Girard, Kansas.

Dear Sir:-

At the suggestion of Mr. Robert S. Tiernan of this city,
I am inclosing you a copy of a letter that I have just received
from Mr. E. T. Merideth.

For some time we have been wondering here, if there had
been any decision made between the contesting routes between
Kansas City and Joplin. So, some time ago I wrote Mr. Merideth in
regard to this matter. You will note in his letter that he suggests
that this matter be taken up with the Kansas Directors and find out
what their wishes are in regard to it.

I would be glad to hear from you in regard to this
proposition.

Very truly yours,

CHAMBER OF COMMERCE.

HAR Russell
Acting Secretary.
