## Senior Class History

The first day of September of 1924 found eighty passengers impatiently waiting to board the good ship C. H. S., which was to carry them over new and untried waters. They did not fear the voyage because they had faith and trust in their capable captain, Mr. Tewell. This was the same old ship that had carried many passengers safely to the Land of Great Wisdom, and its present passengers were proud to be aboard.

When time came for the eighty girls and boys to disembark for a short period of time, they felt that the greatest part of their journey was covered.

It was but a very short time until, alas, it was time to start on another lap of their voyage. This time upon the wharf stood but forty and seven passengers who were willing to board the good ship for the second time. This trip was a very pleasant one. When the girls and boys were upon the deck they greeted their new captain, Mr. Popkins, with wide-stretched arms. One night after the ship was well under way the passengers decided they would like to give a party, so on the fourteenth night of February they gave one and called it a Valentine Party. Everyone enjoyed it very much. The ship sailed on and on, with an occasional gathering of time it would not be so crowded because, only thirty and four passengers another short rest.

The first Monday of September of 1926 the same good old ship that had started with eighty, made ready to start on its journey once again. This time it would not be so crowded because, only thirty and four passengers were ready to step aboard. Once more they faced Captain Popkins with joy in their hearts because they were sure their voyage would be a successful one. They had sailed for many days when they decided to give a feast in honor of the passengers who had been aboard one year longer than they. This feast they called the Junior-Senior banquet. In a few more days once again the time dawned for the good ship to anchor and give its passengers a chance to explore the fields of vacation.

After exploring a brief period of time, the ship made preparations to fare forth on its last stretch of journey for the thirty and nine passengers who were still willing to continue the voyage.

Soon after they had sailed out into the waters for the last time they decided they should have some kind of an emblem to show that they had been faithful to the journey's end. They assembled together and decided upon pins and rings for this purpose.

Just before the good ship was ready to be anchored once more the passengers known as Juniors gave a feast for the passengers who had been the first to board the ship, and a feast it was! They called it the Junior-Senior banquet as had they the year preceding.

A few days passed then lo and behold! the Seniors sighted land! The good ship plowed for the shore where the passengers might land. As they passed off the ship their good captain gave each a small booklet, which they found by examining, to be a diploma, which showed they had faithfully and successfully made the long, long journey and were ready to leave this good and faithful ship for another.

## Senior Class Prophecy

Being a buyer for the largest millinery house in New York, I find much time to travel.

Just recently I made a trip to Paris, and whom should I meet on the boat but Evelyn Truskett? Evelyn had been graduated from K. U. and as a gift her father was taking her to Paris. She said she intended to marry the Prince of Wales, but that any one with a title would do, if she couldn't get the Prince.

Suddenly we were interrupted by a steward, and to our surprise it was Jesse Wilson. He had a telegram for me. Opening it, I found it was from my old friend, Jewel. She had just married a boy that used to drive a bakery wagon in Caney, but now he owns a bakery.

Evelyn then told me that Viola Eagen and Allen Mills were married and living in Tyro, where Allen was athletic director in the high school.

I picked up a famous New York paper and, as I had already known, it was edited by Laudine Dobson. They say that Laudine likes the position but that she is thinking of running for president. In the paper I noticed that Guy Dow, now Governor of Kansas, and his secretary, Loran Davis, were touring the states. In the movie section of this paper I read that the famous movie actress, Charlise Bright, was elected "Miss California" and was going to Atlantic City to try to be "Miss America." Also that the world's most famous comedian, William Wilson, was seriously injured, for his co-star, Kathryn Essner, had hit him accidentally, with a brick, instead of the usual custard.

Well, we finally landed in Paris. There seemed to be excitement every where and, as we later found out, Louise Dougherty was making her debut with the Metropolitan Opera Company.

Of course we attended the opera but we saw no one we knew. We went back stage and Louise was glad to see us. She told us that Dorothy Townsell had started to college but didn't like it, so was operating a beauty parlor in Kansas City. Then she said that Erma Criss had become interested in the cream and poultry business, that she had bought her dad's part, and she was shipping as far as Chicago.

I asked Louise if she knew where Gaines Baker and Cecil Soden were. She said that Gaines was so interested in secretarial work that he was now secretary to the president and that Cecil had been recently elected the most handsome man at Harvard, and was looking forward to a contract in Hollywood.

