Dear Gene: did anyone ever tell
you that you are not much fun
as a correspondent? Well, con-
sider yourself told.

I have my book now & I am
very pleased with it, they did
a beautiful job, if I can say
that of my own book. You should
be getting some within a week
I hope.

I have moved to the country;
a farm ten miles out, and very
lovely. (same mailing address)
I know you're busy, I just get
paranoid and wonder if I have
unwittingly offended you in
some way. I hope not.
