatives from each grade on the float. The children will help trim the float Friday afternoon, October 15, from 1:00 p.m. to 2:30 or 3:00 p.m. After that they will be dismissed. We hope that all parents and children will see the float. We are number 15. The float is entitled "World Citizenship".

October 18, 1948

Dear Supervisors:

1. There will be no meeting tonight.
2. At the last Administrative Council meeting, President Hughes asked each person there to talk with his staff concerning the need to arrange classrooms attractively with work exhibited, equipment out to show what is really being done and flowers, if possible, in the rooms. He, also, stressed the need for a host and hostess at each meeting place who would be responsible for arrangements of those particular rooms. We probably will have many visitors in the Horace Mann Laboratory School and I am sure that you will make your rooms as attractive as you possibly can.

If I can be of any assistance, let me know.

3. We will try to have the General Meeting with parents the second week in November. That is Education week, as you remember, and this will probably be the open house for mothers and fathers. The group meetings will follow a week later.

Sincerely,

Jane M. Carroll

Dear Parents:

Mrs. Fowler and Miss Triplett have been asked to present a program for the American Legion Auxiliary at the American Legion hall, West 4th Street, October 21, 8:10 p.m. They have chosen the following girls to assist them:

Betsy Ross  
Sharon Wilson  
Beth Mooney  
Jolene Stevinson  
Janet Sue Messenger  
Karen Mallory

Will you be willing to see that your child is at the American Legion hall October 21, 8:10 p.m.? We will appreciate your cooperation.

## Speaker Has Criticism for Both United States and Russia Over Roles With Veto Powers at U. N.

Norman Cousins, editor of the Saturday Review of Literature, this morning criticized both the United States and Russia for their roles in

NORMAN COUSINS

sustaining the veto in the United Nations by charging that "the people are ready for world government

and law" unhampered by the veto power of the security council.

Mr. Cousins, here for the sectional convention of the Kansas State Teachers Association, spoke before a large crowd in the Pittsburg Memorial Auditorium.

In his blast against the use of the veto power, Mr. Cousins said that at the present time the United Nations is a "paper organization" and a "wonderful sounding board of public opinion" but that both the United States and Russia at the time of its inception at San Francisco were "unwilling to have an organization stronger than themselves."

He reminded the audience that the United States first proposed the veto.

Mr. Cousins began his talk, entitled "Don't Resign from the Human Race," describing the Berlin air lift on which he flew five weeks ago. He told of the progressive destruction he saw as the plane flew into Berlin and how the center of the city was completely demolished by the bombing.

He wondered, he said, as he viewed the rubble if persons back home

realize how close they are to another war.

"We must realize this is no longer a chess game," he declared, "but that Europe is caught in a hideous momentum which verges on war. Each country is playing for keeps, but there is a basis for hope."

The speaker said he discovered that in Europe Communism has reached the high water mark and is already beginning to recede. The Marshall plan, he said, has helped in the upswing of economics and politics in Europe.

Mr. Cousins told in detail the close precision workings of the air lift—how planes take off and land every one and a half minutes—and said that it will probably revolutionize air transportation in the United States.

The world, he said, has yet to lay the foundation for permanent world peace. Both the United States and Russia felt too large to be under the complete rule of the United Nations in their respective foreign policies. One nation, he told the audience, can stop action in the security council with its veto power, and as a consequence, it lacks the critical power it needs.

"This is unlike any other time in history," Mr. Cousins stated. He said that the old means of averting war, such as the balance of power, appeasement, treaties and alliances, have failed, and that only a world government and world law, backed by force, shall the nations escape another debacle such as they have passed.

He quoted the President when he said "that the United Nations is our first line of defense," but said the government has failed to give it full support.

"We need a double-barreled foreign policy," Mr. Cousins declared, "and should not base the nation's foreign policy upon unilateral actions and agreements. A strong United Nations, with the full moral support of all nations, is the only answer to world peace."

Mr. Cousins next related his experiences and impressions when he witnessed the Bikini atomic bomb tests. He told how the minutes dragged after he was notified that the plane carrying the bomb had been dispatched.

When the signal "bombs away" was given he said the "waiting-out" period seemed like 57 years rather than 57 seconds. He told of his thoughts during this time, and then used the effective device of clocking 57 seconds of silence in the hushed auditorium. He gave full details of the scene after the explosion.

The atomic bomb, Mr. Cousins warned, would be most effective against the United States because of this country's concentrated industries and population.

Ending his speech, he cited the need of individuals making known their desire for world government to the legislature and the President because they feel the nation is not "yet ready for world government."

"World government, while no sure-fire cure," he said, "is our principal hope."

### ILLINOIS EDUCATOR SPEAKS.

Dr. E. F. Potthoff Appears Before College Faculty Meet.

Dr. E. F. Potthoff, director of

the bureau of instructional research at the University of Illinois, spoke to faculty members at the College in a faculty meeting held Wednesday afternoon.

Dr. Potthoff appeared as speaker at the first of a series of talks for faculty members centered around improvement of instruction. He was introduced by Dr. Ernest Mahan, dean of instruction.

