Sec. L.U. 2397  
Mulberry, Kansas

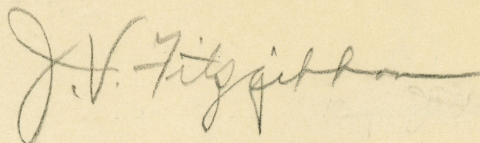

Dear Sir and Brother: -

I am enclosing, herewith, statement of evidence presented before the Joint Board session that heard the case of Walter Gerren, in support of his claim. Also, find enclosed, copy of my brief to the Interstate Joint Commission which was presented in support of his demands, after the same had been disagreed on by the Joint Board.

I would appreciate very much if you will take the trouble to read the contents of these documents before your membership. It is my purpose to keep them in touch, as closely as possible with my activities in prosecuting their claims in the courts of our working Agreement.

In conclusion, it is needless to say that I am very much disappointed in the decision handed down by Johnson and White, dealing with Walter Gerren's case.

Yours fraternally,

Joint Board Member
