

CITY OF BARTLESVILLE
OKLAHOMA

Mr. Russell Davis
Chairman of the Bartlesville
Public Library Board

Dear Mr. Davis:

In reply to your telephone inquiry regarding the submission of the Library Board report to the Board of Commissioners, it is the consensus of the Board of Commissioners that there should be a report made in April even though it is not a complete report and may be considered only a progress report.

It is suggested that this report cover the general operation of the library and an appraisal of the contents. It is also suggested that a reference to the library catalog and specific reference to such items shown in the catalog and other publications as have been called to your attention as might be considered of questionable character having subversive characteristics.

It is not the intention of the Board of Commissioners to dictate or limit the scope of any investigation which is deemed desirable by the Library Board.

Trusting that this is the information which you desire,
I am

Yours very truly,

DON V. PURINGTON