### Alumni Banquet

More than 275 persons attended the college alumni banquet held Nov. 5, in the college cafeteria. President Rees H. Hughes addressed the group. Dr. Jane Carroll was toastmistress.

Greetings from alumni were brought by Ray Heller, Neodesha, vice-president of the Pittsburg alumni association. Wallace H. Guthridge, Parsons, vice-president of Pittsburg alumni, southeast Kansas section, was introduced. Robert Kazmayer, teacher author and reporter, was also introduced.

Group singing was lead by Otis Mumaw of the music department.

### CROWD AT ALUMNI DINNER

Annual Festivity Last Night Sees More Than 275 on Hand.

More than 275 persons attended the College alumni banquet held last night at the College cafeteria. President Rees H. Hughes addressed the group. Dr. Jane Carroll was toastmistress.

Greetings from alumni were brought by Ray Heller, vice president of the Pittsburg alumni association from Neodesha. Wallace H. Guthridge, Parsons, vice president of Pittsburg alumni, southeast Kansas section, was introduced.

# HOWARD MAN NAMED TO HEAD TEACHERS

**SIDNEY E. TRIMMELL PICKED  
AS VICE PRESIDENT  
TODAY.**

**Will Preside at Sectional Meeting in  
Coffeyville in 1949; Third  
General Session  
Tonight.**

Free for Saturday.

Convention committees met at 2 p. m., to discuss many topics related to school work. Topics under discussion were selected by local teacher associations and convention officials.

No formal programs are scheduled for Saturday, with the visiting teachers left mainly to their own devices, for shopping and visiting

friends. Many of the teachers are expected to remain over for the football game at the College between the Gorillas and the Tahlequah, Okla., Teachers. The game will be at 2 p. m.

The Chamber of Commerce operated a table where teachers unable to obtain hotel rooms were placed in private homes. John Lynch, manager of the chamber, and in charge of the desk, said he did a land-office business all day, and got everyone placed that wanted a room. There were a few rooms registered that were not needed. Convention headquarters also occupied space in the auditorium.

## In Holiday Garb.

Pittsburg put on its holiday convention dress for the teachers, with bunting draped across Broadway in the business district, and the American flag display used during the day. The flags were taken down last night but were restored early this morning for the second day of the convention.

The second general session last night drew almost a capacity crowd to the auditorium to hear Robert Kazmayer, author and world reporter, discuss the relations of European problems to America.

## Convention Sidelights

A water ballet was put on this morning by senior high school students for the physical education instructors attending the teachers convention.

It was presented as a play. Bill Nicholson portrayed a school boy playing hooky from school to go fishing. He meets a bullfrog, played by Bill England, who tells him that even the fish have to go to school to learn to swim. Senior high school students playing the fish proceeded to put on a number of intricate swimming routines to the accompaniment of music from the public address system. England as the bullfrog was dressed in green tights with a black tail coat, and a paper mask over his head. At one end of the pool was a backdrop painted to represent trees, and water lilies were placed around the edge of the pool.

The performance was directed by Miss Helen Messenger and Jim Morey, physical education teachers at the high school.

Coffee was served at the home economic round table discussion held this morning at senior high school, while the convention delegates talked about visual aids for home economics departments, and the FHA programs. Mrs. Opal Mason and Miss Esther Gable, Pittsburg high school home economic teachers, were the hostesses. They were assisted by Miss Eugenia Allen, Miss Roberta Bobbitt, Miss Donna Scratcher and Miss Bonnie Wiley. The center piece for the coffee table was a large pumpkin, flanked by fall leaves and silver candle sticks.

A large exhibit of books featuring the best in fiction and non-fiction for high school students was on display at the senior high school library this morning. Teachers attending this panel meeting discussed library displays, newspaper publicity, observance of book week, and cooperation between faculty and administration.

# PITTSBURG IS HOST TO 2,100 TEACHERS

**DELEGATES FROM SOUTHEASTERN  
SECTION ATTENDING  
STATE MEETING.**

**Business District Decorated With  
Flags in Tribute to Visitors;  
First Regular Assembly  
To Be Held Tomorrow.**

Approximately 2,100 teachers from over southeastern Kansas found Pittsburg a colorful host city when they arrived in town this morning for the opening session of the 85th annual meeting of the Kansas State Teachers Association. The number of teachers here for the teacher sessions was expected to swell to more than 2,200 by tonight.

The convention atmosphere in the city was heightened by the business district being draped in flags of brilliant hues with American flags placed in brackets on whiteway posts lining Broadway presenting an impressive sight.

"Side" activities today in connection with the convention were a Delta Kappa Gamma luncheon at noon at the Hotel Besse, and a College reunion dinner which will be at 6 o'clock tonight at the College cafeteria.

## In Auditorium.

Headquarters for the convention have been set up at the Memorial Auditorium where all general sessions are being held.

While the first general session was conducted this morning convention business will be transacted at a meeting of the sectional delegate assembly which will be held at 1:30 o'clock tomorrow afternoon in the little theatre at the Roosevelt junior high school building.

At that session, a vice president will be named to preside at next year's convention which will be at Coffeyville. The assembly also will elect delegates to the state delegate assembly.

