The 1958 Gorilla football team is playing its first home game of the 1958 season. After last years great season of 11 wins and no defeats, which won them the National Championship for Small Colleges, the Gorillas will be trying to lengthen their winning string to 14 games.

Already this year in the first game played last week at Kirksville, Mo., the team came from behind in the second half to win 21-12 which kept their winning string alive.

This Springfield, Mo., team which the Gorillas are playing tonight lost to St. Benedict's last week by a score of 25-21. In pre-season predictions this year CIC conference race should be between Pittsburg and St. Benedict's. The results of this game could possibly predict the final standing in the CIC race.

In 29 previous meetings between these two teams, Pittsburg has won 17, lost 11, and tied 1. Last years score was 13-0 with Pittsburg on top. Next week the Smithmen travel to Warrensburg to meet the Mules in a Friday game.

In judging a modern filter cigarette...

ITS WHATS UP FRONT THAT COUNTS

"Winston has got it," says Garry Moore, "because Winston's got a secret! It's Filter-Blend —fine, mild tobaccos specially processed for filter smoking!"

"A cigarette without flavor is like a world without women. Who wants it?" says the star of Winston's television hit, "I've Got a Secret!". "After all, if you don't get flavor . . . you're missing the whole idea of smoking!

"Winston has got flavor! Because up ahead of Winston's pure modern filter is Filter-Blend—a Winston exclusive! This secret—Filter-Blend—is what makes Winston America's best-tasting filter cigarette. Try Winston!"

America's best-selling filter cigarette!