I was suddenly called back to America. The Captain of the returning boat was Harry Winkler. He said that Harold was teaching school in Tulsa and liked it very much. Harry also told me that the chef on the boat was Chester Hoffman. I asked him if he knew where Opal Sell and Treva Holeman were. He told me that he thought they were running a dress-making house in Joplin.

When I arrived home I found a letter awaiting me. It was from Elsie Martin. She said that she had been teaching school but had decided to marry Deryl Pendleton, so they were running a store in Peru. John Lewis, so she heard, was working as a floor-walker in a department store owned by Imogene Jarvis.

After a lull in business I came to Caney. When I stepped off the train, whom should I see but Lena Shelton, who was the ticket agent. I found out that Mary Partridge was telegraph operator in Dewey.

After dinner, I went riding with Sam Hardman, who was the only real estate dealer in Caney. While riding I saw a man dressed in typical cowboy fashion. As you have already guessed, it was Ivan Barnett. He owned the largest farm in the state. I asked Sam what had become of Alma Bennett and Irene Hays. He said that they were directors of physical education in some school in Colorado. Then he told me that Wayne Bradford and Leonal Wilson were going to fly around the world. Wayne was an excellent aviator and when the weather permitted they were going to go.

Returning home we went to Sam's house and I met his wife who was formerly Geneva Jordan. We went to the show and the ticket seller was Ellen Clawson and the ushers were Nellie Wilson and Evelyn Holeman. In the audience I saw Thomas Friedline. Geneva told me that he was attending K. S. A. C. After the show we went to the confectionery. Whom should the waitresses be but Freada Fecht and Grace Courtney? Then I met the owner who was Mabel Sell. I talked to her a while and she said Irma Stoy Chamberlain was still going to college but was going to keep house for her husband when she was graduated. I asked what had become of William Noah. They said he was the town's best mechanic, and he could be found going to Havana almost any evening.

Well, I went home knowing what each member of the class of '28 was doing. All of them were enjoying life but I could hardly help wishing that we were back at school again.

—L. P. V. A.

## Synopsis of the Log of Caney High Airship "Junior"

When the members of the former steam ship "Sophomore" met for their annual voyage it was decided that Navigation was far too slow for such an industrious group. Everyone agreed to resort to Aviation. A large passenger Airship was acquired.

At 8:20, September 5, the "Junior" took off in charge of: Richard Hale, pilot; May Lambiotte, navigator; Charles Brown, mechanic, and Mrs. Thompson, Mrs. Tayman, and Miss Hunt, joint-commanders.

The members of this crew won over all the other crews in the "Nake-nak" Contest.

All of the passengers attended the many social activities, of which one of the most important was that of the "All School" party. At a Hallowe'en party our crew entertained the officers and members of the crew of the "Senior."

The "Junior" carried many distinguished passengers.

They had a larger number of football lettermen than any other airship. These were eight in number. Four others of our passengers were one the all-fleet football squad. They were well represented in basketball and all other activities.

The two members of the Pepperettes were Virginia Daniels and May Lambiotte.

Many of the passengers were members of the orchestra and band.

Anna Leach and Kathryn Delap were officers of the Playmaker Club.

Four of the passengers were members of the Girl Reserve Cabinet: Merna Muir, Frances Liberman, Mary Partridge and Lillian Lewis. Frances Liberman and Lillian Lewis attended the G. R. Conference.

Three of the passengers were officers of the Hi-Y: Raymond Dehon, Edward Dougherty and Charles Pocock.

Margaret Gibbs was the President of the Latin Club.

Several of our passengers were principal characters in the fleet's operetta, "The Belle of Barcelona". They were: Anna Leach, Theyman Maze, Charles Brown, Richard Hale and Novella Johnson, accompanist. Anna Leach and Merna Muir were members of the Girls Quartet. Theyman Maze and Charles Brown held the lower part of the Boy's Quartet.

Our crew was always right, but whenever in doubt Evelyn Truskett and Richard Hale were ready to take part. They were the "Juniors" to make the All-Fleet Debate Team. If one of these had failed Frances Liberman was ready to show her talent.