Norman Cousins, editor of the Saturday Review of Literature, New York City, was the speaker at this morning's general assembly.

## Welcomed.

Visiting teachers virtually filled all seats on the main floor of the auditorium, while others were scattered in the balcony.

Teachers officially were welcomed to Pittsburg by Superintendent Lowell A. Small, while Wallace H. Guthridge of Parsons, vice president, presided. Invocation was given by Rev. W. Wallace Paris, pastor of the First Presbyterian church. The program also included music under the direction of Otis J. Mumaw, head of the music department at the College.

Lobby of the Memorial auditorium building was a busy place during the morning as teachers continued to arrive for the convention.

An information bureau and check stand have been set up in the lobby of the Memorial auditorium building for the convenience of the visiting educators.

## Voting Place.

A booth also has been set up in the lobby to serve as the principal voting place where teachers may cast ballots for a member of the board of directors. It will be open until 30 minutes after the close of the general sessions tonight and tomorrow night.

One member of the state board is scheduled to be named from each of the six Congressional districts.

Names appearing on the ballots from the Third District include Paul G. Chrisman of Baxter Springs, James B. Hutton of Chanute, Charles W. Lafferty of Fredonia and Raymond Marsh of Galena.

Departmental meetings were held this afternoon.

## College Meeting.

The College departmental meeting was held in the library reference room at the College with William A. Black of the College as chairman.

Dr. Edward F. Potthoff of the University of Illinois at Urbana, Ill., spoke on "Characteristics of a Functional General Education Program."

Dean Ernest Mahan of the College discussed "What About Survey Courses?"

Karl Wilson, dean of the junior college at Coffeyville, discussed "How Much and What Kind of General Education in a Junior College Occupational Program?"

In-Service Training Plan. Joe Osterberg, superintendent of schools at Iola, discussed "What Is a Good Plan for the In-Service Training of Teachers of General Education?"

The senior high school departmental meeting was held in the high school auditorium with T. N. Millard of Sedan as the chairman.

Dr. Potthoff spoke on "Education for Community Responsibility."

There also was a panel discussion on "What Are the Modifications of

Changes in Present Practices That Would Make Today's High School a More Effective Instrumentality in Serving Youth of Secondary School Age?"

## Panel Members.

Panel members were Victor A. Klotz, principal of the Field Kindley high school at Coffeyville and Finis M. Green, associate professor of education at the Kansas State College, Manhattan.

The intermediate group met in the Washington school auditorium. Blanch Smith of Pittsburg was the chairman.

Dr. Nila Banton Smith, professor of educational psychology, New York University, was the principal speaker. Her topic was "Developing Reading Skills at the Intermediate Level."

## Show Motion Picture.

There also was music under the direction of Mrs. Maxine Sinn of Pittsburg, and a motion picture film, "Maintaining Class Room Discipline."

Dr. E. W. Dolch of the University of Illinois discussed reading and English in the junior high school when the junior high school departmental meeting was held at the Lakeside junior high. John L. England talked on "Current Ideas in the Field of Discipline in the Junior High School." He is principal of the senior high and Roosevelt junior high here.

The program included music by the Lakeside junior high chorus under the direction of Ethel Ludlow.

## Rural School Group.

The rural school group met in the Music hall auditorium at the College with Alma DeBolt of Oswego as the chairman.

"Better Reading for Every Child" was discussed by Dr. Dolch. Prof. E. E. Stonecipher of the College talked on "The Rural School as a Community Institution."

Science hall auditorium at the College was the scene for the kindergarten-primary departmental meeting. Ruth Crossfield of Chanute was the chairman.

## Present Demonstration.

The program included a demonstration, "An Integrated Program in the First Grade," which was presented by first grade pupils of the Horace Mann laboratory school, directed by Velda M. Williams, assistant professor of education and first grade supervisor at the College.

Music and rhythms were directed by Mrs. Edwina Fowler, instructor of public school music at the College.

There also was an address, "Procedures in Teaching Word Recognition," by Dr. Smith.

## General Session Tonight.

Second general session of the convention will be at 8 o'clock tonight in the Pittsburg Memorial Auditorium when Robert Kazmayer described as a world teacher, author and reporter, will be the principal speaker. He will talk on "The Emerging Europe and What It Means to Us."

In the hallway of the Memorial auditorium visiting teachers saw exhibits of educational equipment as well as displays set up by the Pittsburg Parent-Teacher Association, a visual education display, a display by the College and one by the state department of education.

## Convention Sidelights

The Pittsburg Chamber of Commerce was being swamped by delegates to the teachers convention asking for rooms. John Lynch, secretary, said today. A desk has also been set up at the Memorial auditorium to handle requests for rooms. The Chamber of Commerce is in charge of the convention arrangements.

Kansas State Teachers College has an exhibit of pottery, silver work, and industrial tools made by students at the Memorial Auditorium for the teachers convention. There was a display of pictures showing student activities at the College, and the facilities used for teaching various crafts.

The Kansas state department of education had a display of teacher aid pamphlets at the teachers convention in the Memorial auditorium. The booklets contained the latest methods for teaching reading, speech, and spelling. There are also pamphlets on Kansas school laws, and the lunch program for schools.

