Principal Carlton Allen presents Mrs. Empson a "friend of education" award from USD 436.

Rep. Empson is graduation speaker

Cindy Empson, who represents Caney in the Kansas House of Representatives, was the keynote speaker for graduation ceremonies at CVHS.

Rep. Empson has completed her first year as a legislator. She resides in Independence, where her husband, Dr. Charles Empson, is a physician.

A graduate of the Mastin School of Nursing in Mobile, Ala., Mrs. Empson has worked for many years as a registered nurse. She has also been on the Independence Board of Education, as a representative to the Tri-County Special Education Cooperative, and has been a

voting delegate to the Kansas Association of School Boards State Convention.

Her commencement address topic was "The Rest of Your Life."

"Learn from today's mistakes—don't wallow in them, and make today's dreams into tomorrow's accomplishments," Rep. Empson advised. "Take your time. Don't let anyone rush you into making a decision which will affect you for the rest of your life. Take the time to understand the present before worrying about what you're going to do in the future. Be happy and enjoy what you're doing. That's the key to successful living," she stated.

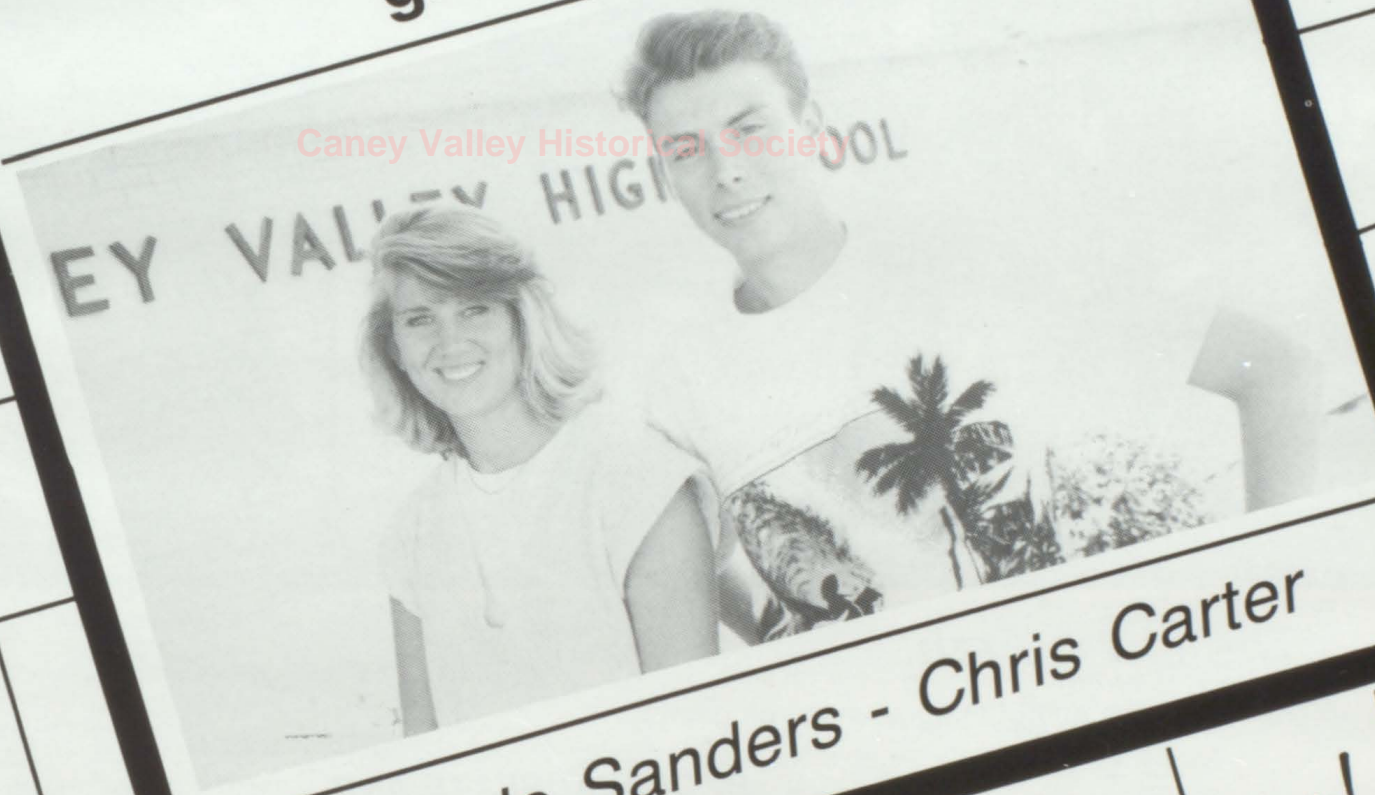

She also admonished the graduates not to feel as if they are through learning. "Up until now your lives have been a series of beginnings—but today you begin making decisions and taking alternative routes in your lives," she noted.

In an assembly of high school teachers on the last day of school, Mrs. Empson was presented a special "friend of education" plaque by Principal Carlton Allen. It was a surprise to Mrs. Empson.

Left to Right: Justin Rolls (Crown Bearer), Greg Kelley, Les Moore, Cammie Chism, Brad Bush, Tammy Hudson, Ray Blasi, Gina Carey, Mark Coots, Sonja Price, Charlene Spellins, and Crystal Rau (Flower Girl)

TAMMY HUDSON

On the night of Oct. 10, senior Gina Carey was crowned homecoming football queen. Her court consisted of Sonja Price, escorted by Mark Coots; Cammie Chism, escorted by Les Moore; and Tammy Hudson, escorted by Brad Bush.

Gina's escort was Ray Blasi.

The crown and flower bearers were Krystal Rau, escorted by Greg Kelley, and Justin Rolls, escorted by Charlene Spellins.

Drivers were Brian Anderson, Brian Boyer, and Bill Cullins.

The theme for the coronation was "This Is The Time, and the throne backdrop consisted of blue and silver hearts with candidates' names printed in glitter. The backdrop was red, and chairs were covered in blue carpeting.

Caney Valley Historical Society

SONJA PRICE

The homecoming dance followed the Caney-Fredonia game, and the deejay was Les Moore.

Homecoming festivities were sponsored by the cheerleaders.

Gina is active in many high school activities. She is head cheerleader and editor of the Kane-Kan.

Once again the Playmakers put on their annual dress-up occasion, the Snowball. The colors of the decorations were red and black, and hanging from the ceiling were giant snowflakes made of paper. Refreshments of punch and cookies were served by the junior high cheerleaders. Group pictures were taken by Doyal's studio of Independence. DJ's were Les Moore and Dale Grayum. Daren Freisberg and Cammie Chism were chosen king and queen.

Cheryle Sanders reigned on the night of February 6, 1987, when she was crowned 1987 Winter Sports Homecoming Queen. Cheryle was escorted by Senior basketball player Brian Anderson. Her court was Denise Bale, escorted by J.R. Williams; Tracy Powell, escorted by Brad Bush; Sonja Price, escorted by Greg Kelley; and Tammy Hudson, escorted by Ray Blasi.

The crown bearer was David Dryer, escorted by Gina Carey, and the flower girl was Krista Kastler, escorted by Craig Dobsch.

"You Got It All" was the theme and the throne was red with a keyboard on it. Black notes floated about the throne with the girls' names on them in red.

Todd, Tammy are chosen yearbook royalty for '87 edition

Pictures are the foundation of any yearbook, and the photographer is the person who usually has a big load of work to carry in getting the publication to press. This was true this year, and Todd Anderson is the photographer who did much extra work for the Kane-Kan, thus earning him the title "king" as bestowed on him by the rest of the staff. Todd not only took yearbook photos, he handled the job for the school newspaper and also took the team pictures for the fall and winter sports programs. Todd plans to attend an area junior college in the fall.