Through many storms we pulled our ship, almost having to use the parachutes at times.

The rest of the trip was marked by unusually fair weather and smooth flying with the exception of severe storms in January and May during the examination periods. After the first storm a landing was made.

From the passenger-ship "Sophomore" we gained several new passengers and others of our ship were transferred to the "Senior."

On May 18, the trip of the "Junior" was ended. Because of her successful flight she was allowed to rest for three months while her crew and passengers separated for their summer holiday.

## Sophomore Class History

A glorious day in September, 1926, fifty-seven students entered Caney High School as Freshmen. Indeed we were teased and taunted by the stone-hearted upper-classmen. At the first of the year we organized our class and elected our first President, Dorris Pendleton. Under the successful leadership of our sponsors, Miss White, Miss Berger and Mr. Matthews, and our President, the Freshman Class made good.

September 5, 1927, forty Freshmen returned to Caney High to start a second nine months journey of learning. September 15, with the able assistance of Miss Berger, Miss Coon and Mr. Roberds, we organized the Sophomore Class of 1928. To lead us through the year of 1927-1928 we chose:

President	-----	Geneva Hale
Vice-President	-----	Charles Lingle
Secretary	-----	John Jarvis
Treasurer	-----	Orlena Bennett

Then we began our second year of work in C. H. S. as Sophomores.

The first social event of the year was the "All School Party" which every member enjoyed.

Eight members of the orchestra were Sophomores and eight played in the band.

Caney Valley Historical Society

In the inter-class debate we were represented by Dorris Pendleton and Cora Jean Hepner, negative, and Ruth Whitson, affirmative. Dorris Pendleton was a substitute for the debaters representing C. H. S.

The playmaker play, "The Dummy", was the next event of importance in Caney High and Cora Jean Hepner, a member of the Sophomore class, played the part of the nurse, Dorothy Burke.

In a short time the Music Department began work on the operetta, "The Belle of Barcelona", in which four Sophomores were in the cast and several were members of the choruses.

Dorris Pendleton, Geneva Hale and Cora Jean Hepner sang in the quartets.

The Sophomores entertained the students twice with assembly programs Karl Schraeder was Sophomore reporter on the Nakenak Staff.

On February fourteenth, books and lessons were laid aside and we had a Valentine Party which was enjoyed by everyone.

Cora Jean Hepner and Yvonne Lambiotte represented the Sophomores in the Pepperettes.

May 18, the Sophomores left C. H. S. to return next September as Juniors.

## Freshman Tribal Notes

In the year of our Lord, nineteen hundred and twenty-seven, the month of September, on the fifth day, there came the Freshmen tribe to the plains of Caney for a brief sojourn in the study hall and recitation rooms.

We assembled to the main wigwam during the first of the term and chose our tribal officers—Donald Hansen, Great Chief; Woodrow Leach, Vice Chief; Helen Toner, Treasurer, and Dorothy Kuper, Secretary.

Mr. Haymaker, Coach Hill and Miss Boyd were selected as our advisors.

We have proudly borne our tribal banners of red and blue—bravery and truth. You will find members of our tribe represented in Band, Orchestra, Debating, Chorus, Football and Basketball. We sing, read, play and war whoop for our tribe.

In spite of the aminos predictions of the tribes of Sophomores, Juniors and Seniors we have so courageously and joyously conquered, that only three members hath deserted us for the haunts from which they hath come.

We expect to visit our former haunts a few months more, and we hope, in our field of learning, to be prepared to win even greater honors as Sophomores.

When Caney High secured **COACH HILL** to coach the Athletic team representing Caney High they secured a man who placed his heart and soul into the athletic department. His ideals are well known to all athletics and his stand on clean playing and good sportmanship in games is to be commended.

Hill is an athlete himself having won several letters at the Kansas State Teachers College at Pittsburg from which he is a graduate.

**FIRMIN LATINIS** worked at forward for his first year for Caney High. His speed and offensive playing caused much comment on the side lines this year. Firmin was the only Caney man on the First All Valley team and he also made the All District Team. We are glad that Firmin has one more year to play for Caney.

**LEO MARTIN** played his second year for Caney. He is a Junior and we are glad that he will be back next year. He looked good at forward this year and his excellent goal shooting, fast floor play gave him a place on the Second All Valley Team. Leo should develop into a star by next year.