### Horace Mann Guests

Parents of the children who attend Horace Mann laboratory school were guests at a tea November 9. Each child was his parent's guide and took them to his own grade, introduced them to the supervisor and student teachers of his class, and displayed his school work. From there, a tour was made of the building. Punch and wafers were served by student teachers who presided at the punch bowl. Approximately 400 parents attended the open house.

### Alpha Open House

Alpha Sigma Alpha held open house on Nov. 2. Guests were greeted by Pat Scalet, president; Dr. Jane Carroll and Mrs. Perva Hughes, sponsors; Jane Stroup, registrar; and Shirley Sherman, rush captain.

Marjory Pease was in charge of the background music. Those assisting her with the program were Martha Albers, Jane Morgan and Mitzi Helms.

Nancy Anderson had charge of the refreshments. Those assisting her at the punch bowl were Jacque Brown, Ruth Payne, Mary Harpole, Margaret Tinder, Joan Babcock, Margaret Benson, Jane Stroup, and Martha Albers.

Refreshments were served to 200 sorority and fraternity members and sponsors. Joan Hughes, Betty Leach and Mary Louise Canny took charge of the guest book.

### Alphas Give Program

At a meeting of Alpha Sigma Alpha last night, a Founde's Day program was presented by Alpha alumni and active members of the chapter. Plans were made for Alphas to decorate for the Pan Hellenic dance on Nov. 19.

### To N.E.A. Meeting

Dr. Jane M. Carroll attended a federal legislative meeting sponsored by the National Education Association November 8, at the President hotel in Kansas City. The conference was planned with the idea of promoting federal aid for education. Seven states were represented at this conference. They are Arkansas, Iowa, Kansas, Missouri, Nebraska, Oklahoma, and Texas.

Representatives from the N. E. A. who spoke at the meeting were Mr. Floyd Giddings and Miss Mary Titus. In the afternoon the assembly was divided into four groups including: "Informing Members of Local Teacher Groups;" "Informing the General Public;" "Working with Local and State Political Leaders;" and "Working Effectively with Members of Congress." Dr. Carroll was appointed as secretary of the second group.

### First Grade Students To Present Program

First grade children of Horace Mann Laboratory school under the direction of Miss Velda Williams and student teachers will present an assembly program Tuesday, November 23, at 11 a. m., in the Horace Mann auditorium. The theme of the program will be "First Grade Activities". Parents and friends are cordially invited to attend the program.

### Flu Shots Being Given By Comer and Church

Mrs. Berga Comer, the school nurse, and Dr. H. L. Church, who is on duty two days a week at the College, have been engaged for some time in giving flu shots to students who are susceptible to common colds. They have had a great deal of work to complete, operating their regular laboratory and attending to football injuries, besides the shots.

### Plan Holiday At Horace Mann

Dr. Jane Carroll, head of the Horace Mann Laboratory school, states that the pupils of that school will be dismissed Wednesday noon for the Thanksgiving holidays and classes will resume Monday, November 29 the same as the College.

Preparatory to their vacation, the students of the first grade under the supervision of Miss Velda Williams and student teachers presented an assembly program last Wednesday in the Horace Mann auditorium.

### Black Addresses Kappa Delta Pi

Dr. William A. Black, head of the department of education and psychology, gave a talk last Wednesday on "Extending and Preserving Freedom and Democracy" at a meeting of Kappa Delta Pi, national and international honorary society in the field of education.

## Horace Man Student Tells Of Two Years Stay In Japan 11-24-48

Much notice has taken of the rehabilitation of veterans, but the equally-as-important families of these men somehow have been overlooked. They too have had to make adjustments which in some instances are even greater than those of their parents.

An outstanding example of the aforementioned is little Suzanne Opsahl, granddaughter of Prof. and Mrs. L. C. Guffy, of College High. Suzanne, now a student at Horace Mann, has traveled a great deal for a little girl of ten. She has recently returned from Japan, where she has lived for the last two years. Lieutenant Colonel Opsahl, Suzanne's father, is an army medical officer. His duties as such have necessitated frequent transfers to foreign countries.

Suzanne, when questioned about Japan, said that she thought the Japanese children were not as clean as

they should be. Concerning their dress Suzanne stated they many of them wore kimonos and very odd-looking sandals. Their hose are called "tabis," with one toe separated from the rest, like mittens.

Japanese dishes did not particularly tempt Suzanne. She has always preferred American foods, but some of the Japanese holiday dishes of fish and rice weren't bad.

The Opsahls lived in Yamashita park, in the American sector of Tokyo. The family had three Japanese servants. Suzanne particularly enjoyed going to the Japanese shops, where the American dollar really went a long way. Each dollar had the value of fifty yen.

Suzanne enjoyed her stay in Japan, except for missing her grandparents, Mr. and Mrs. Guffy. Next time, says Suzanne, she would like to take a trip to Europe, especially Norway.

### HEADLIGHT

Pittsburg, Kansas, Saturday Evening, November 20, 1948.

