President

**To the Students of
Kansas State College of Pittsburg**

It is my pleasure to welcome those of you who are enrolling in KSC for the first time. We who are already here—faculty, administration, citizens of the community—hope you will find your college experience on the campus and in the community enjoyable as well as beneficial.

Formal education is the focal point of your college life, but the learning process should not be confined exclusively to the classroom. All of you not only have the opportunity but the obligation to broaden your education by participating in the different extracurricular activities made available by and through the college: the athletic events, the campus political life, the public lectures and discussions, the concerts, the dramatic presentations, the organizations, and last but not least, the association with fellow students.

You and only you can obtain your education. But as academic and personal problems arise in this 24-hours-a-day process of getting an education there will be standing behind you a friendly corps of faculty, advisers, counselors, and fellow students. Never hesitate to seek help, and you will never need look far for it.

A handwritten signature in cursive script, reading "Leonard H. Drake".

THE COLLEGE

Kansas State College of Pittsburg was established in 1903 by the State Legislature and was placed under the authority of the Board of Regents. Since its founding for the purpose of preparing teachers of the practical arts, it has grown to be a general college and now offers curricula in Science, Technical Work, Business Administration, Home Economics and all areas of Teacher Education. Many students take courses to prepare them to enter professional schools such as law, medicine and dentistry. The Board of Regents names a President who in turn selects faculty and staff to carry out the purposes and objectives of the college. All these people are ultimately responsible to the citizens of the state and their first duty is to serve you, the students at Pittsburg State.

ACADEMIC OBJECTIVES

The academic and intellectual development of its students is the first purpose of Kansas State College of Pittsburg. All undertakings at the college must make a contribution to this first purpose. The value of any activity which you undertake at college should be judged in terms of its contribution to your intellectual development.

Dean Willis L. Tompkins is the administrative officer directly responsible for the academic program of the college. This program is designed to (1) promote the intellectual growth of the students that they may enjoy a more satisfying and civilized life experience and (2) develop in the student competencies by means of which he may earn a living.

Students regularly enroll in fifteen academic hours of work during each semester, although students who have made above average grades may enroll for up to eighteen hours. Regulations concerning academic aspects of college life will be found on page 15 of this booklet. Details about such subjects as course offerings, degrees granted, and requirements for graduation may be found in the general catalogue of the college.

THE STUDENT COUNCIL is the student-governing body of the college. It is a representative body named at a general election by the voting members of the student body. It is composed of the following voting members: President, Four Vice Presidents, four class presidents, one representative from each of the five sororities, one representative from each of the six fraternities, one representative from the Independent Student Association, nine representatives from the unaffiliated students, and one representative from the Graduate students.

Non-voting members include the NSA representative, the Collegio representative and the Kanza representative. This makes a total of 33 members on the council.

Elections are held for all elective officers during the last week of April except in the case of Freshman class officers. Freshman class elections are held during the first week of October of each year.

ORGANIZATIONS

Any group of students with a common interest may form an organization to further that interest. When a constitution and a set of by-laws have been drawn to indicate the objectives and procedures of the organization these must be submitted to the student council and to the activities council. If these councils feel that the objectives and proposed activities are worthy and in keeping with the objectives of the college, the constitution and by-laws may be accepted and the organization may become an official organization of the college.

General Organizations

Certain organizations of the college have membership drawn from large groups of people. These people may have very diverse interests and be part of the organization as a consequence of such facts as their place of residence.

Dormitory Judicial Council

Advisor: Dr. R. C. Welty

Justice is administered within the residence halls for men by a Dormitory Judicial Council. Dr. Welty, of the Social Science Department, acts as advisor and consultant to this important organization. The Council is composed of representatives named from each residence hall. Through the functioning of the judicial council the men who live in residence halls are given the opportunity to control their living situation so as to make it the best possible environment for education. Residents have the responsibility of creating such an environment and of using student government instruments to accomplish this.

Associated Women Students

Advisor: Dr. Mary Moore

A.W.S. is the newly formed women's governing body of which every regularly enrolled woman student is a member. This organization works to help unify the women students, to provide opportunities for leadership, to encourage activities, and to govern the women on campus. It is our belief that every woman should take advantage of her cultural and scholastic heritage to learn her future roles of leadership and responsibility in the community through the valuable experiences offered to her as an active participant in A.W.S.

