## Third Annual Educational Exposition

Illustrating the Arts, Industries, Professions and Business  
Occupations of Colored Women.

*Wednesday and Thursday, December 17 & 18, 1930*

FROM ONE TO TEN P. M.

The purpose of this exposition to educate the public concerning the occupational enterprises of colored women so that such enterprises may gain greater appreciation, patronage and support and second, to inform young women concerning opportunities in vocational and avocational fields. The response of the public to the exhibits held in 1928 and 1929 made it evident that these educational, advertising and values were being widely recognized.
