Sec. L.U. 2397,
Mulberry, Kansas

Dear Sir and Brother: -

Enclosed find copy of circular letter going out to all Local Unions working at mines owned and operated or leased by the Sheridan Coal Company.

Hearl, you get as many men belonging to your local as you deem advisable to work among the various membership, and especially that local shovel. **Get** them tuned up to comply with this order.

The Board will also enlist a number of you men to attend meetings of the men working for the Sheridan Company, with the Board, in order that we may get close co-operation to make this strike order effective.

I would advise that you get Brother Wakefield in line with you on this, together with others that you may select.

Yours respectfully,

M.L. WALTERS, President
