## The Reaper And The Flowers

---

There is a Reaper, whose name is Death,  
And, with his sickle keen,  
He reaps the bearded grain at a breath,  
And the flowers that grow between.

"Shall I have naught that is fair?" saith he;  
"Have naught but the bearded grain?  
Though the breath of these flowers is sweet to me,  
I will give them all back again."

He gazed at the flowers with tearful eyes,  
He kissed their drooping leaves;  
It was for the Lord of Paradise  
He bound them in his sheaves.