The government is patterned after our own national administration with a House of Representatives and a Senate. The House is composed of 20 members: 6 representatives from East Hall, 4 representatives from Willard Hall and 10 from the students living outside the dormitories. The Senate is composed of one representative for every 100 enrolled college women and the officers. Elections for the Senate and House of representatives take place within the first two weeks of the fall semester, and the officers are elected in the preceding spring semester.

COLLEGE SERVICES

SERVICES Health

At each enrollment students pay a student health fee. The funds realized from this are used to provide health services of various types. This service is under the direction of Dr. J. R. Wells.

The Student Health Center is located on the first floor of Carney Hall. Nurses are on duty from 8:00 a.m. to 5:00 p.m. each day and are qualified to render help for minor ailments. To deal with conditions of more major proportions a doctor is on duty at the health center from 12:30 to 1:30 each day. If you are seriously ill at your residence the doctor will visit you there at your expense. If your illness is of such a nature as to require hospitalization the college health service will pay the amount of \$6.00 per day for seven days. The health service will also pay for such services as drugs, medications and X-rays.

Students should inform themselves of the details of the health plan and make use of it when they have need. Good health is essential if you are to do good college work and it should be carefully guarded. If you must miss classes for health reasons you must inform the Dean of Men or the Dean of Women.

Students living in the dormitories are requested to notify the housemothers **before a class is missed**. Students living off-campus are requested to telephone the Dean's Office **before the classes** are missed. This record is placed on file for the instructor's confirmation of any absence.

COUNSELING

Counseling Services of the College are administered by the Guidance Bureau, located in Room 117 Russ Hall, and

through the Office of the Deans of Men and Women. The purpose of these services is to help you in all phases of your college experience. They are under the direction of Dr. Emory G. Kennedy.

In changing from the familiar situation of your high school where you were well acquainted with everyone to the more complex situations of a college where you may be almost completely among strangers, you may encounter some difficulties. The College has provided various persons to help you meet these difficulties if they arise.

When you arrive on the campus in fall, students and faculty who are members of the orientation committee will acquaint you with your college, and introduce you to other people on the campus. During enrollment a faculty advisor will counsel with you about the course offerings of the College. During the orientation period you will take a battery of tests which will be scored and the results made known to you by a counselor assigned by the Guidance Bureau. If you live in a dormitory, the dormitory counselors and house mothers stand ready to help you at any time. House mothers in private homes are also helpful to the students who stay with them.

If you have problems not mentioned above do not hesitate to seek help from the Director of Guidance Services, the Dean of Men, the Dean of Women, the Chairman of your department or from any one of the many sources available to you.

Veterans will receive special assistance in the Office of the Co-ordinator of Veterans Affairs, Room 212, Mechanic Arts Building. It is in this office that Veterans file their certificates of eligibility for educational benefits under the G. I. Bill. All problems which are particular to veterans will be dealt with in this office.

FINANCIAL ASSISTANCE

Scholarships

Each year a limited number of scholarships is awarded by the college to incoming freshman students, as well as to some upperclassmen. These scholarships are generally contributed by interested individuals, labor groups, business concerns, service organizations, fraternal groups, and other local music, civic and teacher organizations. In addition, some scholarships are contributed each year by campus organizations. The scholarships are awarded by the scholarship committee under the chairmanship of Dean Willis Tompkins.

The amount of these general scholarships usually ranges from \$50.00 to \$200.00 which covers to a considerable extent the matriculation fees of the regular college enrollment. Selection is based upon evidence of scholarship, leadership experiences, and personality and character qualities. Application may be made to the Scholarship Committee. The following are representative of the awards given.

American Association of University Women

Scholarship Award

The Pittsburg branch of the American Association of University Women offers a scholarship annually to a junior or senior girl.

Barney K. Baker Scholarship

Men graduates of Kansas High Schools are eligible to apply for this scholarship if they have earned a grade of A

in at least one-half of their high school courses. The scholarship is granted for four years and covers all fees plus some additional funds for living expenses.