Caney Valley Historical Society

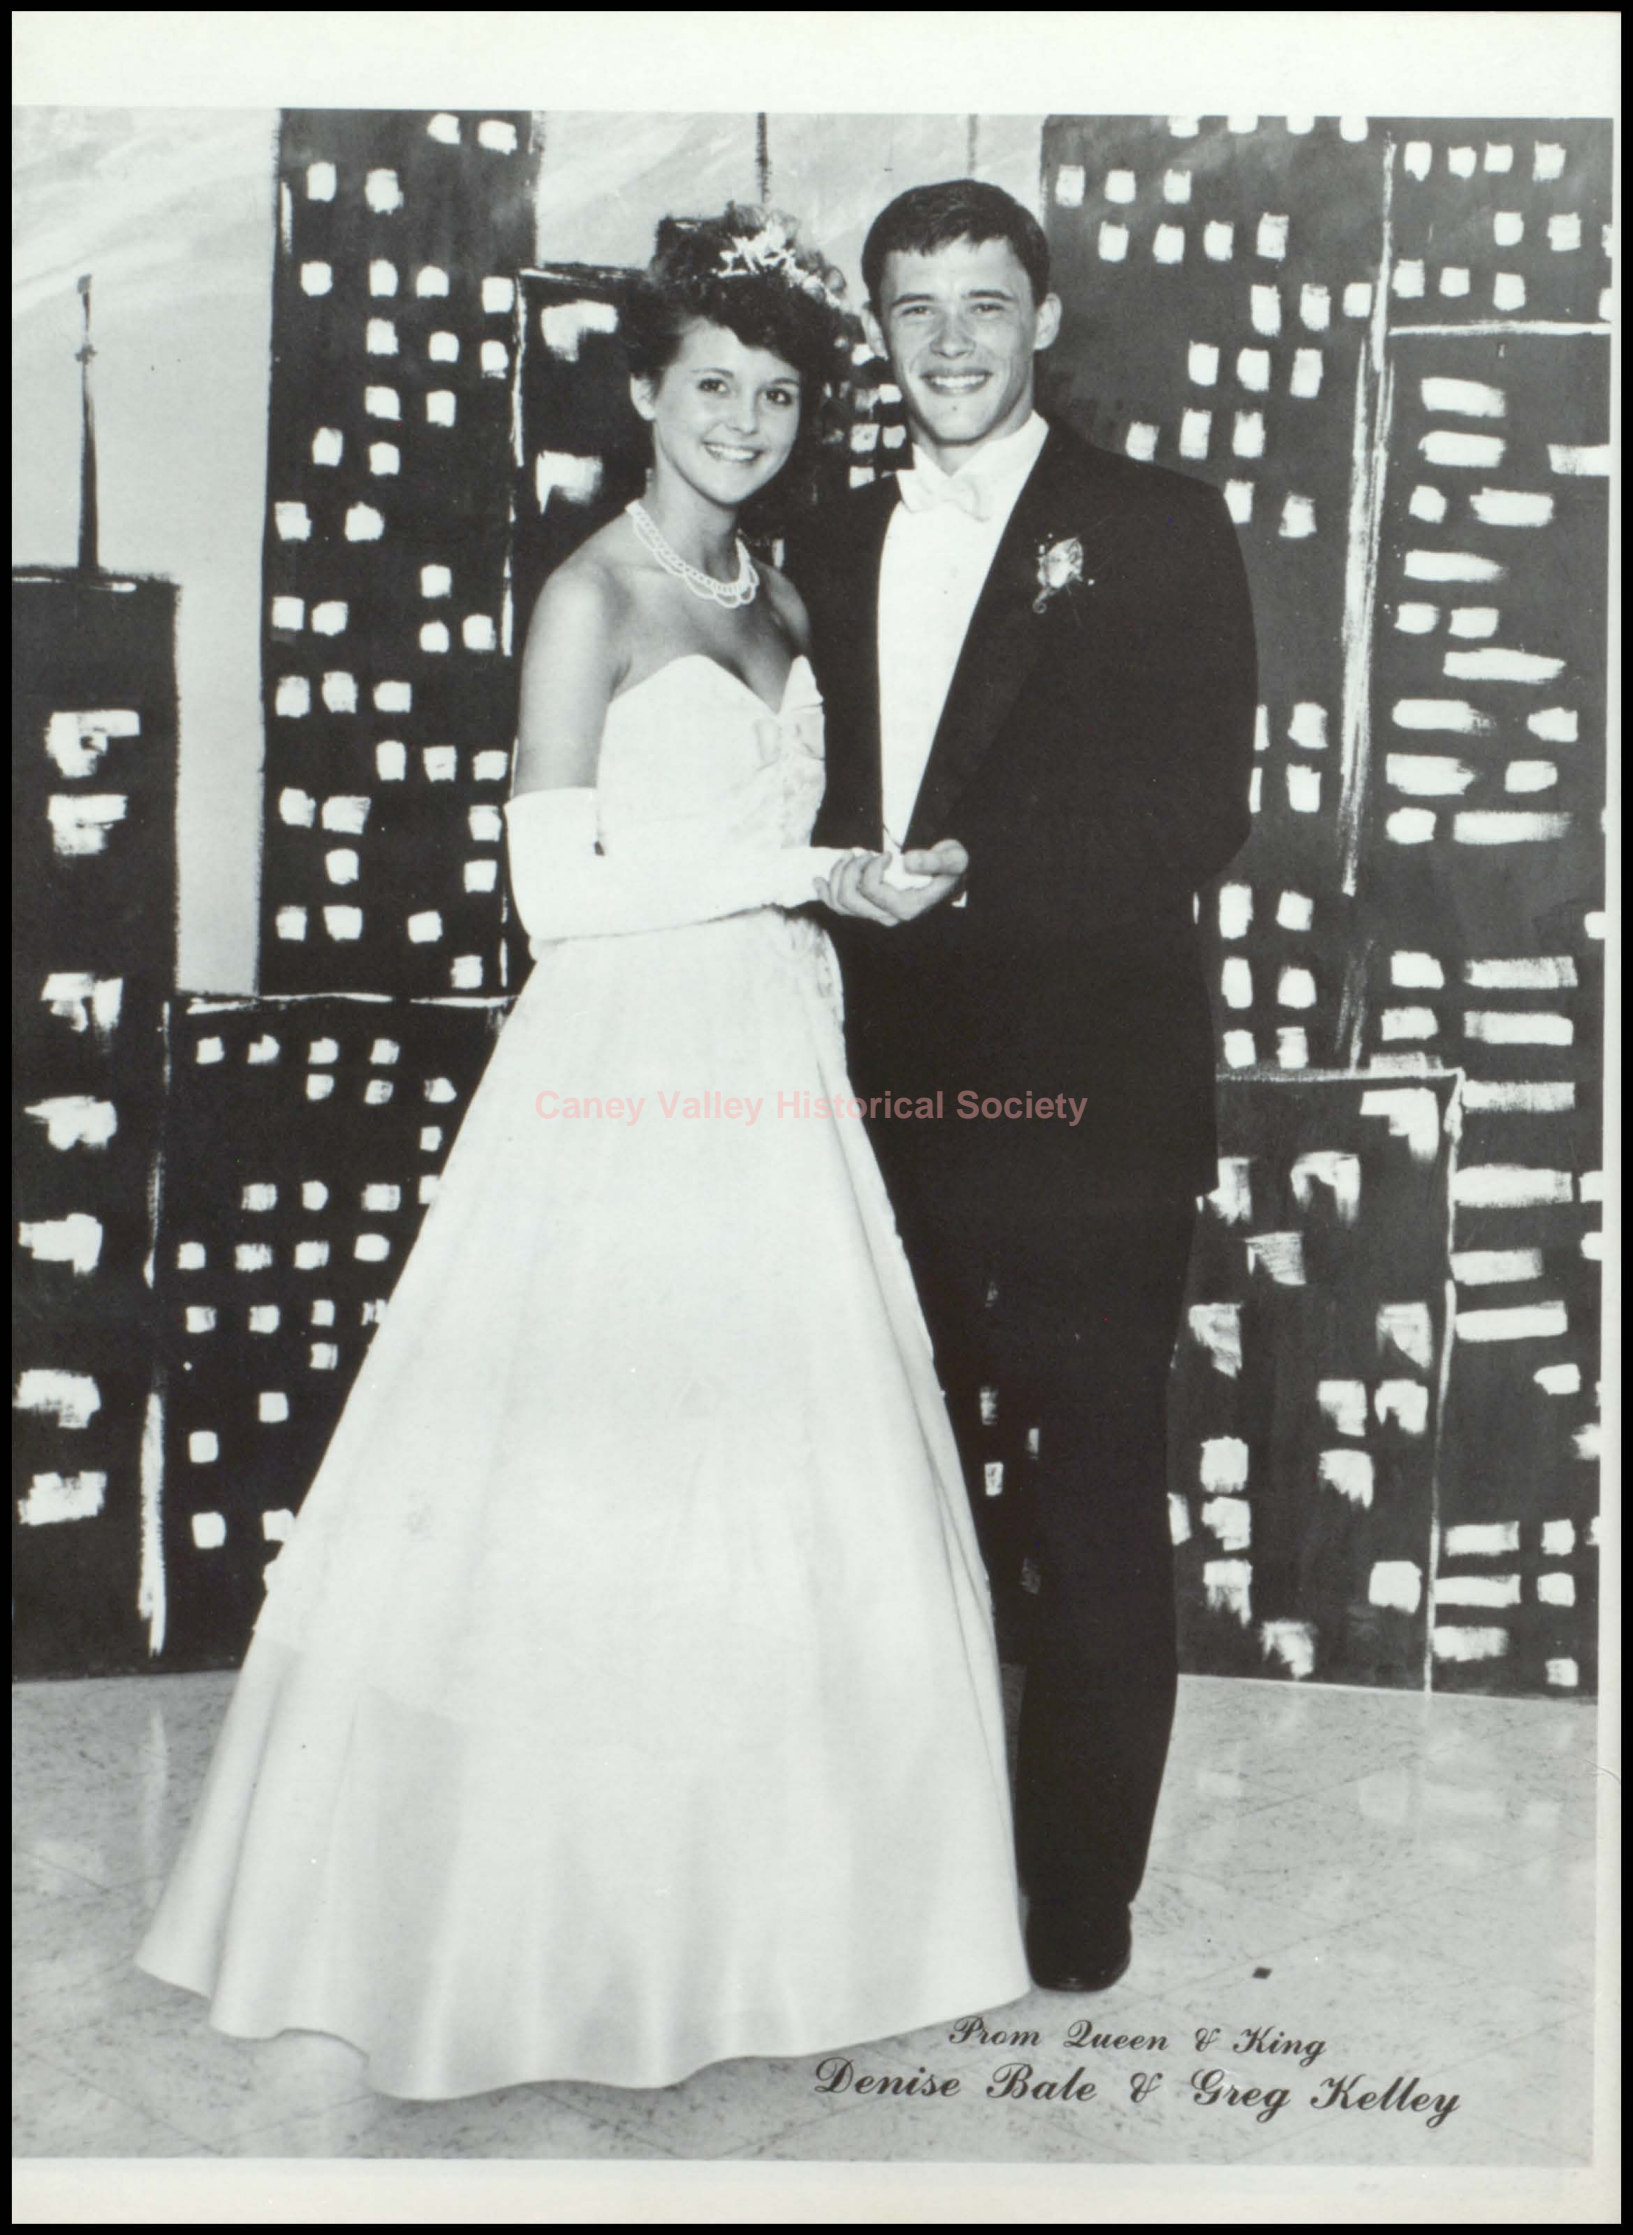

It was Tammy Hudson's job to sell yearbooks and to keep track of the money received for them. She also had her share of pages to design and paste up. Tammy was always ready to do extra typing for staffers or to gather copy for pages. She plans to attend Coffeyville Community College where she will be one of the cheerleaders. Her extra hard work earned her the title of "queen", an honor given her by other staffers.

Juniors, seniors entertained with 'A Night in New York'

"A Night in New York" was the theme of the 1987 junior-senior banquet, and those attending felt as if they were truly "out on the town" as they dined and danced in the shadows of the New York skyline. The banquet was Saturday evening, May 9, in the CVHS gym.

Guests entered the gym on "the streets of New York" and were greeted by a panoramic view of city buildings and lights which were the backdrop for a large bronze replica of the Statue of Liberty. A cluster of skyscrapers, black with metallic "lighted windows," was in the center of the gym and suspended over this was a large top hat. Crepe paper streamers in "night" shades of blue, black and white formed a canopy over the entire gym floor. Blue and white balloons festooned the hangings. Tables were decorated with smaller replicas of the big skyscraper cluster, cutouts of silver stars, programs, nut cups and place mats fashioned as Broadway show tickets. There was a fountain at one end of the gym.

The toastmaster was Tim Kolb, and he also gave the invocation. A welcome was given by junior Robbie Mason, and the response was by senior president Brian Anderson. Julie Reitz, president of the junior class, was in charge of the coronation ceremony.

Denise Bale and Greg Kelley were chosen prom queen and king. Their court consisted of Brad Bush and Sonja Price, Craig Dobsch and Tracy Powell, and Brian Boyer and Rhonda Cox.

Sophomore servers escorted guests to a buffet dinner which featured a menu of ham, scalloped potatoes, corn, fruit cup, jello parfait, hot rolls, butter and iced tea. Relish trays were on each table. Food was prepared by junior mothers.

Sophomore servers performed the traditional dance to the song, "Point of No Return."

At the prom, refreshments of punch and cookies were served. The traditional senior breakfast was served at the Methodist Church by senior mothers.

FHA, FFA sponsor annual Sweetheart Dance

An annual event, the Sweetheart Dance, was held February 13 in the school cafeteria. Members of the Future Homemakers of America and of the Future Farmers of America and their guests enjoyed dance.

Highlight of the events was the announcement of the king and queen, senior Brian Anderson and junior Shawn Hueston. The FHA choose king candidates, and the FFA selects queen candidates. Shawn also earns the title of FFA Chapter Sweetheart. Comprising the court of Brian and Shawn were Dwaine Hodges and Kristi Johnson and Todd Anderson and Julie Reitz.

Music was provided by deejays Tim Kolb and Todd Anderson. Refreshments of cookies, pop, chips and dip were served.

FHA sponsor is Mrs. Pam Busch and president of the group is Cheryle Sanders. Brian Anderson leads the FFA, and the sponsor is John Brooks.

National Honor Society initiates new members

New members of the National Honor Society were initiated in an assembly for the senior high school at the end of school. The new NHS members represent the highest in academic standing, as well as service, leadership and character traits.

Initiates were escorted to the auditorium stage where they placed their names in the organization's membership roll.

Mrs. Susan Johnson, sponsor, and current society members hosted a reception following the ceremony for new members and their parents.

Six are named KU scholars

Six CVHS seniors were named KU honor students this year, a recognition from the Kansas University Honors Program. The selected seniors represent the academic top 10 percent of their class. Montgomery county honorees were invited to the Coffeyville College Student

Union for a dinner and program, and each was given a dictionary to take to college next year. The University, through the county chapters of its alumni association, sponsors the honors program each year.

Sew what's new?

Watch out, girls! Here comes the new generation of "seamsters." As you can see, more and more guys are taking classes traditionally taken by girls. They are taking sewing and later on in the year, cooking. This is the Home Ec boys' motto: "A stitch in time saves nine."

John Chubb, ninth grade, smiles happily as he makes fine progress on the apron he will wear in the cooking weeks ahead of him in Home Ec I.

Mark Coots, Senior, says, "See what you can do if you're the only boy in Home Ec III!"

Jody Baker and David Barnes, ninth graders, are putting forth a team effort to sew.

Joe Henderson, ninth grade, Bryan Allen, ninth, Rick Clark, Senior, John Chubb, ninth, watch Alan Coots, tenth as he works a latch hook pattern.

Something's Afoot...

