Dear Sir and Brother: -

In regards to the yardage case of Wm. Curry, which was driven by another man when his smoke room was stopped, beg to advise that this case was referred to the Operators' Association, and the miners representing Brother Curry in the capacity of Board Members.

The miners referred to in my former report to your Local Union, were the miners representing Wm. Curry on the Joint Board, in this case.

I have dropped this case, as one of the members on the Joint Board voting for the miners, because as I stated in my former report, I considered it useless to refer this case to Mr. John P. White and Johnson, and the claim for yardage of Brother Curry in this smoke room is definitely closed by agreement of the Operators' Commissioner and Board Members.

Faternally yours,

Board Member
