Mr. Carson J. Robison
Pleasant Valley, N. Y.

Dear Sir:

We just received our samples of your album M-G-M L-13. I think that is very good and it is just what all the customers in our territory have been calling and waiting for. Square dancing out here is going over great at the present time and we should sell a lot of this album.

You might be interested to know that Cliff Rees who was our manager is no longer with our Company. He left approximately three months ago and went with Seagram Distillers as a promotion and contact man. Cliff was in the office yesterday and I showed him your letter, and I might add he was very well pleased and asked if he might have it after we were through with it. His comment on your album was, "Now you really have what the public has been asking for."

Your record #10541 "Settin' By The Fire" is running along in good shape. Maybe we will do just half as well as "Life Gits Tee-jus."

Thanks very much for your letter and the good job that you did on this album.

Yours very truly,

THE S. A. LONG COMPANY, INC.