They may be pointy-toed, but they're high style at CVHS. Junior Andy Allen thinks those black ones look like something you'd wear back in the 1800's. Some are black and some are pink. They're kind of cute, don't you think? Others have high heels, but most have low, some say that's the way to go. A lot of the shoes have holes and funny looking soles.

Dustin Phillips, ninth grade...seven, eight, nine.

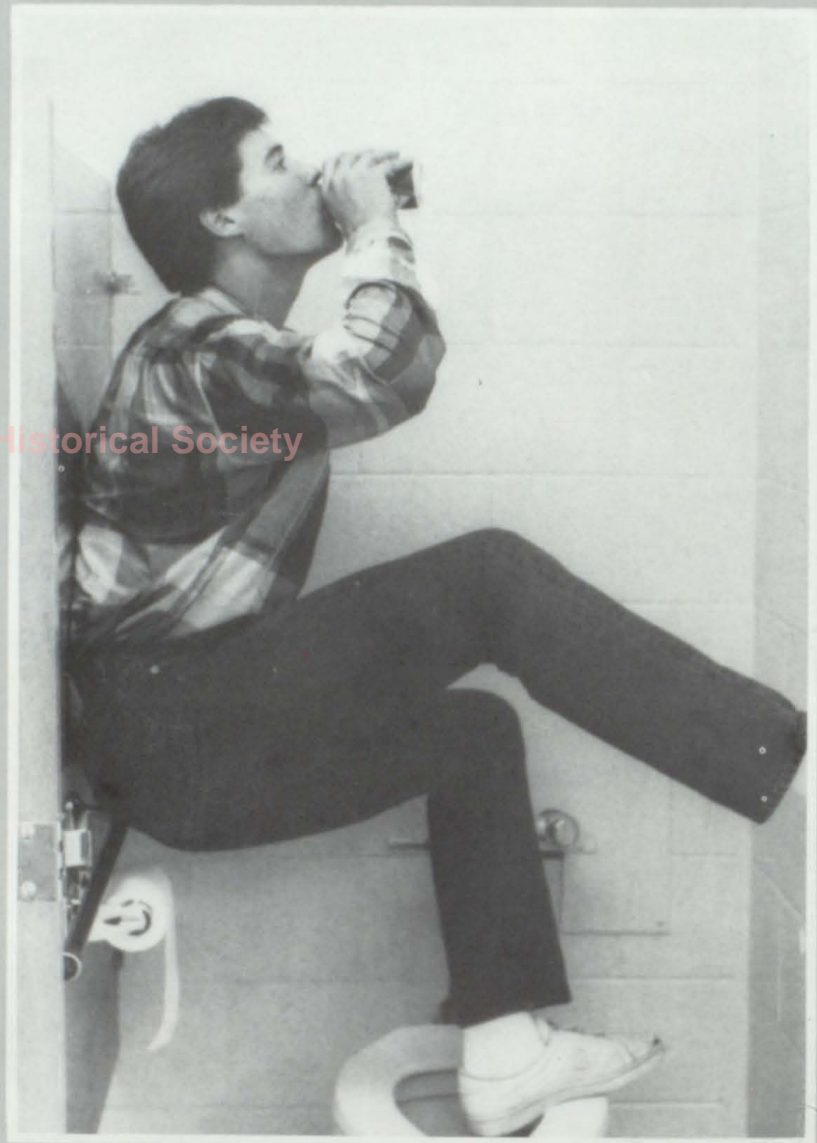

Five CVHS girls show-off their "granny shoes" of all colors. From front to back: Heather Stritzke, eighth grade; Richelle Wagner, seventh; Sonja Galvin, eighth; Christina Hannigan, ninth; and Monica Dewey, senior.

That ...

the students are provided with vending machines. The teachers can go into the lounge and have a pop and snack during their break, but we don't even get a break. The school should supply vending machines for students during lunch, before and after school....And as for the weight room, how would you like to move the mats and weights from room to room? That's what Mr. Newby's P.E. classes do during dead week..... The parking situation is still a big mess. We have all kinds of places to park but we have to park on the hill so that "when" we have visitors they can park down in front. So what should we do? Tune in next year to see if anything is done. If not, use the camera to gripe, complain, beg, pout and whatever else works.

True Colors!

CVHS students have shown their TRUE COLORS in many ways this year, from making a grade to leisure.

1. Shane Bowman shyly displays his art work.
2. Jason White exhibits his TRUE COLORS.
3. Louis Dean and Eric Weller must be thinking of the same thing!
4. Heath James and Scott Meyers are dumbfounded by the sight of a camera.
5. Karen Bogle takes a silent break from the pressure of her busy day.
6. Bill Cullins, Chris Carter, and Nat Freisberg show off their buddy, Felix the Cat.
7. Chelle Caton and Lori Thompson show their buddy, Felix, in his fur coat.
8. Kevin McIntosh and Dean Campbell finally do some work in 6th hour art class, unfortunately they were only posing!

Excited by weightraining

To some fourth is just another class, but to some it is a time of sweat and pain. These are the students of the only weightraining class in Caney Valley High School.

There are all types in this class, from the ones who work but are always ready to clean up, like Ray Blasi...

to the ones who are busy working like John Dryer, but not too busy for the camera...

to the girls who are determined to show up the boys, like Tracey Powell squatting with Rhonda Cox spotting.

All in all, they are out to do their very best.

Resolved: That the CVHS debate squad host a successful tournament.

The result was an affirmative decision!

Caney debaters hosted a tournament on Oct. 25, which was won by Girard. Sixteen schools participated, providing a lively field of contestants. Judges were citizens of the community. Students debated the national question, Resolved: That the federal government should implement a comprehensive long-term agricultural policy in the United States.

The Caney squad helped in the hospitality room, the tabulations room, at the judges' desk and information desk.

Caney Valley Historical Society

Gina Carey

I plan to attend a four-year college and major in elementary education. This summer I hope to go to Dynamics Cheerleading Association Camp and be a staff member. There are camps in 22 states, and I think having this kind of job will be a great experience before college starts.

Cheryle Sanders

I plan to attend Ozark Christian College, major in education and minor in psychology. I will receive my teaching certificate from either Pittsburg State or Missouri Southern State College.

Pat Phillips

First, I want to take a deep breath and leave the past behind as far as high school is concerned. I would like to go to Coffeyville Community College for two years, then on to Pittsburg State, getting a business degree and hopefully ending up with Kristi through it all.

. . time to get it your life together

I want to graduate from Ozark Christian College, start a youth ministry of my own and, hopefully, have a wife and kids. And, of course, I want to live happily ever after.

Students become blood donors

Again this year, students at CVHS aided in the spring visit of the Red Cross Bloodmobile to Caney. And students over the age of 17 could be a donor, and a number of students gave blood.

Several students helped unload equipment, and typing students aided in filling out forms for donors. Members of the journalism classes provided publicity help to the Caney Bloodmobile chairman, Mrs. Beverly Marsh.

Jamie earns visit to Air Force Academy

Jamie Evenson, junior, was selected to attend the Summer Scientific Seminar at the United States Air Force Academy in Colorado Springs. Only about 500 participants are chosen nationwide for the sessions, so it is a distinct honor for Jamie to attend.

During the summer, students become a part of the academy for one week, living in a dorm, eating in the dining hall, attending class and participating in campus activities.

Jamie receives information about his award from Ed Lynch, director of guidance at the Area Vo-Tech School in Coffeyville and a member of the Air Force Reserve.

Administrators of USD 436 have a big job. The district covers 165 square miles and is made up of the smaller communities of Tryo, Wayside, Havana, Jefferson, Bolton, Pleasant Hill, Ringo, Niotaze, and the farm and ranch lands that surround them. The largest population center in the district is Caney where the two attendance centers, an elementary and junior-senior high school, are located.

The population of Caney is approximately 2,500 and the projected population for 1995 is 3,072. Twenty-three point eight percent of the present population is 65 years of age and older.

The community and school cooperate well and complement each other. Since Caney is small, the high school and its activities are often the focal point for the community.

The school is striving to meet the needs of the community, and a primary goal of USD 436 is to prepare students for further education and jobs.

The majority of the graduates from CVHS either attend a two or four-year college or university, or they assume full-time jobs. This is in keeping with the results from surveys which stated that further education and jobs were top priorities with parents and students.

The students at CVHS have definite goals about life after graduation; but while they are here, the school is often the center of their lives.

CVHS custodians earn retirement

Sweeping, locking, painting, mowing, trimming and cleaning are just a few of the many jobs that two very important and unsung heroes do at CVHS. The school has been blessed by the presence of Alfred Ashford and Elmer Wagner, janitors. Together, these two have worked for USD 436 for a total of over 30 years. Both retired in April.

Alfred has worked at both the high school and Lincoln Grade School for 25 years at the beginning of April. He is the head custodian, and works during the day. After retirement, you will find Alfred just "taking it easy."

Elmer has worked at CVHS for only 5½ years, but he has gotten to know some of the students very well. When he leaves in mid-April,

Elmer is going to move to Colorado, and he claims he will be doing a lot of fishing and gardening. Elmer's duties include general cleaning and custodial jobs. "I keep everybody in line," he said. Before becoming a janitor, Elmer worked for 30 years in the Safeway stores in Denver. Elmer and his wife Mariam are going back to Colorado to be closer to family.

Alfred was stationed in Europe during WWII. His wife, Violet, works for Dr. Roger Burch. They have two children.

With retirement comes a lot more time to do things. Alfred is looking forward to his hobbies and gardening. Elmer is anxious to spend more time with his family. When asked what he will miss the most about working. Alfred's

answer was "the kids and teachers." Elmer will also miss the students. "In my high school days they had no sports, so after school, you would have to get behind the team of horses and work. I will miss watching the sports activities, especially basketball practice." He also said that being around younger people makes him feel younger.

There are many good things about working at a school, according to the custodians. Elmer likes watching the kids giving 105% to improve themselves. Alfred says that he enjoys getting to know the kids. Alfred would not rather work elsewhere, but Elmer admits that he sometimes does.

Brad Bush "cools down" after a two mile race.

Coach Holmes comments about the team...

Metsker

"Mel has simply had an outstanding freshman year. She deserves all the awards she receives. She ended up the season with almost 500 miles since the end of school last year. Melanie has medaled in every meet, placing 1st three times, 2nd once, 3rd once and 4th twice. She looks like she will be one of the top runners around if she continues to improve and races aggressively."

Hindle

"Robbie Hindle continued to improve throughout the year cutting, his time by over 1½ minutes."

Strow

"Lane Strow ended up being mileage champ for the team by running over the summer and on weekends once the season started, accumulating almost 500 miles. He brought home two varsity medals and three JV medals."

Kelley

"He was the number one runner for the boys and ran a 11:17 on a cold day at Regions, placing 14th."

Ayers

"Donna Ayers showed good improvement, cutting a minute off her time from the start to the middle of the season."

Knedlik

"Sarah Knedlik was definitely the most improved runner on the team this year. She ran 17:40 for 2 miles the first meet and ran a very respectable 14:19 at Eureka while medaling in 9th place in the varisty race."

Bush

"Brad Bush, along with Greg, provided good senior leadership. Brad's times improved over a minute this season."

Clark

"Kevin Clark had a successful freshman season, placing high enough to medal in 6 of 8 races."

Melanie Metsker. . . goes to state.

The Caney cross-country team ended the season on a good note by having freshman Melanie Metsker receive a 9th place finish at state competition in Wamego. She ran a time of 13:08 on a very hilly course. She has had an excellent year.

New offense

"Our record may not have shown it, but I thought we did really well. We had to learn a new offense that was really tough. It did provide more opportunities for us, although being something new, I think it hindered our playing ability for some of the season."—Traci Howard

Rebuilding year

"This year was a rebuilding year. We had a lot of younger girls playing, and that with the new offense we started this year, made it tougher this season but it should help the next year's season"—Cammie Chism

2 seniors, 3 lettermen

Caney volleyball coach Robin Rolls had just two seniors and three lettermen returning from a team that finished the 1985 season with a 20-9 record, including an appearance in the Class 4A state playoffs.