Boeing Airplane Corporation Scholarship Award

The Boeing Airplane Corporation, keenly aware of the need for a continuing supply of teachers in our public schools, has made available to the College the amount of \$400 a year for one or more annual scholarship awards.

Building and Construction Trades Council Scholarship

The Building and Construction Trades Council of Pittsburg awards two four-year scholarships to students who plan to teach in the public schools of Kansas.

Winifred Sue Curfman Memorial Scholarship

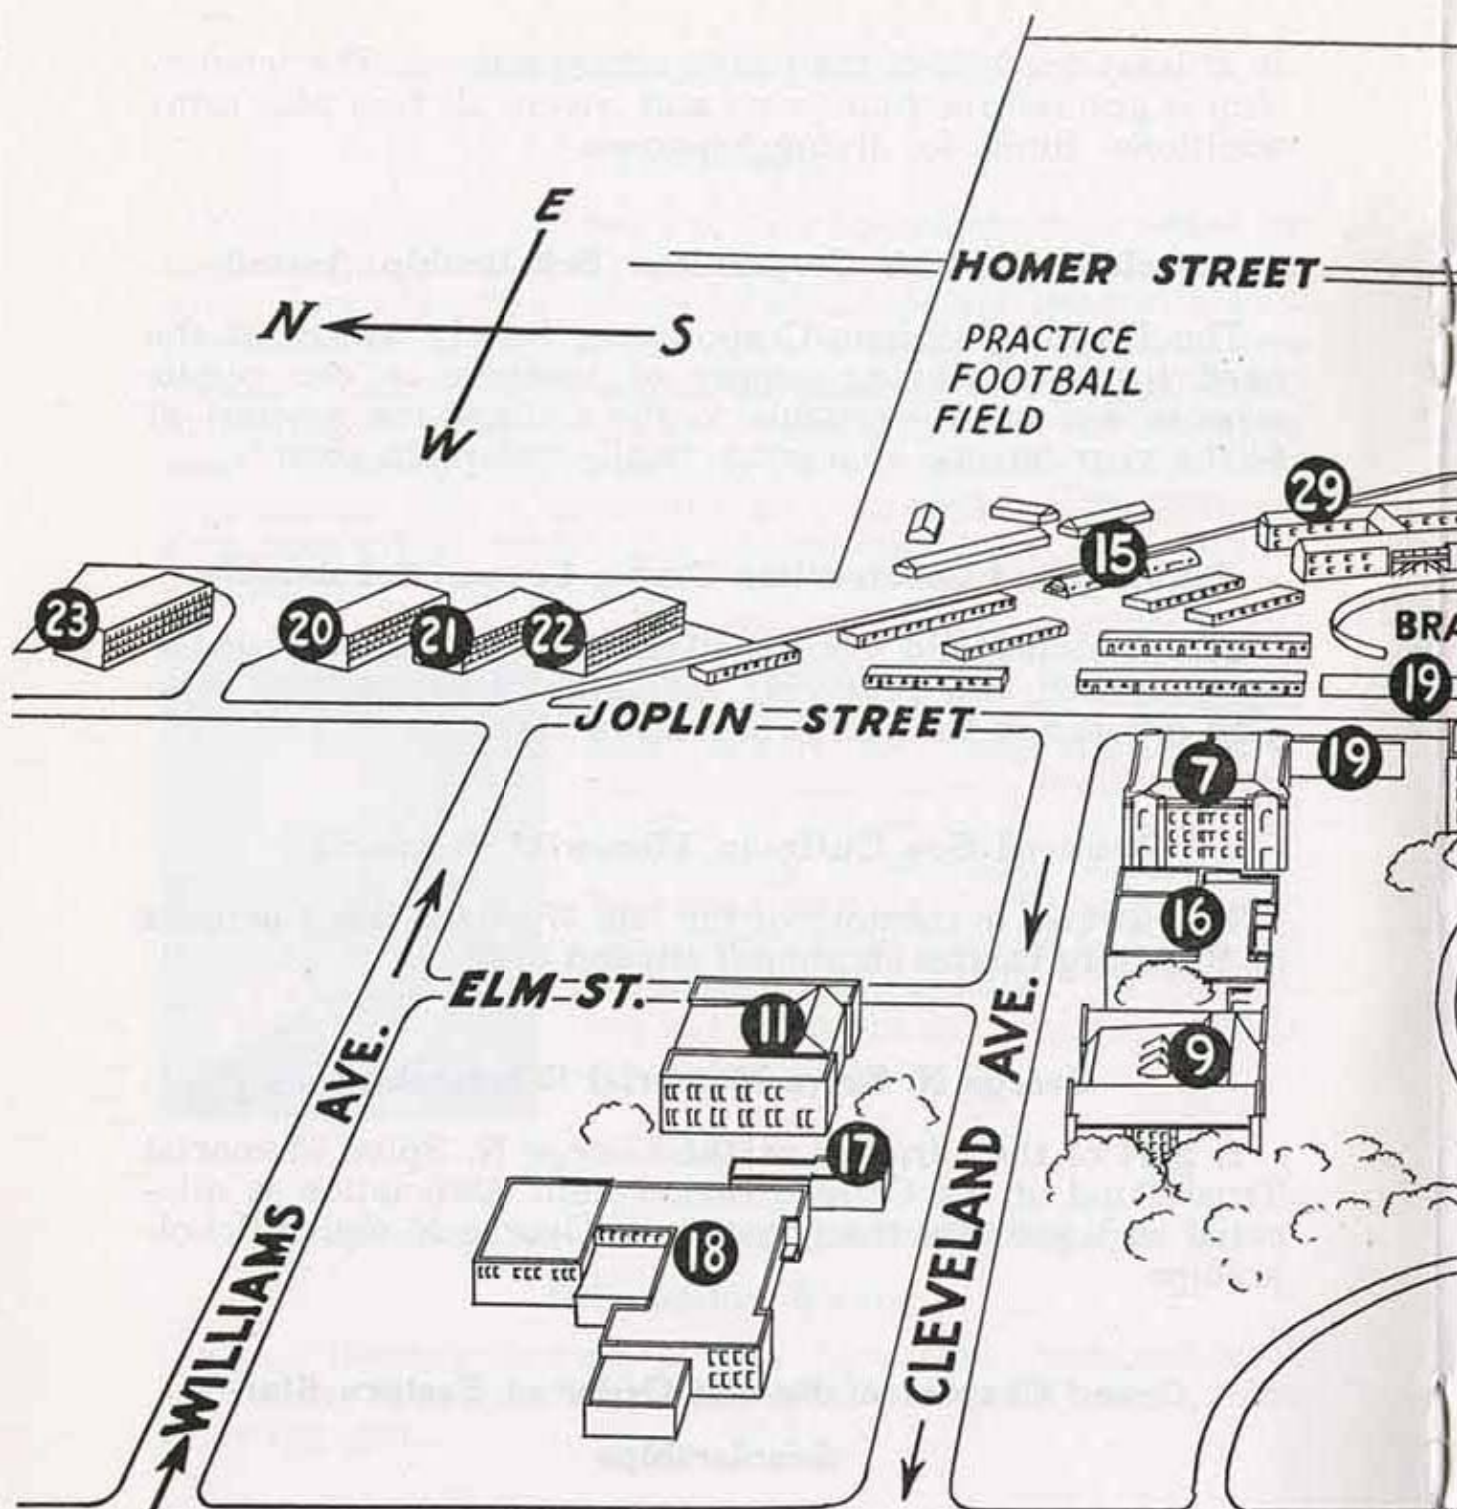

This award, in memory of the late Winifred Sue Curfman of Pittsburg carries an annual stipend of \$150.

George N. Spiva Memorial Scholarships

A part of the earnings of the George N. Spiva Memorial Trust Fund of the College Endowment Association is allocated each year for the granting of George N. Spiva Scholarships.

