This edition of The Collegio is devoted to the memory of the College's first real president, William A. Brandenburg. It is an attempt to record the leading facts of his career and to show the place he held in the esteem and affection of his colleagues, educators over the nation, and persons prominent in civic and state affairs.

Any such attempt, as those responsible for it feel, is sadly inadequate. Suffice it to say that if this edition of The Collegio is treasured in later years by those who receive it, its immediate purpose will have been in part achieved.