## Large Group Attends Local Alumni Banquet 11-17

Total attendance at the various Alumni banquets held throughout the state on November 5 was 440 according to Prof. R. W. Hart, secretary of the Alumni Association.

A capacity crowd of 269 persons were in attendance at the local dinner which was held in the College cafeteria. President Rees Hughes and Dr. Robert Kazmayer were the speakers of the evening. Dr. Eugene Dawson gave the invocation. Miss Eugenia Johnston played a cello solo and was accompanied by Mr. Markwood Holmes. Prof. Otis Mumaw led the crowd in group singing.

Dr. Jane Carroll was general chairman of the arrangements for the local banquet and was assisted by Prof. Mumaw, Mrs. Perva Hughes, Mrs. Ethel Peck, Prof. William Mat-Matter, and Mrs. Bertha Spencer.

Attendance at the dinner held in the Shirkmore Hotel in Wichita was 87. Prof. R. W. Hart and Clay DeFord represented the college. Judge William Wurtz of Wichita, was the speaker of the evening. The committee in charge of arrangements were Milton Zacharias, Ted Harvey, and Miss Vernita Mooney.

Forty-three persons attended the Topeka dinner. Dr. Paul Murphy represented the college and was the main speaker. The committee in charge consisted of Ira Hunt, Frank Wilson, and Gertrude Zahrent. The dinner was held at the Roof Garden of the Hotel Kansas.

Seventeen persons attended the Salina banquet. Dr. Walter Lyerla and Prof. C. A. Swenson represented the college. Mrs. Wayne Dailey was in charge of arrangements.

Dr. W. A. Bawden represented that college at the noon luncheon for former students, which was held at the Lamer Hotel in Hays. Supt. Clyde U. Phillips was in charge of arrangements.

## PLAN FOR P. E. O. CONVENTION

State Gathering Will Be Held In  
Pittsburg Next June.

Preliminary plans for the state convention of the P. E. O. to be held in Pittsburg in the spring were made yesterday at a luncheon meeting at the Hotel Besse by P. E. O. chapters of Pittsburg, Columbus, Girard, Baxter Springs and Galena. It is one of the largest conventions scheduled for Pittsburg next year.

Present at the meeting were Mrs. Grace Banta Dodd, Kansas City, state president; and Mrs. Katrina B. Cross of Council Grove, state organizer; Mrs. Helen Chubb of Baxter Springs and Mrs. Mildred Kent of Kansas City, past state presidents. Approximately 100 persons attended the luncheon.

Mrs. H. L. Stelle, past state president, presided. She introduced Dr. Jane M. Carroll of the College, who has been named general chairman for the convention.

It was announced the convention will be held here on June 2, 3, and 4. It will meet on the College campus with sessions to be held in the Music hall. It was possible to hold the convention at the College because it will be between sessions at that time.

Delegates will be housed in the girls' dormitory.

Rooms for national officers and visitors will be reserved at hotels downtown. Pittsburg residents will be asked to open their homes for guests.

Many guests will be in Pittsburg at the time to attend commencement at the College preceding registration for the convention.

Fall flowers were used for decorations at the luncheon. The committee included Mrs. L. J. King, Mrs. Ronald Smith and Mrs. Edward Wilson.

Dear Parents:

6 12  
Next week November 7 to 13 is known all over the United States as American Education Week. During this week parents throughout the nation are urged to visit and study their schools. We hope you will plan to visit your child's school some time during this week. We shall be glad to see you any or every day.

In order that the fathers, as well as the mothers, may have an opportunity to visit our school, we are planning "open house" for all parents ~~Tuesday~~ <sup>Wednesday</sup>, November 9, 7 to 9 p.m. Supervisors and student teachers will be in their rooms to visit with you. Your child will be your guide over the building. We hope you will feel free to come and go as you wish. We particularly urge you to plan to be here for a part of the evening at least.

Please plan to spend some time with us during the week of November 7 to 13. We are seeking to give your child the best in education. We need your help and encouragement.

Sincerely,

Jane M. Carroll  
Professor of Education  
Director of Laboratory School

Dear Supervisor:

1. "Open House" for parents <sup>Wednesday</sup> Tuesday, November 9, 7:00 p.m. to 9:00 p.m. I should like one student teacher from each grade to assist at the serving table, if you have more than one student teacher.
2. Before "Open House" night please talk with your children concerning the following:

(a) Guidance of Parents--

First, the child is to take his parents to his own room and introduce them to the supervisor and to the student teachers. Then show his parents his room and books, and tell them of the work he is doing.

Second, the child is to take parents on a tour of the building; Library, Music Room and other rooms, if they and he wish, and introduce them to Mrs. Fowler, Miss Cave, <sup>Miss Gilger, nurse</sup> Mr. Keeney, Mrs. <sup>in Clinic Room</sup> ~~other~~ and the other supervisors.

Third, the child is to take his parents to my office and introduce them to me.

Fourth, the child is to take his parents to the punch bowl and see that they are served. The child may also be served with one cup of punch.

Fifth, the child is to stay with his parents throughout the evening. No running or hurrying through the halls, please. The child is to take the parents home.

(b) A child is not to come to "open house" unless accompanied by a parent or close relative unless given special permission.