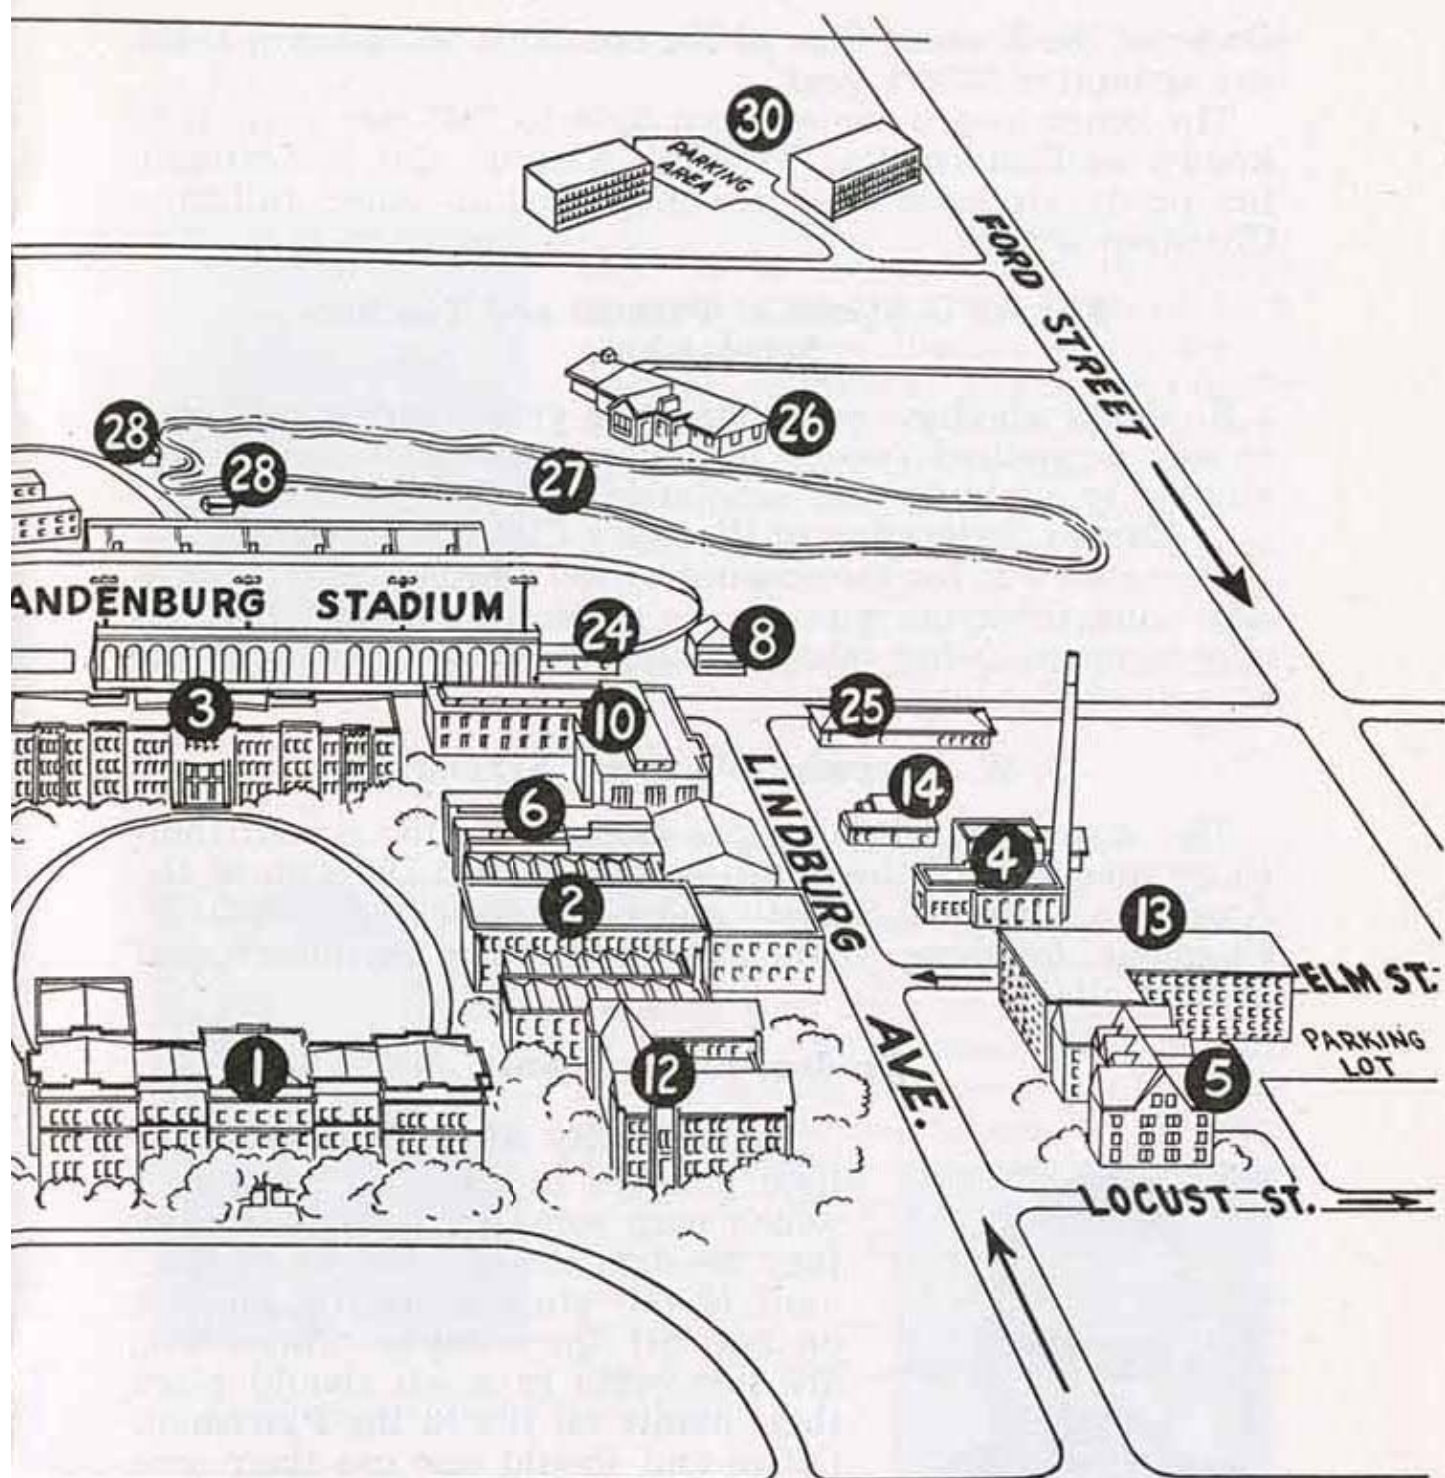

Grand Chapter of Kansas Order of Eastern Star Scholarships

This organization now makes available two types of scholarships. To be eligible for one scholarship award, students must be Masons, members of the Order of the Eastern Star, children of Masons of Kansas, children of members of the

The other award varies from \$200 to \$345 per year. It is known as Eastern Star Training Awards and is available for needy students who are preparing to enter full-time Christian service.

Kansas Congress of Parents and Teachers Scholarships

Students who have completed two years (junior standing) in any accredited two or four year college in Kansas are eligible to apply for this scholarship.

Kansas Federation of Women's Clubs Scholarship

This award is for the amount of \$96 and is presented to a deserving freshman girl who is in need of financial assistance to continue her schooling and who plans to teach in the schools of Kansas.

O. W. Chapman Memorial Scholarship

This award, which is for the amount of \$100 is contributed by members of the Southeastern Kansas Division of the American Chemical Society and is in memory of Dr. O. W. Chapman, for many years a member of the chemistry staff at the College.

Student Employment

The majority of students who attend colleges in America have jobs which earn some part of the money they need to attend college. At KSC most of our students hold such jobs on and off the campus. Those who are interested in a job should place their names on file in the Placement Office and should also use their own initiative in trying to find jobs. The Hall) lists any jobs which are reported there but many jobs are filled by people who seek them personally.

This program is administered by Dr. L. L. Tracy, Director of Field Services.

Loans

No student should leave the college or be needy while in college without consulting the Dean of Men or the Dean of Women about his financial condition. Loans are made available to people who have a genuine need and such people should inquire about available assistance. Information may be obtained in the office of the Deans of Men and Women. Dr. R. W. Wright, Dean of Men, is Chairman of the loans committee.

PLACEMENT

Placement Services of the College are under the jurisdiction of Dr. L. L. Tracy, Director of Field Services. This office has job listings for people desiring part time employment while in college and summer jobs as well as the listing for people who have completed their college work. Students desiring occupational placement of any kind should complete credentials in the Placement Office. This office is well staffed and well equipped to assist you to obtain employment best suited to your interests and academic preparation.

