Dear Dr. Sperry:

I would appreciate receiving a copy of your paper "A Comparison of Mid-Winter Bird Census Methods in Southeastern Kansas", which appeared in Kansas Ornithological Society Bulletin 1:17-22, 1970.

Thank you very much.

Sincerely,

Stephen L. Gash, Ph.D.

Dear Steve:

I appreciated your request for a copy of my mid-winter bird census paper.

Unfortunately the editor muffed the reprint order on this paper and failed to make any copies available. I am peaved at him because of this. Sorry about that.

Your library can get Xerox copies of this through interlibrary loan. It's a bit of a bother, but it accomplishes the purpose.

It sounds as if you have an interesting location, and presumably some interesting studies in progress. I am glad to hear from you.

Best wishes,

*T. M. S.*