(c) Please have visitors sign guest book in your room.

Sincerely,

Jane M. Carroll

Dear Supervisor:

I will be in Topeka Wednesday afternoon, Thursday, and Friday  
attending the Governor's Conference for "Better Teachers for  
Kansas Children." I will be at the Hotel Jayhawk.

### Faculty Members To Governor's Conference

<sup>12-8-48</sup>  
The Governors conference on  
better teachers will meet today and  
Thursday in Topeka, it was an-  
nounced by Dr. Jane M. Carroll,  
principal of the Horace Mann lab-  
oratory school.

The annual conference is sponsored  
by the state department of edu-  
cation and the Kansas State Teach-  
ers Association. Those attending will  
be President Rees H. Hughes, Dr.  
Paul G. Murphy, who will be gener-  
al chairman, Dr. William A. Black  
and Dr. Jane Carroll, who will be a  
reporter for group ten.

One of the purposes of the con-  
ference is to inform lay people of  
the emergency existing for well  
qualified teachers.

### Fourth Grade to Present Assembly

<sup>12-9-48</sup>  
The fourth grade class of the Hor-  
ace Mann laboratory school will pre-  
sent an assembly in the Horace Mann  
auditorium at 10 a.m., Dec. 14, accord-  
ing to Mrs. Perva Hughes, supervisor.

The first part of the assembly will  
be from Charles Tazewell's book  
"Little Angel." In the second part, the  
Christmas story will be given in pan-  
tomime with the children and instruct-  
ors singing Christmas carols. Student  
instructors taking part in the assem-  
bly are Pat Scalet, Dorothy Mitchell,  
Robert Sloan and Norma Hefley.

My name is \_\_\_\_\_.

Dear Parents:

This letter contains three important announcements:

1. The Fourth Grade children under direction of Mrs. Hughes and student teachers will present the December assembly program in the Horace Mann auditorium Tuesday, December 14, 1948, 10:00 a.m. The dramatization "The Littlest Angel" will be given. All friends and parents are cordially invited to attend this program. We hope you will plan to be with us.
2. Following the program, the annual Christmas offering will be given by the Horace Mann children. In order to have the material on hand December 14, 1948, we hope that each child will bring to school one potato, one apple, or one can of fruit or vegetable on Thursday, Friday, or Monday, December 9, 10, or 13. This food will be distributed to the needy in Pittsburg under the direction of the Salvation Army.
3. The Horace Mann Laboratory School will be dismissed for the Christmas Holiday period Friday, December 17, 1948, after the Christmas parties in the afternoon with the exception of the Kindergarten which will be dismissed at noon. School work will be resumed Monday, January 3, 1949, 9:00 a.m.

The members of the Horace Mann staff wish each of you a Happy Holiday Season.

Sincerely,

Jane M. Carroll  
Professor of Education  
Director of Laboratory School

Dear Supervisor:

1. Mrs. Hill will be glad to type and run off your semester tests if you will have them ready for her by Thursday, December 16. She will do this during the Christmas vacation. She will, also, be glad to run off outlines and plans for next semester, if you have them ready by the above date. She will not have time to take care of tests or outlines after the Christmas vacation.
2. Mrs. Meek called this morning asking that I remind you people that reports from your Tuberculosis X-Ray are to be sent to President Hughes' office as soon as you receive them. Please see that these are turned into Mrs. Meek at an early date.

## Seven S's Recommended to Ease Problems—

Governor's School Conference  
Indorses Board Finance Ideas

Indorsement of the school finance proposals of the Kansas Association of School Boards was given Thursday by delegates participating in the governor's conference on better teachers for the children.

The plan would extend greater state support to elementary schools on the basis of the college training and teaching experience of teachers and encourage schools to maintain proper class sizes.

More than 200 educators and laymen attended the day-long conference devoted to elementary school problems. Dr. Ralph McDonald, Washington, D. C., executive secretary of the commission of teacher education and professional standards summed up the work done by 10 discussion groups during the day, at the conference banquet at the Hotel Jayhawk.

In essence, the group recommendations followed the seven S's outlined before the group at a noon luncheon by Dean Wesley E. Peik, of the University of Minnesota at a noon luncheon.

The outlined program to solve the current teacher problem as reported by group chairman is:

Status, providing equal training with the high school teacher, equal appreciation and respect for and discontinuance of the local restrictions on conduct. It was pointed out that the importance of elementary teaching was not emphasized enough.

Selection of teachers should be started in high school or even before. A strong guidance program should be instituted to direct outstanding students into the teaching profession. Scholarship and possibly state support would be added incentive for high school graduates to enter the teaching profession.

Salary status equal with the high school teacher. The groups all favored the Kansas State Teacher Association single salary schedule which gives the same salary to teachers with the same qualifications regardless of whether they are teaching in elementary or secondary schools. (A minimum of \$2,400 a year is quoted for a degree teacher with no experience.)

Service, teachers need good classrooms in a good building with good books and supplies. No teacher's load should exceed 25 pupils per class.

Supervision instead of complete lack of supervision or authoritarian supervision.

