Academic Regalia

Since the regalia used in colleges and universities for academic occasions may not always be understood by visitors to a campus, the following information will explain the items of apparel.

Everyone possessing a college degree is entitled to wear a black robe on appropriate occasions. Faculty members and candidates for graduate degrees wear hoods in addition to the gown. Hoods are generally black, trimmed with velvet in the color of the subject field, and are lined with the colors of the college or university conferring the degree.

The correct colors to denote various branches of learning have been established by the Intercollegiate Code: Arts and Letters: White; Commerce and Business Administration: Drab; Education: Light Blue; Fine Arts: Brown; Library Science: Lemon; Music: Pink; Philosophy: Blue; Physical Education: Sage Green; Science: Gold-Yellow; Law: Purple.
