Mr. Carson J. Robison
Pleasant Valley, New York

Dear Carson:

Received your letter of October 12 and wish you would accept my apologies and also Herman's for not writing to you since your last visit in our town. I wish to mention that the cooperation that you gave us at that time was the finest that we have ever had from any M-G-M artist appearing in Baltimore, and wish to take this opportunity to thank you on behalf of Gimbel Brothers, Inc. to thank you for coming down and spending a couple of days with us. I certainly hope that we may have the privilege of seeing you again in the near future.

I can assure you that it was just an oversight on our part for not writing, and believe me, there are no hard feelings between any of us at all.

Your record of #10541 is moving fairly well, but still might say that "Life Gets Teejus" is still selling. Your Square Dance album of L13 is moving along wonderfully and in fact, just had to place a new order at the plant. Your album of Square Dances on M-G-M 5 is moving fine and will do everything in our power to keep your records rolling.

Again, I wish to thank you for your letter and anything that you might want to know, don't hesitate to write us.

Very truly yours,

GIMBEL BROTHERS, INC.

James B. Klompus
