DES MOINES, July 8,
1916.

Mr. Oscar W. Shaefer,
Girard, Kans.

Dear Mr. Shaefer:-

After the Directors meeting on the 19th of July, closing at noon on July 20th, we are depending on you, and as many more as can to join in the Relay Sociability Run. If you can come in your car, do so by all means, but if not, let us know and we will arrange for you to ride with one of the Northern Directors.

This promises to be one of the biggest events of the kind, ever pulled off and we want to beat it when we come south from Kansas City in October on the run to New Orleans.

If you join in this Northern run, it will help wonderfully in building up sentiment for the southern run.

We are depending on you for one of our contingent of speakers for three and five minute relay talks.

Please let us know promptly, of your intention to be at St. Joseph with or without your car.

Sincerely yours,

JEFFERSON HIGHWAY ASSOCIATION.

E. T. MEREDITH, PRESIDENT.

By J. D. Clarkson
General Manager.

P.S. You will remember, that you were to take a trip with me anyhow and this is a good chance.