The top returning lettermen on the squad were senior Traci Howard and junior Julie Reitz. The two were in the line-up of the 1985 team for most of its campaign. Along with senior Cammie Chism, they were the only experienced players on the team.

The last score of the last Sedan-Caney game. . .for awhile.
The game was on Sedan's gridiron.

Next time. . .we'll get that 1 point back

The Caney Valley High School varsity football team lost a close one Friday night, Oct. 17. The Sedan Blue Devils won the game 7-6 in the last meeting, maybe ever, between the two teams.

Caney controlled the ball the majority of the game and got their only touchdown when Ernie Fields scored on a 4-yard run at the 7:30 mark in the 2nd quarter. The conversion attempt failed.

The Caney defense played an excellent game, holding Sedan to 144 yards total offense and one touchdown midway through the 4th quarter. That extra point attempt, however, was successful, making the score 7-6 in Sedan's favor.

Caney put together another goal drive but the Pups were stopped short by the Blue Devil defense.

"They kept us out of the end zone," Head Coach Kent Newby said. "At times we physically dominated," he also stated, "but we just couldn't finish them off at crucial times."

Caney's offense had 226 total yards but just couldn't get in the end zone after their first score.

The game put the Bullpups' record at 3-2.

Sedan leaves league

By Andy Allen

The Tri-Valley League, of which Caney Valley High School is a part of, has recently gone through frequent changes in the number of schools in the league, and it appears that even more changes may happen in the near future.

In the past six years, the schools of Burlington, West Elk and Yates Center have dropped out of the Tri-Valley League. Burlington and Yates Center have transferred to the Three Rivers League while West Elk has joined the South Central Border League.

This year two other schools are also wanting to leave Tri-Valley. Cherryvale has applied for admittance to the Three Rivers League, and Sedan has applied for an obtained a spot in the South Central Border League, effective at the start of the 1987-88 school year.

With this sudden exodus of schools, two questions about the Tri-Valley League quickly arise. Why do the schools wish to leave and what will happen to the four remaining teams if Cherryvale also leaves?

Athletics is the basic reason why the schools are leaving. The small 2 and 3-A schools are having problems competing with the larger, more powerful

4-A schools. Football is the main sport in which this applies. With the recent domination of the league by Fredonia, smaller schools receive numerous injuries after playing the Yellowjackets and are just plain tired of losing in this league when they could be competing in other leagues with teams more on their level and having more athletic success.

If Cherryvale is accepted into the Three Rivers League, there will then be only four teams left in the Tri-Valley League. Will the remaining teams split and join other leagues? Will other teams be invited to join the TVL, and is it possible that some of the teams may become independent? As of now, these questions remain unanswered.

Both Cherryvale and Sedan would probably not object to playing CVHS in football or basketball, thus helping fill Caney's schedule and with the district form of playoffs, there is virtually no need of a league. In basketball, however, things are pretty well undecided.

With the form of playoffs used, a league is not necessarily needed but would provide a more suitable means of competition.

SENIORS

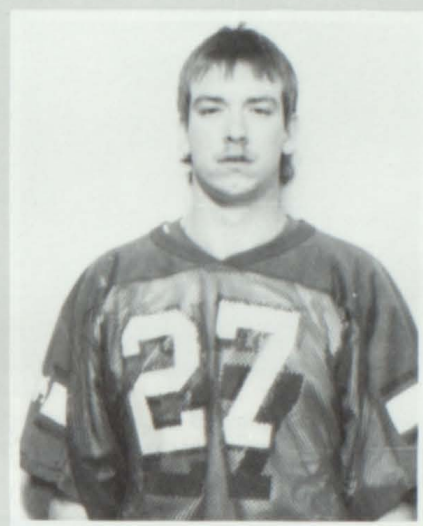

LEAD TEAM

"Louis Twitchell was a very inspirational player, played in many positions and helped the team a lot. Louis was a dedicated player and played hard every time. He was a great help to the football team as a linebacker, running back and special teams player."

Caney Valley Historical Society "Ray Blasi, quarterback and defensive corner, came back from a very serious injury, a broken leg, which he received last year, to lead the offense, and he was the leader of the team. Ray worked hard and was very dedicated to the team."

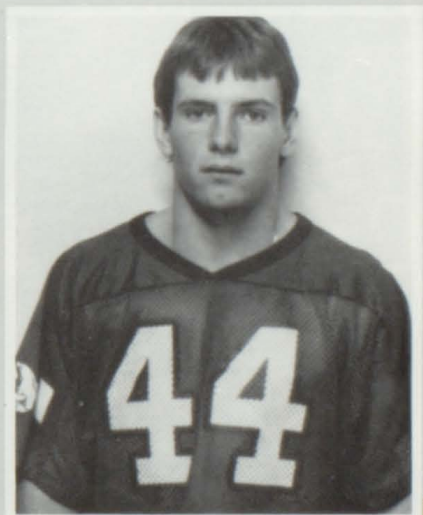

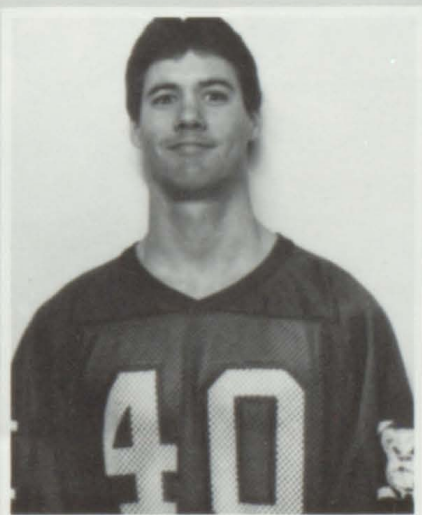

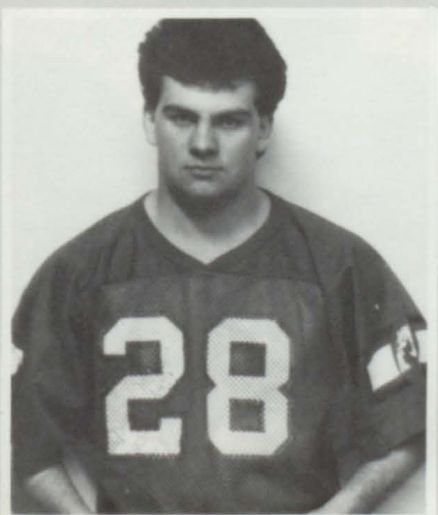

"Mark Coots really helped the team a lot this year. Whenever we needed him he came through. Mark matured and improved through the year. He was the team's kicker and was the guy who got the crowd to its feet for the kickoff."

"Eric Munday played on defense and special teams as a defensive back. He was a very dedicated player and was always trying to pick people up when they were down. Eric had fun while he was playing and he was a great help to the team this year."

"Pat Phillips was a tight end and defensive end and showed improvement from last year. In his sophomore year he broke his leg but returned to the team as a junior and senior. He did a good job."

"Les Moore played all year long with nagging injuries but played hard and really helped the team a lot with leadership and hard work. Les was injured in games at the first of the season. His position was running back."

Seniors Louis Twitchell and Eric Munday charge on to the field ready to give it their best against Sedan.

Pups lose in overtime; 0-2 in district play

Dropping their fourth straight and second district game, the CVHS Bullpups football team fell below 500 for the first time this year.

A loss to Columbus made their record 3-9 and stopped a chance of reaching the 4-A state playoffs. The game was played Halloween night at Columbus.

Columbus's third district win didn't come easy, however. After a 14-14 tie at the end of regulation play, the Titans proceeded into their first sudden death overtime. Caney scored first on the one-yard run by Ernie Fields. Kenny Hawthorne then caught a pass from Ray Blasi for a 2-point conversion. The Bullpup's defense could not keep Columbus out of the end zone though. Their conversion

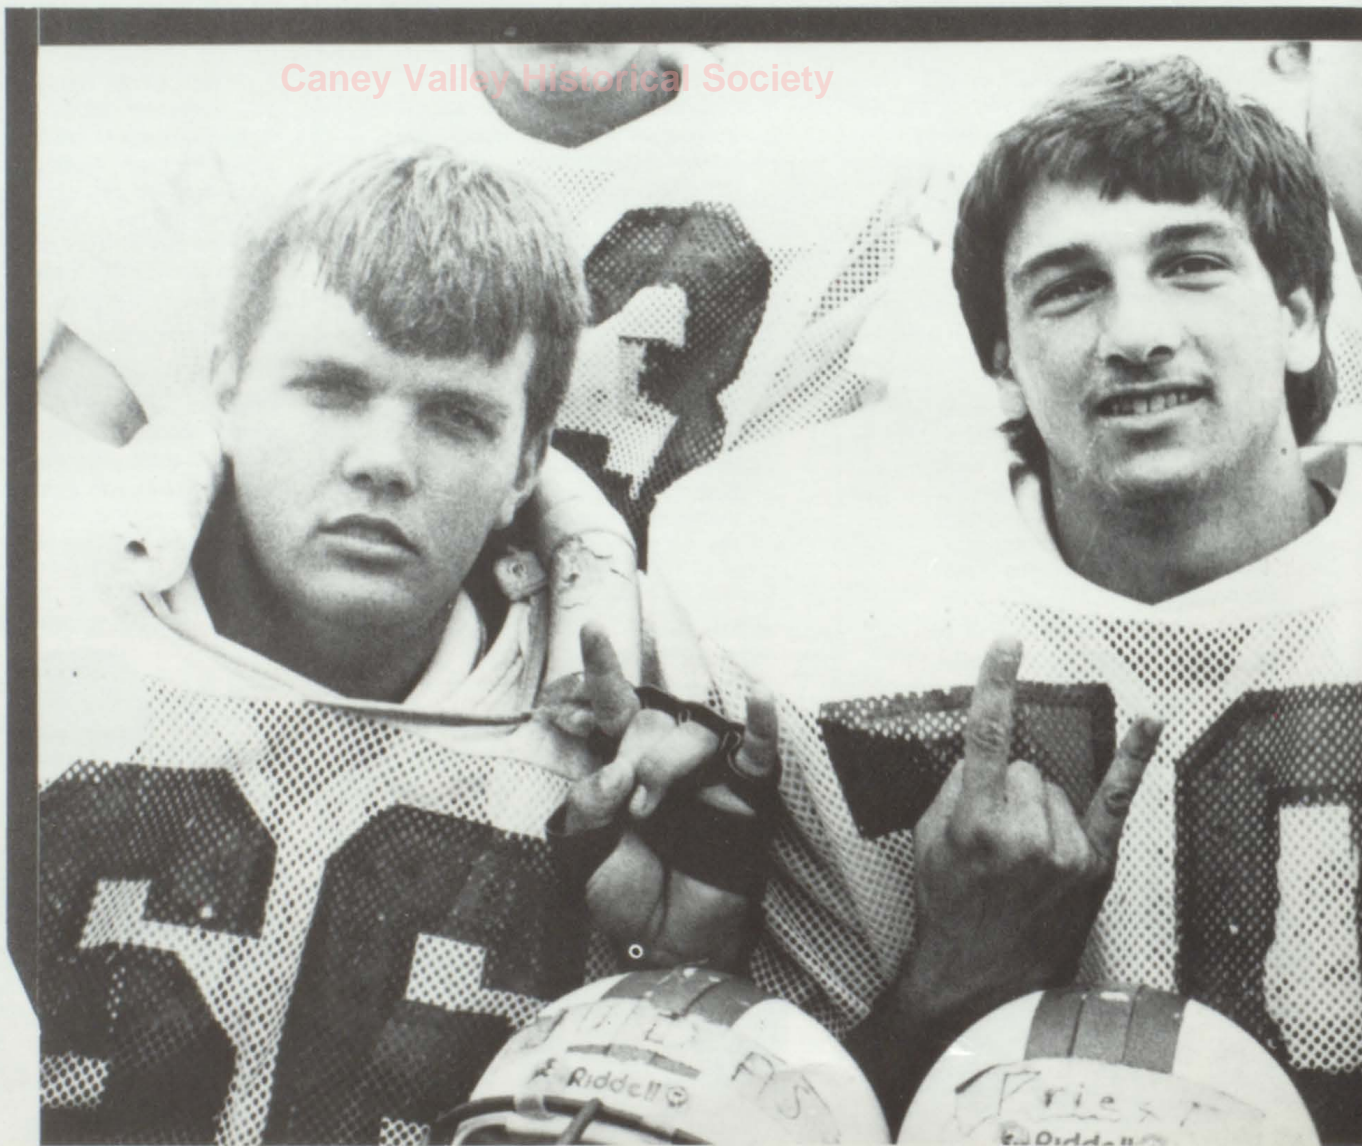

was also good; re-tying the game at 22-22.