Security, a continuing contract with disability and retirement provisions and a responsible amount of academic freedom to discuss with the young people the issues and problems of today even if they involve controversial issues. The future democratic citizen must be trained in critical thinking.

Support, increased state support from sources other than ad valorem taxes was recommended. Estimates on amounts ranged from 50 per cent of the entire load to a figure of \$10,000,000 a year with the amount to reach the national average within six years.

Peik stressed the importance of good elementary teachers. "Well documented psychological evidence shows that early childhood and the early adolescent years in home and school are absolutely the most controlling period as for his attitudes, ethics, and health are concerned. That is the period of the elementary teacher," he said.

"Now the teachers we are furnishing the primary and adolescent child are the least prepared. In fact, they are less prepared than they were before the war

at a period when we need better teachers," he declared.

## In 10 Panel Groups

Governor Carlson welcomed the delegates to the conference and attended the noon luncheon meeting at the Hotel Kansas. F. J. Graber, member of the Hutchinson board of education, made the keynote address presenting the laymen's point of view.

Following the session the delegates divided into 10 groups to discuss the problems at hand. At noon they gathered to hear Peik and spent the afternoon in group meetings.

Leading the groups were Mrs. Fred C. Barber, Concordia; Ralph Gardiner, Garden City; Alvin S. McCoy, Overland Park; Harold Harper, McDonald; Dr. Warren F. Bernstorf, Winfield; Mrs. Orville Burtis, Manhattan; Henry S. Blake, Topeka; Mrs. R. A. Seaton, Manhattan; Mrs. Evan E. Evans, Winfield; and H. D. Arend, Beloit.

## F.T.A. Party

Future Teachers of America held their Christmas party Dec. 9, in the social rooms of Carney hall at 4 o'clock.

Dr. Eugene Dawson spoke to the group on "The Teacher and Religion." Refreshments of punch, wafers, and mints were served to the group. The table was decorated with a white lace tablecloth, red candles, and evergreen.

## Christmas Tea

The Elementary Education Majors' tea was held in Horace Mann auditorium yesterday from 3:30 to 5 p.m. Decorations were a Christmas tree, evergreen, and candles.

Hostesses at the tea were the Hor-

ace Mann staff, Dr. Jane M. Carroll, Mrs. Ethel Peck, Miss Velda Williams, Miss Thelma Carnegie, Mrs. Daphne Cross, Mrs. Perva Hughes, Miss Ruth Fleischaker, Mrs. Julia Johnson, and student teachers.

Mrs. William A. Black presided at the tea table. The program consisted of a vocal solo by Jackie Brown; a reading, "The Night Before Christmas", by Sue Grant; and group singing of Christmas carols led by Mrs. Edwina Fowler.

Dear Supervisor:

As you plan your final test for Elementary Education, please limit your questions to twenty points. We talked of shorting the test last year and this would help considerably.

HORACE MANN LABORATORY SCHOOL  
KANSAS STATE TEACHERS COLLEGE  
PITTSBURG, KANSAS  
April 6, 1949

Dear Parents:

Because of the celebration for the birthday of the Kansas State Teachers College, the Horace Mann Laboratory school children will be dismissed at noon tomorrow, Thursday. Regular school work will be resumed Friday, April 8, 9:00 a.m.

Sincerely,

Jane M. Carroll  
Professor of Education  
Director of Laboratory School

We would like you to know that we have enjoyed the acquaintance of your daughter and that we appreciate working with her in Alpha Sigma Alpha this year. We are interested in her college work and feel that she is a fine addition to the college and to the sorority.

Parents sometime have the opportunity to hear and see only the fun things that the sorority girls do, but the advisors have the opportunity of seeing many worthwhile learnings developed which come only through working in a happy cooperative group.

One of the most important Alpha dates in the school year is the time when we honor our Alpha parents and seniors. It is important because it is the party where all Alphas, all Alpha mothers and all Alpha fathers attend together. The date this year for this event is Sunday, May 29. The following is the plan for the day:

- 8:00 a.m. - All parents and daughters come to the Besse Hotel to participate in an Initiation Service for the mothers.
- 8:45 a.m. - Breakfast for mothers, fathers and daughters in the Collegiate Room.
- 11:00 a.m. - Baccalaureate Service, College Auditorium

We hope you will plan to be with us. Please send your reservation for the breakfast by May 15 to Joan Hughes, 209 E. Monroe, Pittsburg, Kansas.

Sincerely,

*Jane M. Carroll*

#### F.T.A. Banquet

Future Teachers of America held their eighth annual banquet March 30, at the Stilwell hotel. Miss Kathryn Hosack, president of the F.T.A.

acted as toastmistress for seventy members and guests. Logan Duncan gave the invocation and Dr. William Black extended greetings. Jackie Brown presented two vocal selections and was accompanied by Mr. Duncan.

Supt. Joe Ostenberg of Iola gave the principal address, "The Kind of Teacher I Like." Mr. Ostenberg said the teacher needs a good general education plus the best professional training which can be provided; he needs to know well the fields in which he is to teach and he needs to know and like people, especially young people. Mr. Ostenberg also stressed that the professional training of teachers needs to be increased, particularly the amount of supervised teaching.