HOUSING

Good and comfortable housing for students is known to be an important factor in helping them to be successful in college. Considerable attention is given to providing such

accommodations and all single undergraduate students are required to live in college approved places.

If your home is outside of Pittsburg and too far to drive to the campus each day, the office of the Director of Housing will help you to find a place to live. The college has places for 305 women and 500 men in college dormitories. For the convenience of those who prefer to live in private homes the college keeps an approved list of such houses. Married couples are accommodated in the 60 units and 34 apartments on the College campus as well as in apartments in the city. Information and application forms

may be obtained from Mr. Robert Stout, the Director of Housing, Room 203, Russ Hall.

Student governing organizations exist in each resident hall. The members of the dormitory council in each hall are your representatives and they will concern themselves with all aspects of your living condition. Affairs in womens residence halls are coordinated by the Associated Women Students organization. A Men Residence Hall Association is being formed to co-ordinate affairs in men's residence halls.

Information

Bulletin boards are located at strategic places on the campus and students should check these daily to be informed about activities on the campus. A booklet listing events for the academic year is published annually and each student should use this to keep informed about scheduled activities. Each week a calendar of events is printed and will appear on all of the bulletin boards on the campus. The Collegio, our student newspaper, is published weekly and contains information which is of particular interest to students on our campus. Students should keep themselves fully informed about all activities and proceedings at the college.

ORIENTATION

Dr. R. W. Wright, Dean of Men, is responsible for the arrangement of orientation days at the opening of each semester. Special effort is made during these days to help students to become comfortable and efficient members of the college community.

In the fall semester of each year some fifty upper-class students and twenty faculty persons are formed into teams to meet with groups of new students to help them to better understand the opportunities and responsibilities of college life. Various organizational groups also assist in this program and make a valuable contribution to it. The various administrative and service offices will help students to understand and achieve worthy objectives in college, not only during orientation days but throughout the college year.

INTRAMURAL ATHLETICS FOR MEN

Dr. John Roberts of the Department of Health and Physical Education is in charge of the intramural athletic program for college men. Many college men who were active in high school athletics do not participate in intercollegiate athletics but have a need and a desire for some athletic competition. The intramural program offers participation in all areas of athletics. All college men are urged to participate in this program.

COLLEGE BOOK STORE

The College Book Store under the managanship of Mr. Seybert Smith is located on the north side of Cleveland street across from Porter Library. All books and supplies as well as many convenience items may be obtained here.

Most students at KSC rent their books. For this service each student pays \$5.00 rental fee per semester plus \$3.00 deposit which is returned to the student when all books are returned to the Store in good condition. All receipts from the Book Store

should be kept by the student until he has been officially cleared by the Book Store.

ALL-COLLEGE EVENTS

ALL COLLEGE EVENTS

CONVOCATIONS

At special seasons or on other special occasions regular classroom activities are interrupted in favor of drawing all students together in the main auditorium of the campus to witness these events. Regular convocations are held at Thanksgiving, Christmas and Easter. Special convocations are held for such purposes as to hear noted speakers, hold a pep rally or to honor students for outstanding achievements. These events are of interest to all persons at our college and will be stimulating and significant experiences for you.

MAJOR ATTRACTIONS SERIES

Dr. Robertson Strawn, the chairman of the Language and Literature Department is chairman of the Major Attractions Committee. Each year this committee brings outstanding events of music and drama to the campus. Students who attend these events will see and hear the best in the field of professional entertainment. Season tickets for the four events will be available to friends of the college but such persons must purchase tickets for all four of the attractions.

Schedule for 1959-1960

October 16, 1959—Jan Peerce, Tenor, Carney Hall
November 16, 1959—Obernkirchen Childrens Choir, Germany, Carney Hall
February 4, 1960—The Canadian Players "Romeo and Juliet," Carney Hall
March 3, 1960—New Orleans Symphony Orchestra, Carney Hall

GREAT BOOKS LECTURES

College education should acquaint students with the best available works of Art, Literature, and History. Certain writings have been singled out and designated as Great Books because of the power with which they speak to people of succeeding generations. Each year lectures are delivered on our campus concerning several of these. These lectures are delivered by persons who visit our campus because of their special qualifications concerning the books in question or by members of our own staff who are so qualified. We hope that you will find these lectures to be as interesting and provocative as students in previous years. This series is also under the direction of Dr. Strawn.