In the second sudden death overtime Columbus again scored a touchdown and the extra points, but Caney was not through. Troy Newcomb scored on a 3-yard run, getting Caney within two points of the Titans. The extra point attempt fell short, however, as Kenny Hawthorne was tackled just short of the goal line after a Ray Blasi pass.

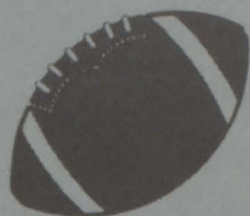

"It's hard to work so much and not have any good come out of it," said head coach Kent Newby about the game.

Caney struggled offensively, getting only 185 yards of total offense. The defense was also baffled as Columbus gained 323 total yards.

Juniors Bill Denny (left), and Vinnie Naccarto (right) show they're ready for action before the Neodesha game.

JV showed a toughness and a will to get better

“Many of our young players showed good improvement. For many it was the first time they had played a full game, let alone both offense and defense. Injuries and, at times, poor work habits kept us from being a very good team. However, each young man showed at times a toughness and a will to get better. If they can be consistent in that attitude they will be successful.”

Varsity boys took 3rd place in the Tri-Valley League

The CVHS Varsity Bullpups had a very successful campaign in the 1986-1987 season. They received 2nd place in both the LCHS and Riverton tournaments and compiled a 15-7 win loss mark before being beat out in the second round of sub-state play. The Pups were also 7-3 in TVL play, which was good enough to get them 3rd place in the league.

The Pups started off slowly and had a losing record until the Riverton Tourney after which they had streaks of 3 loses and 7 straight wins.

On the year Caney outscored their opponents by an average of 67-62, out rebounded their opponents 717-596 and outshot their opponents 49%-44% from the field.

Several Caney players also stood out individually. Greg Kelley and Brian Anderson made all-tournament at Labette County. Anderson and Kevin McIntosh were all-tourney at Riverton and also were all-league performers. Anderson was also a 4-A all-state honorable mention.

Lose first sub-state game by one heart-breaking point

The CVHS varsity girl's basketball team began their 9-11 season by winning their first game in a tournament, which was against the Cherryvale Chargers, by the score of 48-32. Caney then dropped quickly by losing the next two games of the tournament and next three games of regular season play. The Lady Pups were able to bounce back and go on to defeat the Sedan Blue Devils on Caney territory by a 14 point margin. Moving on to the Riverton Ram Classic in Mid-January, Caney pulled out a 1 win, 2 loss record by defeating Chetopa, but losing to Riverton and Baxter Springs. Baxter went on to win first place at the Classic.

The lady cagers continued their season with two more wins against Columbus and Cherryvale, each with fatally close scores, but were equally downed twice more by Eureka and Neodesha. Homecoming proved magical as games against Fredonia proved victorious for Caney. Both varsity teams, each previously beaten by Fredonia, were able to walk on the Yellow-jackets, with the girls winning 62-48. Caney was unable to sustain their victory and fell to the Altoona Midway Jets. At this point a four-way tie for second place in the Tri Valley League had hearts sounding. Caney had yet to play Sedan, and Cherryvale, each in the same predicament.

The Lady Pups then traveled to Blue Devil territory and snatched a win in the second session after being brought alive at the half by coaches George Rau and Robin Rolls. With one down, Caney held their turf to Eureka by beating them 58-47, but were humbled by Oswego as CVHS chalked up another loss to the Indians. With one game left in the regular season as well as league play, the pressure for second place was still on. Cherryvale would travel to Caney and thereafter all would depend on Caney's ability to defeat a team for the third time in one season. At approximately 7:45 p.m. Caney was officially tied with Fredonia as the 1986-87 league runner-up with second place. Sub-state, although, was a short one for Caney women as they lost their first game in overtime to Riverton by a heart breaking score of 59-60.

Six Straight Wins!

Things didn't look good for the CVHS JV boys' basketball team at the beginning of the 1986-87 season. They were unexperienced, lost two starters early, and got off to a slow, 0-3 mark.

That didn't stop them though as they finished the year at 8-6 and ran off a streak of six straight wins toward the end of the season.

The JV team was made up mostly of sophomores who had an excellent season the year before as freshmen. They were helped out by a strong freshman class. The pups started out slowly but ended up playing very well under the supervision of first year coach Doug Jensen.

After being crunched by a tough Neodesha team, the Caney Bullpups still felt the Bluestreak bite when the Fredonia Yellowjackets sank their teeth into Bullpup blood, beating Caney 93-60 on the Jackets home floor Friday night.

The game was pretty close in the first quarter with Fredonia winning by a single point, 14-13. But then, the Bullpups shooting game stopped. The Jackets led at halftime 36-20. The second half was totally different for Fredonia scoring 57 points and Caney bucketing 40. But the major loss was the...

quarter. Three other Fredonians recorded double digit figures and they were Troy Short and Brad Weber who each netted 15, Kevin Lawrence finished with 14 points and Smith had 10.

From the field, Caney finished 26 for 54, at 48 percent.

The last time a Caney team scored in the 90's was in 1986 when Cherryvale beat Caney 90-80. Sedan defeated the Bullpups 93-60 on the Jackets home floor Friday night.

Caney is now 2-5 in conference play.

CHRONICLE SPORTS

The Caney Bullpups, coming off two losses to Fredonia and Neodesha in the past week, turned a close ballgame into a blowout Tuesday night, whipping their arch-rivals from Sedan, 75-66.

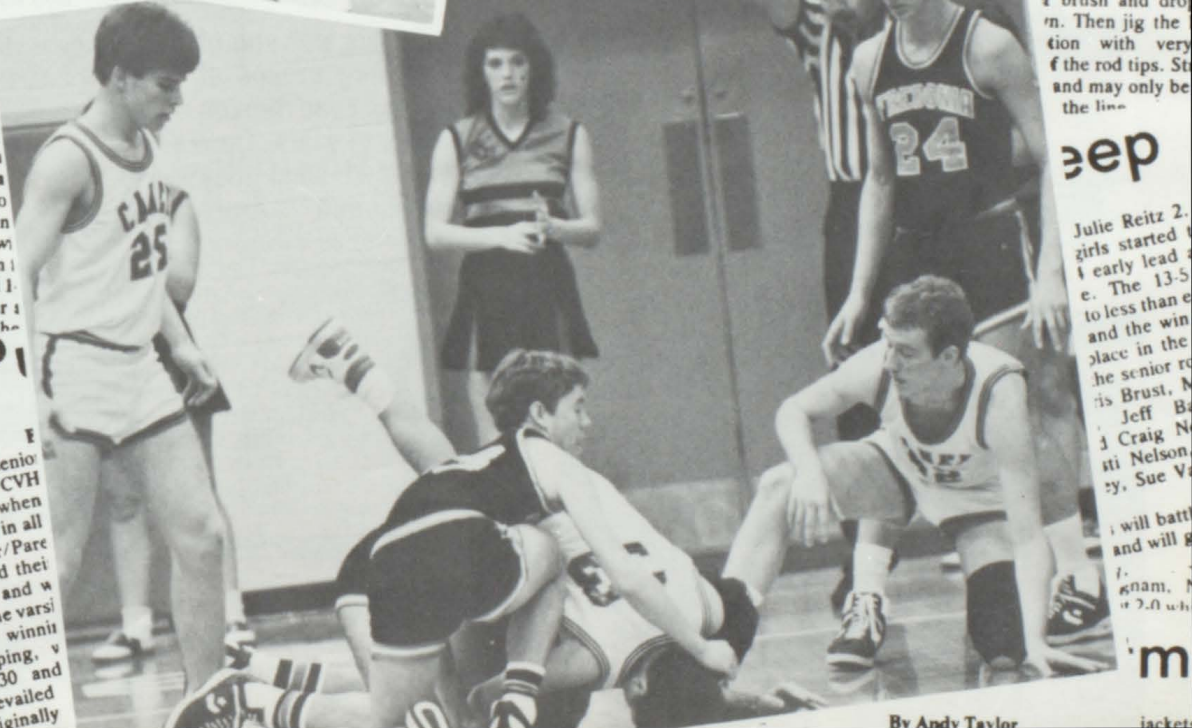

The game, played in the Caney gym, saw Sophomore Kevin McIntosh play his best game yet...netting 27 points for Coach Andy Metsker's Bullpups. The 6'1" McIntosh scored 10 field goals and 7 of 11 free shots while teammate Brian Anderson added another 20 points.

It was a fast pace game from the beginning and Caney barely led at the half, 39-38. The see-saw battle continued in the third quarter with the lead widening to 58-51 as the period ended. In the last four minutes Caney managed to dominate the scoreboard, due in part to several fouls and a technical called on Sedan late in the game.

Greg Kelley

Greg Kelley started for two years at point guard and shooting guard. He really came on strong late in the year, having some of his higher scoring games then. There are few people at CVHS who have worked harder to be a good player than Greg. He always sacrificed himself to be a team player. Greg wants to play in college and he should do fine.

Ray Blasi returned to basketball after missing most of his Junior year with a broken leg suffered during football. You could always count on Ray to come off the bench and make a big steal or an important assist to get the team going. Even though he was primarily a reserve, Ray still led the team in steals and was second in assists.

Brad Bush could always be counted on to come into the game and get a big rebound or basket at a crucial point in the game. Though not a starter, Brad came to practice every day with the attitude that he wanted to improve. The coaching staff always felt that they could put Brad into the game at any time and he would always give 100%.

THE SENIORS...

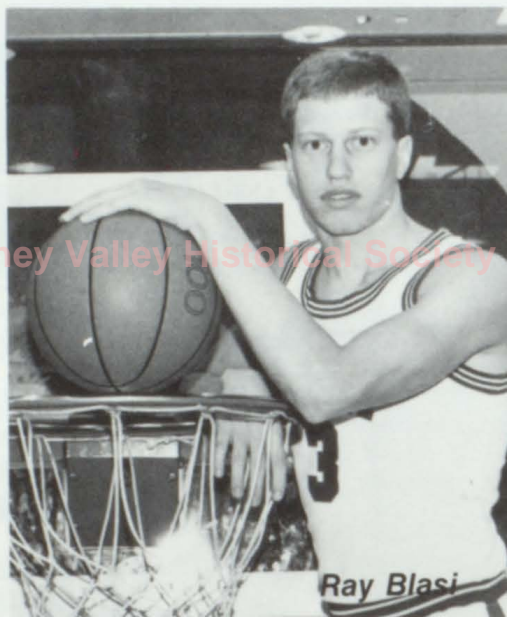

on the 1986-1987 CVHS basketball team all worked very hard during their four years to improve as players and to help the Bullpups the best way they could.

Brian Anderson was a two year starter for the Pups. During his senior year he was, All-Tourney at Labette County and at Riverton, All-Tri-Valley League, Honorable Mention, All-State and was chosen Most Valuable Player and Co-Most Inspirational Player. Brian was one of the leaders of the team and also one of the hardest workers. He will definitely be missed.