Decorations on the spring theme were supervised by Mrs. Dortha Davis and Norma Hopkins.

Dr. Jane Carroll is sponsor of the organization and its officers are Kathryn Hosack, Howard Forbes and John Roman.

#### Dinner to Be Held For Future Teachers

A dinner for the Future Teachers of America will be held in Hotel Stillwell, March 30, at 5:30 p.m. according to Dr. Jane Carroll, director of Laboratory Schools. Mr. Joe Ostenberg, superintendent of schools of Iola, Kansas, will be the guest speaker.

Tickets for the dinner can be obtained in Dr. Jane Carroll's office, Horace Mann.

Dear Parents:

We have two cases of measles in the first grade. The skin eruption was first noticed on the first child last Friday. He had not been in school since Monday of that week. The second child became ill over the week end and skin eruption began today. We hope the other children in the first grade have not been exposed.

We shall continue to watch the children carefully here at school and hope you will do the same in the home.

Sincerely,

The children in the Horace Mann Laboratory School, Pittsburg, Kansas, have been particularly interested in the stories by Roma Dent, "Rosie and Sagebrush" and "Beetle, The Little Truck". They are attracted to the book first by the format and the illustrations and later by the unique and interesting content. The stories are simply told and very realistic to the children. They have readily included Joyce, Harold and Tommy among their book friends. We feel the books are an addition to our library.

Dear Faculty Member:

I realize that this request comes at a very late hour, but if you have an opportunity, we would appreciate it if you would call the attention of your students to the assembly tomorrow (Thursday) at 10:00 a.m. where Miss Mary Stuyvesant, adviser on grooming, will speak on "The Importance of a Good Appearance." What she has to say will be of interest to both men and women. She comes to us highly recommended, and I believe that attendance at this assembly will be time well spent.

She will also speak to the women tomorrow afternoon at 3:00 and also Friday morning at 10:00 in Room 110, Russ Hall. She will also be available for individual conferences tomorrow afternoon and Friday morning. These may be scheduled in Miss Schuyler's office, Room 203, Russ Hall.

Sincerely,

ANNOUNCEMENT TO PRINCIPALS

You remember that last year the Civic Affairs Committee of the Pittsburg Chamber of Commerce sponsored a clean up contest among our elementary school pupils through the cooperation of all of the schools in the city. No doubt by this time you have seen some newspaper publicity of the intention of repeating that contest in the near future.

I am once again endorsing the contest for the Public Schools and making this information available to St. Mary's and Horace Mann in case they desire to use it. The contest will be conducted according to the rules and regulations which you find attached.

It is my opinion that a great amount of interest can be stimulated in the contest this year inasmuch as the prizes being awarded are much more attractive and should serve as a greater incentive. I believe that one look at the bicycles to be given, and which will soon be displayed in a show window down town, will cause a pupil to think seriously about putting forth some effort in the contest. In addition to the first prize of the bicycle the cash prizes and theatre tickets are worth winning.

As stated in the rules, the contest opened Monday April 18 and will close Friday April 22. Time is quite short because the information regarding the contest came to the office during Easter Vacation while school was not in session. This is the first opportunity we have had in getting the information to you. Please send the names of the winners in your school to Mr. Louis Stroup, Chairman of the Civic Affairs Committee of the Chamber of Commerce and also the essays which the pupils have submitted. Mr. Stroup is located at the Headlight and Sun Office.

Sincerely yours,

Lowell A. Small

Dear Supervisor:

You have a request from Dr. Black to attend the staff meeting of the Education-Psychology Department at 8:00 and 9:00 a.m. Thursday, April 21. After talking with Dr. Black it was felt that perhaps it would be better to arrange class work for the children at the two hours, 8:00 and 9:00, with our student teachers and my class in supervision. I shall ask Mr. Duncan to take over Grade 6 and Mr. Wantland and Mr. Graves to be about in all rooms. We thought this plan to be a better one since we are to be dismissed Friday afternoon.

Dr. Black is anxious for us all to be there at 8:00 a.m. and stay through until 10:00 a.m. I feel sure our student teachers will take over the work in a very fine way.

Dear Supervisor:

1. Please see that the "children's clean-up letters" are in my office Monday, 9:00 a.m.
2. Before you leave at noon, please see that your rooms are in good condition -- extra materials put away, tables cleared, and so on, as probably we will have many guests in the laboratory school today and tomorrow.

Sincerely,

Jane M. Carroll

HORACE MANN LABORATORY SCHOOL  
KANSAS STATE TEACHERS COLLEGE  
PITTSBURG; KANSAS  
April 19, 1949

Dear Parents:

Because of the regional meeting of the North Central Association of Colleges which is to be held on our Campus Thursday, Friday and Saturday, April 21, 22, and 23, the Horace Mann Laboratory School will not be in session Friday afternoon, April 22.

This is one of the outstanding meetings of the year and it is important that the Horace Mann Staff members be free to attend the meetings Friday afternoon and Saturday. The entire college will be dismissed for the Friday afternoon period.

Sincerely,

Jane M. Carroll,  
Professor of Education  
Director of Laboratory School
