### HOME GAMES

Pittsburg 26	Warrensburg 27
Oct. 10	St. Benedicts
Oct. 17	Ft. Hays
Nov. 7	Omaha University

### ROAD GAMES

Pittsburg 18	Springfield 7
Pittsburg 7	Rolla 20
Oct. 24	Washburn University
Oct. 31	Emporia State
Nov. 14	Tahlequah

Tonight's contest marks the opening of the CIC conference season for both squads. Carnie Smith's team is still smarting from the 20-7 defeat handed them last week at Rolla, leaving the Gorillas with a 1-2 record for the season thus far. The Ravens have a 1-3 record this year, the only victory being a 7-6 contest against St. Ambrose. The Atchison team ended its regular season undefeated last year only to lose to Northeast Oklahoma State at Tulsa in the semi-finals play-off for the NAIA championship which the Redmen from Tahlequah won.

Tonight's game should be a thrilling one. The Ravens have always brought their team to full fighting potential against Pitt State. Led by outstanding lineman Frances Leikam and half-back Allan Lewis, the Ravens have all it takes to be conference champions. Lewis has been in the top ten in individual NAIA statistics for rushing for the last three weeks. In addition, Coach Ivan Schottel's squad has 24 returning lettermen giving adequate depth to most positions.

The Gorillas expect to hail the return of their number one quarterback, Sam Carter, in tonight's contest. This will allow Smith to move Phil Vogrin to inside linebacker position, a spot which has needed strengthening in the two defeats suffered this year. Carter is rated a smart field general and the teams' best passer. It is expected that Ray Laing, who has been out all year with a knee injury, will return to take on the important corner linebacking slot, another position which has lacked depth and experience.

The team coming out with a victory will automatically become conference co-favorite with Ft. Hays State.

### WELCOME JUNIORS-SENIORS

A special welcome to all high school juniors, seniors, parents and sponsors who are guests of the College this evening. We want you to feel that this is "your" college. Juniors and seniors, we are anxious to help you further your careers after graduation from high school and offer guidance and information in any field in which you are interested. Feel free to contact the Registrar's office or the office of Public Information.

### CHEERLEADERS MEET FOR CLINIC

High school cheerleaders of the area held a cheerleader's clinic at the College gymnasium from 6:30—7:30 p.m. preceding the game. The Pitt Peppers and the College cheerleaders sponsored the event which is expected to become an annual one. After the clinic, they will lead cheers for the 3000 students in the East Stadium.

## NEW "GOLD AND CRIMSON"

The Booster is presenting the words to the new Alma Mater song, "Gold and Crimson" for the benefit of Alumni and fans who have not had the opportunity to sing or hear the revised version.

With the change of name from Kansas State Teachers College of Pittsburg to Kansas State College of Pittsburg, it was necessary for the song revision. Professor Markwood Holmes of the Music department, at the suggestion of President Axe, retired to his studio and proceeded with the composition which retains the meter and sentiment of the former Alma Mater written by Lena Martin Smith.

### GOLD AND CRIMSON

Lena Martin Smith      Markwood Holmes

On the plains of Southeast Kansas,  
 'Neath an ever cloudless sky,  
 Far away from surging ocean,  
 And the storbird's plaintive cry;  
 With her prairies rolling Westward,  
 Where the Redmen once roamed free,  
 With her ensign proudly waving,  
 Stands our own K. S. C.

#### Chorus

Let us greet the Gold and Crimson,  
 With a strong and cordial cheer;  
 Let our hearts be ever loyal,  
 To our Alma Mater dear.  
 We her faithful sons and daughters,  
 For our college proudly stand,  
 May we ever sing her praises,  
 Let them ring throughout the land;  
 We will hold aloft her banner,  
 Loyal and true we'll always be,  
 To our school and to her colors,  
 Hail to thee, K. S. C.

HERE!

If you're a Winston smoker, you *know* that the big difference in filter smoking is *ahead* of the filter. It's FILTER-BLEND, the Winston secret of tobaccos specially selected and specially processed for *filter smoking*. FILTER-BLEND up front is a mighty good reason for *anybody* to smoke Winston.
