Most frequently downloaded items in December 2015, PSU Digital Commons

The beginning of December PSU launched and announced our new repository, Digital Commons. At the launch date we had a total of 401 submissions to the repository.

Overall, the repository supplied 220 downloads for 120 items in its first month. All item downloads are listed below. Over half of the downloads were from student research (Undergraduate and Graduate).

At this time faculty contributions to the repository include the Faculty Author's Reception Bibliographies. The overall top download of 5 was for the 26th Annual Faculty Author Reception (2008-2009).