Brian Anderson

Craig Dobsch was a manager for three and a half years. He will be missed tremendously. Not only was he responsible for making sure things got packed on the bus, but he was also one of the team's biggest and best fans. Craig has been very dedicated and loyal to the program and we will miss him greatly.

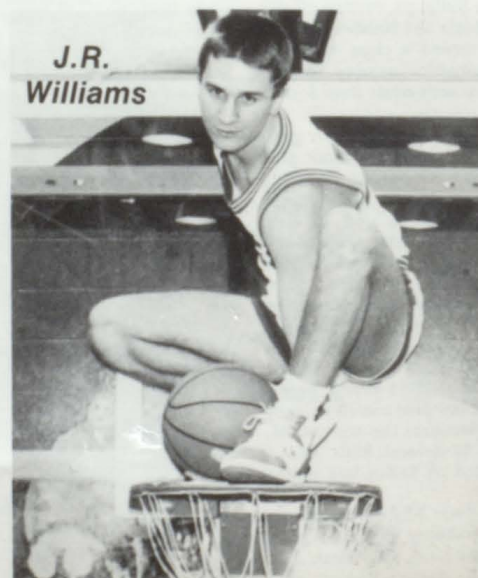

Ray Blasi

Craig Dobsch

J.R. Williams was on the team for four years and even though he got very little playing time he was a very integral part of the team. Few people worked harder than J.R. He came to practice everyday and worked to make the other members of the varsity better. J.R. also helped with some of the athletic taping and did a very good job.

All together, this was one of the hardest working groups of young men that has gone through CVHS in a number of years. They should be proud of what they accomplished-Coach Andy Metsker.

Seniors contribute many points to varsity girls' victories

Cheryle Sanders

Cheryle brought many qualities to the team. She is always cheerful, but her best quality is that she is a christian. She has been playing basketball for 4 years in high school. She was a starter this year at the position of forward. She had the personality to bring the team up in spirit when it was behind. She never gave up and was always confident—Kendra Russell.

Tracy Powell

Tracy Powell was a transfer during her senior year from Copan, Oklahoma, where she had played on the Hornets team. Tracy played the guard position. It was a challenge to try to adjust to different Kansas rules, but she brought experienced leadership to the team—Kristi Johnson.

Cammie Chism

Cammie was a returning starter for the prior year and had been on the basketball team for four years. She played the wing position her senior year and developed an outstanding shot from the outside. This was sometimes the spark needed to get the team into a ball game. She showed great senior leadership and many underclassmen looked up to her. I am glad I had the opportunity to play on the same team as Cammie.—Jean Wiley.

By Vince Naccarato

The Caney Valley High School wrestling season was one of many highs and a few lows, with most of the lows coming at the end of the season.

Plagued throughout the season with injuries and sickness, the team amassed a total of 112 wins and 51 losses. Its dual record of 3-12 was not a true indication of how the team often dominated its opponents.

Robbie Mason wrestled at 112 pounds during the season and amassed a 26-4 record. Robbie started the year off by taking first at the Kan-Okla. He also got first place at Fredonia and placed second at Maize and Rose Hill. Robbie came one match away from going to state for the second year in a row. Coach Chris Kastler said, "I know Robbie is disappointed that he didn't qualify for state, but he did have a fine season."

Kerry Gorby won a career high 26 matches while competing at the 119 pound weight division. Kerry took third at the Kan-Okla and 4th place at the Maize and Rose Hill tournaments. "We're looking forward to big things from Kerry next year," Coach Kastler said.

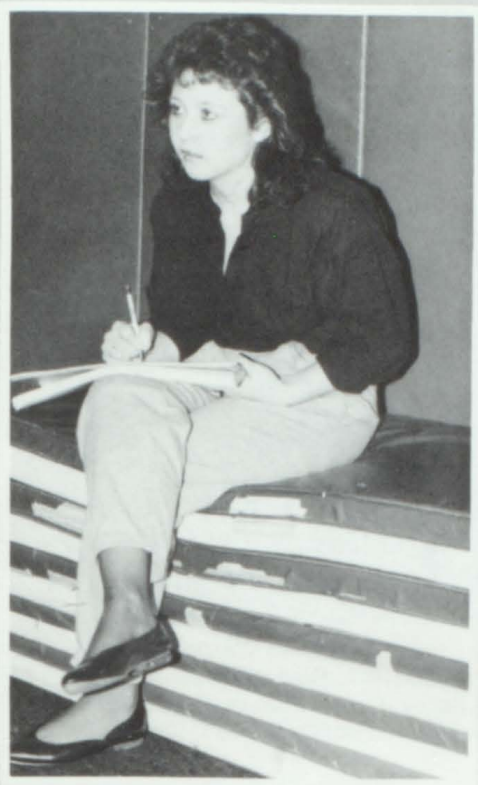

Todd Millemon, the only freshman on the team, wrestled in the 145-pound weight classification. Todd wrestled mostly against juniors and seniors and managed six victories and seniors and managed Millemon, "Now that Todd has paid his dues as a freshman wrestling varsity, we are looking for big things from him as a sophomore."

Kelly Fields, who wrestled the season at 167 pounds, showed great improvement from his sophomore year. Kelly's highlight of the year was when he went 4-0 at the Bluestem JV tournament on the

road to taking first place. He missed the last few weeks of the season due to an injury. The coach said of Fields, "Kelly is going to be a great leader next year."

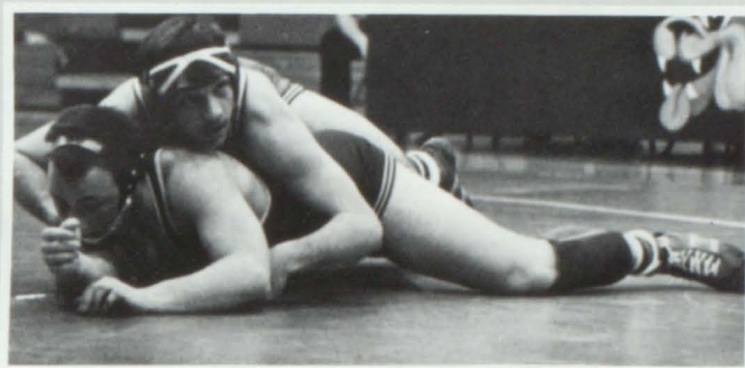

Wrestling in the 185-pound division was Vinnie Naccarato. He had a career high of 23 wins while taking first at the Kan-Okla, Fredonia and Rose Hill tournaments and taking 3rd at Maize. Vinnie's season ended quickly when he was injured at regionals. Coach Kastler said, "Vinnie will form the mold next year to lead our wrestling team to new heights."

Bill Denny was the only member of the team to make it to the state tournament. Bill placed 3rd at regionals and won one match at state. Bill had his finest season by winning Kan-Okla. heavyweight championship. He also took 2nd at Rose Hill, 3rd at Maize and 4th at Fredonia.

Traci Howard, manager, keeps score in practice.

A WINNING TEAM!

Boyer qualifies for state meet

By Andy Taylor

CVHS Senior Brian Boyer swung his way to the state golf meet as he qualified for 2nd place at regionals in Fredonia.

The Pepperdine University-bound golfer tied for second place with a 76.

As a team, Caney placed fourth in a field of nine. The Pups shot 332 with Boyer's 76, Robbie Mason finishing an 84, and Vince Naccarato and Nat Freisberg finished the year with 86's. Also from Caney playing were J.R. Peterson with 92, and Chris Carter, a senior, finished his high school golf career with 93.

Columbus was in first place with a 325 score while Andover qualified with 330. Those two schools qualified for the state meet also. Host-team Fredonia came in third with 331, and Augusta tied with Caney in the number four spot. Girard finished with 342 as Baxter Springs came in with a 354. Rose Hill shot a not-so-impressive 365 while Riverton came in ninth and last place.

Boyer participated in the Kansas 4A golf meet at Drubb's Dread County Country Club in Kansas City. Head coach John Heady accompanied him.

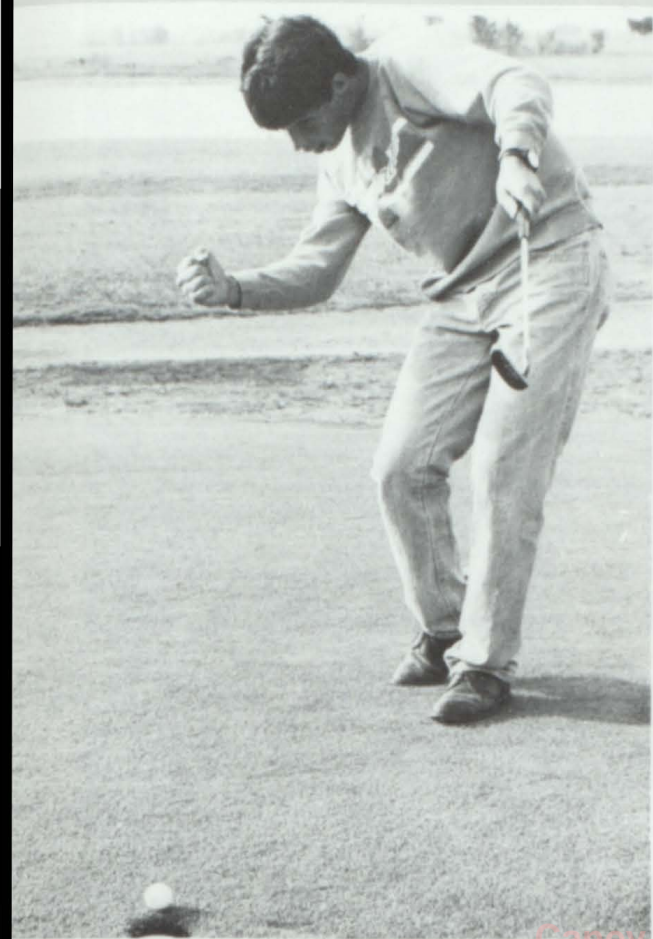

But it was not Boyer's time to play golf at the state 4A tournament. Boyer ended up with a 90 on the extremely difficult Drubb's Dread County Club course.

Because of the long, narrow fairways with lots of water hazards, Brian had to add six penalty strokes to his score, but he did come in 13th place out of the 88 participants.

The lowest score was a 76 shot by a golfer whose home course is Drubb's Dread. If it were not for the penalty strokes, Boyer could have placed in the top five or six.

"Go team Go!" Stunts, yells, dances - that's what the 1986-87 CVHS cheerleaders did this summer at Emporia while at camp.

Those who attended were Gina Carey, Tammy Hudson, Charlene Spellins, Judy Melton, Ginger Fichtl, Tammy Powell, Sandra Perry, Sherry Littlepage, Bridget Lovelle and Lori Gaff, mascot, with Mrs. Bessie Fichtl and Miss Chris Exline driving them there.

They also were evaluated on their dances and chants, and they had classes on unity, spirit, stunts and ideas for pep rallies.

These girls raised their money by having a car wash, cheerleading clinic, sold fireworks and had a baseball tournament.

At camp there were 40 schools attending. Caney got many honors: the first night they got outstanding spirit, second night outstanding jumps and stunts, third night outstanding cheerleading skills and the last they got second place overall, super squad for getting 90 points or more out of 100 (which not many squads got). They also got the squad unity award out of their goal group which is a group of about 4 or 5 squads.

Tracksters do well at state

By Andy Taylor

Caney's Jean Wiley landed her way to a fifth place medal in the long jump at the state track and field meet at Wichita State University on May 29 and 30. The Junior-to-be at CVHS received her honor by jumping at 16'7" in that event.

Senior Brad Bush finished his high school track career on a good note by placing ninth in the high jump by clearing 6'2". Two Freshmen showed high hopes for the coming years — Melanie Metsker came in ninth place in the 3200 meter run with a time of 12:34. Kelsey Robbins qualified for the high jump but did not clear the opening height of 4'1".