Fifty-five

**GAINES BAKER** played his last year for Caney at Center. In spite of his size Gaines was one of the fastest centers in the Valley. His defensive work and his scoring ability made him an important factor in every game. Graduation takes Gaines from Caney High School leaving his position hard to fill.

**CECIL SODEN** has played his second year for Caney High. Cecil is a steady and consistent player. His speed and defensive playing and goal shooting ability won him a name through the Valley. Cecil made the Second All Valley and he also made the First All District team. We are sorry to lose him this year.

**JESS HAVENER**, a Junior, starred at guard throughout the season. Jess' floor work and his well known scrappiness made him a guard hard to beat. He is an accurate shot, and his long shots scored many a point to our credit and gave him a place on the Second All District Team. Jess will be back next year.

**HARRY HASSARD** looked good at forward his first year and will be back next year. Although he was not one of the regulars he played enough to get a letter. His speed and fast floor work and the ability to shoot goals made him a valuable man. Harry should develop into a star by next year.

Fifty-six

**CHARLES BROWN**, a Junior, played his second year for Caney, subbing the forward position during the past season. He was a fast offensive man and could be depended on to do his part when in a game. Charles will be back with us again next year.

**JOE MURPHY**, another Junior, played at center for his first year for Caney. Few times were his opponents able to get the tip from him. Although he was not one of the regulars he played enough to get a letter. Joe will be back with us again next year.

**EVERETT DOSS**, another Junior, subbed the guard position, playing enough to get a letter. Everetts floor work and goal shooting made him a valuable man. We are all glad that Everett has one more year to play for Caney High.

**IVAN BARNETT**, one of the new players for Caney, played the guard position. Although he was not one of the regulars he played enough to get a letter, and showed up well. Graduation takes Ivan from Caney High School and leaves the position hard to fill.

COACH HILL returned to Caney High again to Coach athletics, and made his call for material on September 7th. The last years letter men were Latinis, Brown, Baker, Havener, Kannard, Martin, and Soden. Hill was liked by all of the boys who worked under him as he taught them the meaning of selfsacrifice, team work and sportsmanship. He had one of the cleanest teams in the valley.

**GAINES BAKER (Capt.)**  
Weight 167                      Height 6' 0"

Gaines made a fine Captain, and he was liked by every one on the squad. Gaines was a sure tackler and a heavy center. An accurate passer and a wizard at backing up the line made Gaines the position at center on the All Valley First Team. His place will be missed a great deal next year.

**FIRMIN LATINIS**  
Weight 139                      Height 5' 7"

Firmin has played three years for Caney at Quarter-back. Running the team with such skill and ease makes him one of the best backs in the valley. Firmin made Second All Valley Team. He will again fill this position next year.

**LEO MARTIN**  
Weight 137                      Height 5' 7"

This is Chief's second year on the team. His running interference and ball lugging made him a valuable man. Chief was out of five games with a broken collar bone but he will be back again next year with the same old fighting spirit.

Fifty-nine

**WILLIAM WILSON**  
Weight 165\_ Height 5' 9"

Bill played his first year for Caney as a regular, subbing the year before. Bill played a great game all through the season. He was a clean sport and a hard fighter. He will be missed a great deal next year.

**CHARLES BROWN**

Charles played his second year for Caney. Charles is an end that is hard to get around and Caney will be glad that he has one more year to play football. He was also a very valuable man when put in the backfield.

**HARRY HASSARD**  
Weight 132 Height 5' 3"

Hassard is one of the new players coming from Mound Valley. He wasn't here at the start of the season but came out and made a good showing. Injuries kept him out most of the season. He will be with us next year.

**JOHN LEWIS**  
Weight 143 Height 5' 8"

John played his first year for Caney at end. His defensive game could not be excelled. He graduates and Caney is looking for a good right end to fill his place.

Sixty

**CECIL SODEN**  
Weight 154      Height 5' 8"

Cecil has played two years at right tackle always filling his position in the best of manner. His defense work was out-standing. Cecil made Second All Valley Team. He will graduate this year, and his work on the line will be greatly missed.

