## The Class Of 1981

**CLASS COLORS:** Blue and Silver

**CLASS SONG:** "I'm Alright"  
By Kenny Loggins

**CLASS MOTTO:** What lies behind us and what lies before us  
are tiny matters compared to what lies within us.

**CLASS FLOWER:** Blue Rose  
Carley Valley Historical Society

There's not a whole lot  
To be said  
Only the question  
Of what lies ahead.

We've shared many a moment  
Good and bad  
Most were fun although  
Some were sad.

Now the years are over  
We can't bring back the past  
But the memories that we cherish  
Shall forever last.

We learned to laugh  
And grew as one  
But now that's finished  
Ceased and done.

One way of life has ended  
A new one just begun  
For we the graduating class  
Of Nineteen-Eighty-One.

The Caney Valley Bullpups football team underwent a rebuilding year this year, but finished with a respectable 4-5 record, good enough for a fourth place league finish.

The season started slow for the Bullpups, losing their first 3 games. They lost a heart-breaker against Neodesha in the season opener, 7-0. It was a defensive struggle. The next game the Bullpups were surprised by Southeast Cherokee 21-7. It was the first time

Southeast had ever beat Caney.

Things didn't get easier as the Bullpups hosted Fredonia, always a tough team. Fredonia walloped Caney 41-0.

The Bullpups finally got in the win column when they traveled to West Elk. They walked on the Patriots 24-0, which could have been worse.

The winning streak was stopped the next week, however, as the Pups lost to their arch rival, Sedan, 28-14. Tur-

novers and mistakes cost the Pups a Victory.

Caney lost the next game also against Eureka, 32-6. The offense just couldn't put the points on the board.

Things started happening the next week, though, when the Pups started a three-game win streak. They beat Cherryvale, 14-13 in a thriller. The Pups played Yates Center their homecoming game, and won 22-16, a comeback in the last quarter. Caney closed the year on a winning note by defeating Burlington, 26-0.

Coaches Don Dewey, Kent Newby, and Dan Thurman should be commended for a fine job of coaching.

The Junior Varsity football team underwent another season this year by winning only one game.

The Pups put up some good fights though. They lost to Fredonia 18-12 in the first game. However, in the second game Fredonia whipped the J.V. Pups 36-6

They then won their first game to arch rivals Sedan by the score of 6-0 in a tough defensive battle.

Caney then lost their last three games in a row. Neodesha 30-6, West Elk 6-0, and Sedan 18-12.

The coaches Kent Newby and Don Thurman did a good job of coaching and the team should be commended for a fine effort.

# ORGANIZATIONS

## Student Council Leads CVHS

The 1980-81 Student Council consisted of Senior High and Junior High students representing their classes and organizations. For her second consecutive year Miss Zimmerman led the club in an active year.

The STUCO hosted the 1980 Tri-Valley League Leadership Conference on November 13. The theme of the conference was "Student Interests Let's Include the Student." Discussion groups dealt with the problem of student apathy.

One responsibility of STUCO is the changing of the sign in front of the school. This job was gladly taken over by Greg McBride and Rod Crum, getting out of class was just their style. STUCO also arranged student activities and dances.

The FHA had their annual cookbook sells, introducing four new cookbooks. FHA provided the stage decorations for District J-West Fall Conference. These were much appreciated by the other schools.

Members of the FHA traveled to Wichita to attend the State FHA Conference on May 8th. This was a very fun and exciting experience.

Trent Wilson and Gordon Orcutt offer welcome to the boys from Laos.

Carol Burns displays her talent to the secretaries at the office.

The sun has come  
The sun has gone  
And never left it's path,  
The moon has risen  
The moon has set  
While we have studied math.

We don't know how  
People can forget  
Cause the memories will always last,  
Despite the pain  
Of all the sorrows  
This year has been a blast.

The ballgames are over  
The contests are won  
And High School is a memory,  
We leave down the road  
To a meeting we have  
With something called destiny.

The time has come  
For us to leave  
And attend this school no more,  
The path of life  
We'll try to conquer  
But we know it's a chore.

From Freshman to Sophomore  
To Juniors to Seniors  
It seems to us to be strange,  
The names are different  
The faces brand new  
But the people don't really change

As I write this poem  
I try not to cry  
But I just can't stop the tears,  
Underclassmen might snicker  
And possibly laugh  
But they still have other years.

The sun will still come  
The sun will still go  
All at a constant rate,  
The moon will still rise  
The moon will still set  
After we graduate.

After we leave  
The memories will be great  
Most of them will be of fun,  
We hope underclassmen  
This poem made you think  
From the class of 1981.

## Who'll Fight for America? Auto Industry Sees Red Prices Up Consumers Feel the Pinch

**John Lennon  
Murdered!**

The year of 1980-81 wasn't a very good year for the U.S.

Ever rising prices and inflation left Americans feeling the pinch' and looking for a solution. They found their solution in the newly elected 40th President, Ronald Reagan. He promised new hope for the U.S. and proved it the very 1st day in office. On his inauguration day the U.S. hostages held by Iran were released after 444 days of captivity.

The whole world mourned the death of ex-Beatle John Lennon, after the famed rock star was murdered in December.