Track coaches Stuart Holmes and Karen Schultheiss commented that they were proud of Caney's effort this year and in the state meet.

Hundreds of kids from classes 1A-6A in Kansas participated in the meet which was

held in Cessna Stadium on the campus of Wichita State.

Accompanying the

tracksters and coaches were Andy Metsker, Sharon Hunt and Robin Rolls.

Club earns Gold Award again this year

Kayettes host Area II Conference

Joan Finney, state treasurer, receives a corsage from Kayettes.

The Senior Kayettes worked toward the Gold Award, which is the highest award, for the third year, and they have been informed that they have won the honor again.

The year's theme was "Let Kayettes Lift You Up!" and this theme kicked off the membership drive when Kayettes placed paper balloons with the theme and a piece of gum on them in each girl's locker.

Seventy-one members helped co-host the Area II Kay-Kayette Regional Conference on October 8 with 200 delegates and sponsors in attendance.

Twelve school projects were completed, including favors to the faculty, honor roll students, locker decorations, decorating the Christmas tree, and helping with book fairs.

Nine community projects included

remembering residents at the Caney Nursing Center and at Wilson's with favors each holiday. Kayettes donated canned food to the Caney Ministerial Alliance.

The Kayettes sent money to CROP for their World Series project.

Nine seniors were honored at the annual Senior Farewell and installation of officers and board members. Cieta Lutz Dewey and her daughters, Melanie and Monica, were recognized for their service to the Kayette organization in Caney as presidents—1965-66; 1984-85 and 1986-87.

An original membership program, "Super Kayette," was accepted by the Kansas State High School Activities Association.

Jean Pfalser, Area II President, Teresa Click and Melissa Shafer will attend leadership camp in July.

STUCO. . .

Backbone of student government

Caney Valley's Student Council did many of their usual projects this school year, but the group also added a significant new service to the school. Something new was the awarding of two \$200 scholarships to selected seniors. (See story on next page).

Stuco continued to stock paper, pen and pencil machines, to sponsor a dance, to provide Valentine fun through a heart-to-

heart computer project, keep the week's events posted on the sign in front of the school and help sponsor assembly programs.

There are some changes scheduled for the '87-'88 school year. Ms. Nancy Zimmerman, who has sponsored the group for eight years, has resigned the sponsorship, and it will be assumed by Coach Andy Metsker, who had served as Ms. Z's assistant. Next year's assistant

sponsor will be Mrs. Joan Paine.

In year-end elections, Andy Taylor was elected vice president, meaning he will be president of Stuco when he is a senior. Ernie Fields, this year's vice president, will automatically be the president of '87-'88.

Members of the Student Council are elected by classes and organizations within the school.

SCHOLARSHIP WINNERS. . .From left, Karla Babcock, Ms. Zimmerman, sponsor; Bill Cullins.

Caney Valley Historical Society The student council has announced that seniors Bill Cullins and Karla Babcock have each received a \$200 scholarship from the student council.

Money obtained from students in the Heart-to-Heart Computer Compatability test, paper and pencil machines, and admissions to dances provided the funds for the scholarships.

Bill, who is planning to attend Emporia State University next year but has no definite major, was one of four senior boys who applied for the scholarship.

Karla, who is planning on attending Independence Community College next year to major in Psychology, was one of three senior girls who applied.

Those who wished to obtain the scholarship were asked to fill out a standard application used by Counselor Susan Johnson. A selection committee made up of student and faculty then looked the applications over and took into account the functions performed by the applicants at church, school and in the community. The committee emphasized participation of different events rather than raw intelligence and GPA, making this more of an activities scholarship rather than academic.

This is the first time the Student Council has sponsored a scholarship. Any scholarships in the future will depend on the amount of funds that the council has.

Mrs. Nancy Zimmerman is Stuco sponsor, and Ray Blasi served as president.

NHS students save a sweetheart for a day

Approximately 360 students and faculty at Caney Valley High School celebrated Valentine's Day with a smoke-free day. The students pledged not to smoke as part of the Save-A-Sweetheart program sponsored by the American Heart Association. Smokers pledged not to smoke on SASH Day and non-smokers pledged not to begin smoking within the next year.

Response to the program has been positive, according to Susan Johnson, advisor of the National Honor Society who sponsored the student-run event.

"At first some students didn't want to be involved," she said, "but as the week went on we've had more and more people pledge not to smoke. Even the smokers wanted to try quitting, at least for a day."

Students promoted the program by giving buttons that read, "I'm Kissable, I Don't Smoke," to all the students who made no smoking pledges. Announcements promoting the program and tips to help students stop smoking were read on the public address system for 10 days in preparation for the program.

A poster contest was held at the elementary and junior high wanted to try quitting, at least draw posters that would discourage people from smoking. At Lincoln Elementary, the winners of the contest were: 1st place Bianca Van Manen; 2nd place, Richey Moody; 3rd place, Misty Woodworth. At the junior high level, winners were 1st place, Randy Wade; 2nd place, Patti Evenson; 3rd place, Eddie Randall. First place winners received t-shirts and second and third places received candy treats.

Caney receives 'superior chapter' award

The Caney FFA Chapter was a small but a very hard working group. Brian Anderson served as President, Ernie Fields served as Vice President, Kelly Fields as Secretary. Todd Anderson as Treasurer, Steve Shafer as Reporter, Tim Kolb as Sentinel and Brett Anderson as Parliamentarian.

Activities for the year were a donkeyball game, concessions, selling Bluejacket sausage, and

various types of livestock judging contests.

Highlights of the year were Brian Anderson winning 2nd in district livestock contest, Todd Anderson placed 9th in A team poultry, Justin Ernest placed 5th in B team poultry, Brian Anderson placed 3rd in state dairy judging and tied for first in state livestock judging. Darren Brake was awarded a horse for being

top salesman of blue jacket sausage in Missouri, Kansas and Oklahoma.

Todd Anderson was the only member winning a district proficiency award, which was in forest management.

The chapter also received the superior chapter award.

The banquet this year featured hamburgers, lamb burgers and pork burgers.

FFA Adviser John Brooks hands out posters and ribbons to the winners of the FFA Week poster contest.

Darren Brake, freshman, and the 3-year-old filly he won for being the FFA sausage selling champion in Kansas and Missouri. Shawn McConnel of Caney was the runner-up. Darren is also a member of the Fawn Creek 4-H Club.

Here's a sample of what FCA is all about

Six FCA members and two sponsors went to a mini-conference at Rock Springs Ranch. When they arrived they registered and met with their huddle groups. Fun and Fellowship with between 300 to 400 christians is what was done that weekend. The six CVHS students played games such as football, basketball, volleyball and soccer. A guest speaker for the weekend was Madeline Mannign Mims, the Olympian from the USA. She talked about witnessing while still competing in the half-mile run and she also sang.

Those members who went were: Julie Reitz, Kendra Russell, Kim Russell, all juniors; Donna Ayers, sophomore; Jennifer Halligan and Meg Rogers, both freshman. The sponsors were Miss Sharon Hunt, math teacher and Mrs. Sharon Knuth, biology teacher.

The Fellowship of Christian Athletics had a huddle meeting April 28 at Kim and Kendra Russell's house at 8 o'clock. Chips, cookies, pop and fellowship were enjoyed by all that attended. The group discussed lesson 5 out of the "Total Release Training Camp" book that everyone received at an earlier meeting.

Those who attended were Miss Sharon Hunt, sponsor; Julie Reitz, Jill Christensen, Kendra and Kim Russell, Juniors; Becky Rathbun, Donna Ayers, Emily Hollandsworth, Sophomores; and Jennifer Halligan, a freshman.

Kim Russell commented, "Over all the meeting was real good, but I was disappointed in the number of people who showed up. There should have been more students than eight."

At the next meeting there will be a skit put on by those who attended the FCA mini-conference.

Playmakers

stage two hit productions

It was a great season of entertainment for audiences who always enjoy offerings of the Playmakers, school drama club. The group staged two plays, "The Foreigner" and "The Mousetrap". Both proved to be favorites and one, "The Foreigner," was the vehicle that bought several high awards to the cast as they took a cutting on the one-act play contest

circuit.

Mrs. Kathy Faulkenberry's Playmakers also held their annual Snowball, the highlight of the winter social season.

In the spring the annual awards dinner was held, and Playmakers honored those they had selected for top honors. (The winners are listed below.)

CVHS students now in National Forensics League

Caney Valley High School has been granted chapter membership in the National Forensic League. Founded in 1925, the NFL is a speech honorary society which is represented in 2200 schools nationwide. Over 643,500 students and teachers have gained membership, including former Vice-President Hubert Humphrey, newswoman Jane Pauley, actor James Dean, television star Art Linkletter, Senator David Boren, singer Bette Midler and actor Don Ameche. The League sponsors awards, based upon participation

and success in speech and debate events. It also sponsors district and national competition in cross-examination debate, Lincoln-Douglas Debate, Extemporaneous Speaking, Original Oratory, Dramatic and Humorous Interpretation and Student Congress.

The Caney Valley Chapter opened with 18 members. Each member must qualify with points earned in tournament competition. The membership allows the Caney chapter the right to par-

ticipate in the district tournament. The Flint Hills N.F.L. district tournament will be held in Coffeyville on April 10 and 11.

Those placing first and second will qualify for the N.F.L. national tournament in Ohio in June.

The new members are: Andy Taylor, Anna Freisberg, Bill Cullins, Brian Boyer, Chris Carter, Nat Freisberg, David Stewart, Elaine Brophy, Geri Grayum, Jamie Evenson, Jean Pfalser, Jennifer Love, John Staton, Pam Ernest, Ron Eden, Sarah Knedlik, Teresa Click and Will Kahre.

Forensics. . .

There are nine events in forensics, but a person can enter only two of them. A contestant takes part in three preliminary rounds, and winners enter the finals where they perform before three judges. In some tournaments there are as many as 40

to 50 competitors in each event, so it is a high honor to get to the top. And that's just what the Caney team members did many times. Mrs. Kathy Faulkenberry is coach, assisted by Ms. Debbie Buttel.

Debaters take 1st at regionals; Carter, Cullins 3rd at state

The 1986-87 debating season may be over and done with, but it will truly be a year to remember at Caney.

Along with a very successful season, the debate squads of seniors Chris Carter and Bill Cullins and sophomore David Stewart and junior Jamie Evenson coached by Mrs. Kathy Faulkenberry, had a first place tie at the 4A Regional Debate tournament.

Caney also had the only undefeated team (Chris and Bill) at the entire tournament.

Caney's win/loss record was 8 wins and 2 losses with a total of 40 speaker points. Fredonia tied with Caney and Girard followed with 6 wins and 4 losses with 47 speaker points.

This qualified the teams for state competition, where Caney once again came out ahead, plac-

ing third in the entire state in 4A competition.

They attended the state tournament on Jan. 23 and 24 in Salina. The Caney teams scores were 8 wins and 6 losses with a total of 73 speaker points.

Coming in first place at the tournament was Concordia with 11 wins and 3 losses with 61 speaker points. Scott City was second with 9 wins and 5 losses with 55 speaker points.

Coming in fourth was Fredonia, who received the proverbial pat-on-the-back.

Southeast Kansas was extremely well represented on the state level. In class 1-23A, Pittsburg/Colgan came in second place. In class 4A, Caney was third and in class 5A Coffeyville took first.

Forensics team earns 11 trophies, 68 medals

This year's forensics team has come a long way. Last year the team ended up with six trophies and 48 medals. This year it has come up with 11 trophies and 68 medals, an outstanding accomplishment.

Part of the team went to state championships at Salina, where Bill Cullins and Chris Carter went into semi-finals, but no further. The others, Brian Boyer, Ron Eden, Andy Taylor, Anna Freisberg and Geri Grayum did not make it to the semi-final round but also had a successful year.