**DON THRASHER**  
Weight 200      Height 6' 0"

Don, one of Coffeyville's best players, enrolled in C. H. S. Don played six games with us. He was one of the best full backs in the valley good on offense and defense. Don left us before the Cherryvale game. He was greatly missed by his team mates.

**BEN MCINROY**  
Weight 130      Height 5' 5"

Ben showed good form throughout the season at half back. Although this is Ben's first year in the backfield he did fine work and could always be depended upon for his share of the gains. Ben will be with us again next year.

**JESS HAVENER**  
Weight 165      Height 5' 10"

Jess, a two letter man, was a reliable and steady guard, he always made a hole when the play came his way. Jess was also a very valuable man when brought back in the backfield. We are glad that he has one more year to play.

Sixty-one

Weight 125      **GUY DOW**      Height 5' 7"

Dow starred at end his first year for Caney. He always had his eye open for fumbled balls which accounted for many gains. Dow graduates and will be greatly missed.

Weight 159      **THAYMAN MAZE**      Height 5' 8"

Mazy played his first year for Caney. He was a reliable and steady guard. Mazy was a hard man to move out of his position. We are all glad that he has two more years to play for Caney.

Caney Valley Historical Society

Weight 150      **WAYNE BRADFORD**      Height 6' 0"

Bradford played his first year for Caney and he never failed to get his man. Whenever the opponents tried to make a gain on either side of him they found a stone wall. This is Bradford's last year and he will be greatly missed next year.

Weight 154      **MERLE KANNARD**      Height 5' 9"

Merle played his second year at tackle for Caney. Merle showed good work both of offense and defense. He played a stellar game in the line always making a hole when necessary. The team will miss him very much next year.

Margarita de Montero, the daughter of a wealthy plantation owner, while touring the United States with her parents meets Lieutenant Wright. It is a case of "Love at First Sight," the courtship is interrupted by Margarita's unexpected return to Spain.

Lieutenant Wright comes to Barcelona as custom inspector, where he and Margarita meet, and renew the courtship. Wright learns she is engaged to a Spanish Nobleman much against his will. Wright with the aid of friends, reveals that certain alleged conditions at the custom house have been caused by the nobleman. The nobleman pleads for mercy from Margarita's parents, which is granted after a promise to release Margarita from the engagement.

All ends well as wedding bells proclaim Margarita's engagement to Lieutenant Wright.

## The High School Band

The band has increased in membership from twenty-four in 1927 to thirty-four in 1928.

Many new pieces of music were purchased this year and with the addition of new instruments much progress has been made in band work during the year.

The band has appeared in public several times during the year and was the source of much of the pep displayed during the basket ball games of the winter. Many words of praise have been given the organization and its leader Mr. J. R. Popkins.

Mr. Popkins has spent many extra hours in band instruction during his years in Caney and although the present organization is not perfect it is proof that Caney High may have a musical organization of which it may be proud in years to come.

### "THE DUMMY"

The Playmaker Play was presented on the night of December 9, in the high school auditorium. It was a mystery play in which the electric lights mysteriously went off and on, a five thousand dollar diamond disappeared, the "Dummy" was suspected of the theft, but Hedges and Miss Burke were found guilty, and the supposedly deaf and dumb secretary became the Walton's son-in-law.

The Cast showed excellent talent, and the play under the able supervision of Mrs. Tayman, met the approval of the audience and public in general.

### “Miss Patricia”

Pat Sullivan Jr., who is supposedly a murderer, seeks refuge from the police with the help of Mrs. Willis, his aunt.

He is disguised as a lady. Ruth Elliott, Willis' ward and Pat's sweetheart, comes home unexpectedly for a visit. A group of friends come in for a party. Wade, one of the guests, who believes himself to be the murderer, falls in love with Pat who is going by the name of Patricia. Wade confesses that he is the murderer, but Patterson the detective reveals the fact that the valet is found guilty of the murder, and that it was the valet whom Wade stabbed.

Pat then reveals his identity, and the fact that all the male sex have been making love to him. As the curtain falls Pat takes Ruth into his arms.

Spatts, the detective's assistants, adds humor and wit to the entire play.

Under the able direction and untiring efforts of Mrs. Tayman the play was a great success. It was one of the cleverest plays ever presented in Caney.