Schedule for 1959-1960

Monday, November 23, 1959—DeTocqueville's **Democracy in America**, Dean Emory Lindquist, University of Wichita
Monday, January 18, 1960—Shakespeare's **Romeo and Juliet**, Dr Walter Pennington
Monday, March 28, 1960—Melville's **Billy Budd**, Dr. John Reed

GREAT ISSUES LECTURES

Current affairs should be a concern of every educated person. Certain movements or trends have a significant influence on the developments in world and national affairs. Each year certain topics are designated as Great Issues and a series of lectures are delivered concerning these issues. These lectures are of interest to all students. They are delivered by visiting lecturers or by persons of our college staff who are especially qualified. They are under the direction of Dr. Dudley Cornish,

Chairman of the Social Science Department.

ATHLETIC EVENTS

Athletic events of the college are under the direction of Mr. Prentice Gudgen, the chairman of the Department of Health and Physical Education.

Each year Kansas State College of Pittsburg fields athletic teams of high caliber. These teams have won many conference and national honors. You will find it a worthwhile and satisfying experience to follow the successes of these fine representatives of your college and to lend

them your support.

The following excerpt from the Constitution of the C.I.A.C. will clarify the reciprocal agreement concerning admission to athletic events.

Section 40. The price of admission for students of C.I.A.C. member schools should not exceed 75 cents for football and basketball. Prices for track and minor sports shall be determined by the individual schools. The uniform price will apply only to students from the schools competing and only upon proper identification. Notice to assure the student price and/or to arrange for "block space" must be given to the Director of Athletics of the host school at least 24 hours before the contest by the Dean of Students or other appointed official of the visiting school. Bands in uniform are to be admitted to football games free. If the band desires reservation of a block of seats, notification stating the number of seats desired should be made 5 days before the contest. Cheerleaders in uniform are to be admitted free to either basketball or football games. Pep bands are not to be considered bands and will be charged the uniform student rates. The host school will not guarantee seats available at student prices nor can they guarantee a reserved "block section" for students following their teams unless arrangements have been made as stated above. (revised 12-7-57)

2. **Dismissal.** If a student is placed on probation two times, or if he receives F grades in as much as one-half of his work in a full semester, he will be dismissed from college for poor scholarship.
3. **Reinstatement.** A student dismissed from college for poor scholarship may petition for reinstatement. Each petition will be considered on its own merits. Criteria for favorable consideration of the application will include illness, death in the family, or other extenuating circumstances. Reinstatement is not automatic.

Withdrawal from College

1. Go to the Dean of Instruction so that an official withdrawal may be made.
2. If this is not done, the student will receive an F in all courses in which he is enrolled.
3. If, as in the case of serious illness, the student is not able to go to this office before leaving college, a request for withdrawal should be sent to that office at the earliest possible date.
4. No student should leave the College because of financial stress without counseling with the Dean of Men or Dean of Women. There is a possibility of a student receiving a loan, a grant, scholarship, or job.

COLLEGE POLICIES FOR WOMEN

1. Women students are permitted in men's residence halls and fraternity houses only when an official chaperone or Housemother is on duty.
2. The use or possession of alcoholic beverages in the halls or on the college campus is absolutely prohibited.
3. Unauthorized selling and concessions are not permitted in the halls.
4. The college expects the individual student to be aware of the fact that his behavior reflects upon the reputation of the College as well as his own.

Girls' Wearing Apparel

1. Bermuda shorts, jamaicas, and slacks will be allowed in the library, Gorilla Den, and the Gorilla Grill after the hours of 5:00 p.m. on weekdays, and all day on weekends except for Sunday in the Gorilla Grill.
2. Girls wearing this apparel will enter the Student Center by the doors nearest the Grill or the Den. The main entrance under the clock is to be used by women in dresses only.
3. Jeans, levis, skorts, and short shorts may be worn only on the way to the tennis courts.