Others went to Parsons for state festival, doing their piece one time for a 1, 2 or 3 rating. Going there were Jamie Evenson, in oration, a 1; Tammy Anderson, 1 in poetry; Nat Freisberg, 1 in prose; Sarah Knedlik, 1 in informative; Jean Pfalser, 1 in dramatic interpretation; Teresa Click 1 in dramatic interpretation; Minda Black 2 in prose.

Senior leadership was shown throughout the whole year and was very obvious when it came to medals. Four seniors led the way. Chris Carter led with 11 medals, Bill Cullins was right

behind with 10, Ron Eden received 9 and Brian Boyer (a novice) had 8. These four seniors will truly be missed next season.

Others who also medaled were: Andy Taylor 4, Geri Grayum 4, Nat Freisberg 3, Jamie Evenson 3, Sarah Knedlik 3, Teresa Click 3, Jean Pfalser 2, Tammy Anderson 2, Anna Freisberg 2, John Staton 2, Will Kahre 1 and Minda Black 1.

Also in forensics are Robbie Hindle, Kris Carlile, Rebecca Ward, David Stewart, Jennifer Love, Elaine Brophy.

“Pride of Caney” struts its Stuff at KU, Neewollah and state festival

The CVHS Senior high band had a very busy, exciting and rewarding year in 1987. “The Pride of Caney” marched in parades at Elk City, Fredonia, Copan, Coffeyville, Lawrence, Caney and Independence.

At the Neewollah parade the band received a 2 rating in street marching, Field competition and color guard routine.

Besides their seven parade appearances, the marching Bullpups also performed five halftime performances at home football games and one road appearance at Sedan.

The highlight of the marching season was Sept. 27 when 42 band members and 8 color guard members participated in the KU band day at Lawrence. After marching in the big downtown parade, the Pup strutters joined 85 other bands at Memorial Stadium for the big halftime extravaganza. It was the first time in 8 years the Caney band had participated at the gala event.

During the winter season the Pup pep band played at all home basketball games as well as the sub-state tournament at Girard.

Concert season started with the band’s annual Christmas concert followed by a 2 rating at state festival at Riverton. In May the CVHS band made its final appearance of the year at its annual spring concert. Making their last appearance with the band were Seniors, Brad Bush, Trumpet; Minda Black, flute; Jane George, clarinet; Cheryle Sanders, clarinet and drum major.

Director Steve Gordon hosted a recognition banquet for band members and parents on May 8. Underclass band members played the finale at commencement on May 17.

Ladies Only wins the big 'number one' at contest

The Ladies Only and Touch of Class singing groups have added a lot of enthusiasm and pride to Caney High School. Both groups have been extremely busy this year. Ladies Only went to Independence to compete in music competition where they received a superior rating, making them eligible to go on to state competition held in Winfield on April 25. Ladies Only has performed before a number of groups. They went to Tyro to sing for senior citizens and they have also sung for the elderly at a Caney Rest Home. The group performed for the Sigourneyan Club where they sang acapella. The group has also purchased new uniforms as worn by Becky Ward in the Ladies Only picture. Members competed at Altamont for district choir. Only two made it this year, Kris Carlile and Becky Ward. Both Ladies Only and a Touch of Class performed in the CVHS auditorium for the Christmas concert and spring concerts. Seniors in the group are Missy Barton, Jane George, Debbie Metcalf and Becky Ward. Both groups are directed by Steve Gordon. Touch of Class practices at 7:15 a.m. each Thursday.

Junior High football team has four shut-outs!

Some comments from the coach

This year's Junior High football team was the best bunch of athletes I've ever had the pleasure to work with.

After we squeaked by Coffeyville I knew we had a good chance to go undefeated, but I had no idea we would completely dominate opponents like we did.

We scored 179 points to our opponents' 22. We had a very explosive offense that could score at any time.

Our defense stifled the opponents and caused frequent turnovers. One team only ran 14 offensive plays against us the whole game.

For Coach Doug Jensen and myself it was a pleasure to work with this talented group. I am sure they will give Caney football fans many thrills as they progress through their high school years.

8th grade girls end season with 3 close contests; win 4, lose 4

The 8th grade girls' basketball team finished the season even-up with 4 wins and 4 losses.

The last three games were thrilling. . .and close!

The Bullpups won over the Eureka Tornados by a mere one point, the final score being 21-20. The game got off to a slow start, with Caney making 16 of its 21 points in the last half. Heather Perkins-Stritzke was the high scorer in that game with 5 points.

In the next contest, the Fredonia Yellowjackets defeated the 8th graders by only two points. At the end of the first quarter, Caney had 4 points, Fredonia 0. At the half it was Caney 12, Fredonia 1.

But the Yellowjackets put the sting on in the third quarter, and the game was tied 16-16. The final: 22-20, Fredonia's favor. Heather Staton was high scorer with 6 points.

The last game brought sweet victory to Caney and a chance for the 8th graders to sing "The Old Gray Mare" to Sedan. The game went into overtime, but the Pups won, 26-24.

The Pups jumped out to the lead in the first period and maintained it until the fourth quarter when Sedan tied the game. At the end of regulation play, the score was tied at 20-all. In the overtime, the Pups prevailed, the final score was 26-24. Shantayle McClure,

with 11 points, was the leading scorer.

Sharon Hunt was the team's coach.

Jr. high team wins league title

Caney's 8th grade junior high basketball team, coached by Stuart Holmes, chalked up some impressive statistics for the season and came out at the top of the TVL league in the process. The team lost only one game, and that was to a tough Coffeyville team. The league victory followed a similar one in football.

I'm looking forward to going to
junior high school.

I'm excited and a little nervous.

Somehow all the kids seem to like it,
but they love telling horror stories
about what goes on there.

My parents are the ones who are
really nervous.

If they ask me once more if I'm
scared, I think they'll
convince me that I am.

Instead of one room a day
I now have eight.

If I couldn't please one
teacher, how can I satisfy you all?

I can't even find your room.

I'm lost.

My God, I found the room and I
Don't know which seat is mine.

Homework in every subject.
Tell me what to do first.
Which is more important?
Each teacher says his subject is.
How can I be organized
when I can't even remember my schedule?

I'm comfortable in a school
with strict rules.

If I went to a school without rules,
I'd get the feeling no one cared.

'The best so far'

This year's junior high wrestling team has to go down as the best so far. Not only did the team get more wins than any others but participation grew tremendously. We had a wide variety of talent, from raw beginners to tested veterans. We were in every duel and would have won our junior high tournament if team scores were kept. Ron Wade did an excellent job in his first year as a coach's aide. You can look forward to these wrestlers' successes in future years.

Junior high golfers keep on swingin'

All in all, it was a pretty good year for the junior high golf team. Chanute led the league consistently, but for second and third places, there was always a dogfight, with the Bullpups capturing 2nd place medals twice.

The year started out a little slow, but by the time of the Jayhawk-Linn and Garnett meets, the Pups were in champion form.

Individually, the top three junior high golfers were Chad Holtzman, Todd Millemon and Justin Atkinson.

What was especially nice about earning 2nd at

Jayhawk/Linn was that the course, Sugar Valley, is in pro-condition and is considered the most difficult course in the league. Another nice thing about the season was the team's size; 20, the largest team in the league.

The golfing Pups were coached by Chris Kastler, who took the team to five meets—Caney Valley, Chanute, Iola, Jayhawk/Linn, and Garnett.—(Edward Paine)

Volunteers sing in junior high chorus

Members of the junior high vocal department went to Fort Scott April 11 to participate in the state music festival.

The chorus, girl's group and soloists competed. The girls received a 2 plus rating for their performance of "Inchworm" and "The Secret." The chorus also received a 2 plus for the songs

"That's What the Devil Said" and "Turtle Dove."

The group is comprised of 7th and 8th graders, and they sing during their P.E. hour on Tuesdays and Thursdays. It is strictly a volunteer group. The chorus is under the direction of Steve Gordon.

They also performed for the spring concert in the CVHS auditorium on May 15.

Junior High Band: front row from left: Tami Reitz, Heather Staton, Heather McBride, Steffanie Rackliff, Theresa Mellen, Laurel Black, Amy Kahre, Barbara Ritter. 2nd row: Randy Wade, Ed Paine, Ashley Boggs, Staci Carson, Lori Newby, Michelle England, Kristi Levan, Nathan Mellen. 3rd row: Kelly McIntosh, Reese Freisberg, Brandon Gay, Phillip Points, Ryan Karjala, Brandon Anderson, Joel Gaff, Mike Shafer, John O'Shields. 4th row: Lee Burge, Nathan Lovelle, Brad Sanders, Matt Bycroft, Kelly Grayum, Richey Barriger, David Boles, Jeremy Berry, Jason Armitage, Erin Munday.

8th grade band member Ed Paine says, "Hey guys, get over here and get your pictures taken." In the back are band members, from left, Barbara Ritter, Staci Carson and Kelly McIntosh.

Kelly Grayum, playing the baritone, and Amy Kahre, playing the flute, hit every note in tune as they march down the street in the Neewollah children's parade in Independence.

A busy bunch. . .

Listed are a number of things that the junior high band members did this year.

1. They marched in the Neewollah children's parade at Independence.
2. Marched with the high school band during halftime of a football game.
3. They marched in the Coffeyville and Caney Christmas parades.
4. Performed at Fredonia for the TVL festival.
5. Performed at a Christmas concert held in the CVHS auditorium.
6. Spring music contest at Fort Scott.
7. Spring band concert held in CVHS auditorium May 17.
8. Volunteers marched in Caney for the Memorial Day Parade.

Junior High Pep Club goes with team to football games

The junior high pep club were especially busy during football season. Members sat as a group at home games and they also rode the spirit bus to Fredonia, Cherryvale and Coffeyville for away games. During the winter the club sponsored a junior high dance in the school cafeteria. Les Moore and Troy VanManen were disc jockeys. Pop and chips were served.

Mrs. Pam Busch is sponsor of the club.

From left, Shelly Vaughn, Teresa Mellen, and Ronda Songer work hard on a sign to boost the Jr. High football spirit.

THE ART OF SUCCESS

There are no secrets of success. Success is doing the things you know you should do. Success is not doing the things you know you should not do.

Success is not limited to any one area of your life. It encompasses all of the facets of your relationships: as a parent, as a wife or husband, as citizen, neighbor, worker and all of the others.

Success is discovering your best talents, skills and abilities and applying them where they will make the most effective contribution to your fellow men. In the words of Longfellow it is "doing what you do well, and doing well whatever you do."

Success is ninety-nine percent mental attitude. It calls for love, joy, optimism, confidence, serenity, poise, faith, courage, cheerfulness, imagination, initiative, tolerance, honesty, humility, patience and enthusiasm.

Success is having the courage to meet failure without being defeated.

Success is not arriving at the summit of a mountain as a final destination. It is a continuing upward spiral of progress. It is perpetual growth.

Colophon

(kol' ə fon) An inscription at the end of a book, giving facts about its production

Caney Valley Historical Society
Volume 67 of the Kane-Kan, yearbook of Caney Valley High School, was printed by Josten's of Topeka and the cover color is blue shadow with white and silver foil. The silk screen Bullup emblem mascot was designed by art teacher Chris Exline. End pages are soft blue in color and pages are printed on 80-pound gloss stock. Process color is used on eight pages, and the rest are black and white. The type was set by Kopco of Caney, and that firm furnished the many type faces used in the book; however, the basic type design is Triumvirate.

Layout design and composition, or paste-up, was done by members of the yearbook production class.

Photography of underclass individuals, many of the senior portraits, royalty, and school organizations was done by Doyal's Studio of Independence. Most of the other photos were by Kane-Kan photographers.

Individual copies of the '87 edition were sold for \$16 each, and 290 books, each containing 188 pages, were printed.

Publication costs were financed by the sale of advertising to business firms, page space to school organizations, sale of the book itself and concession projects.
