# Background

Virtual Art Exhibits, or Art without Walls, are becoming more common in museums. Working with the PSU Art Department, we sought a way to duplicate this for PSU students.

## Goals

- Connecting to students in online classes
- Building students' portfolios
- Additional opportunity to exhibit

## Literature Review and References

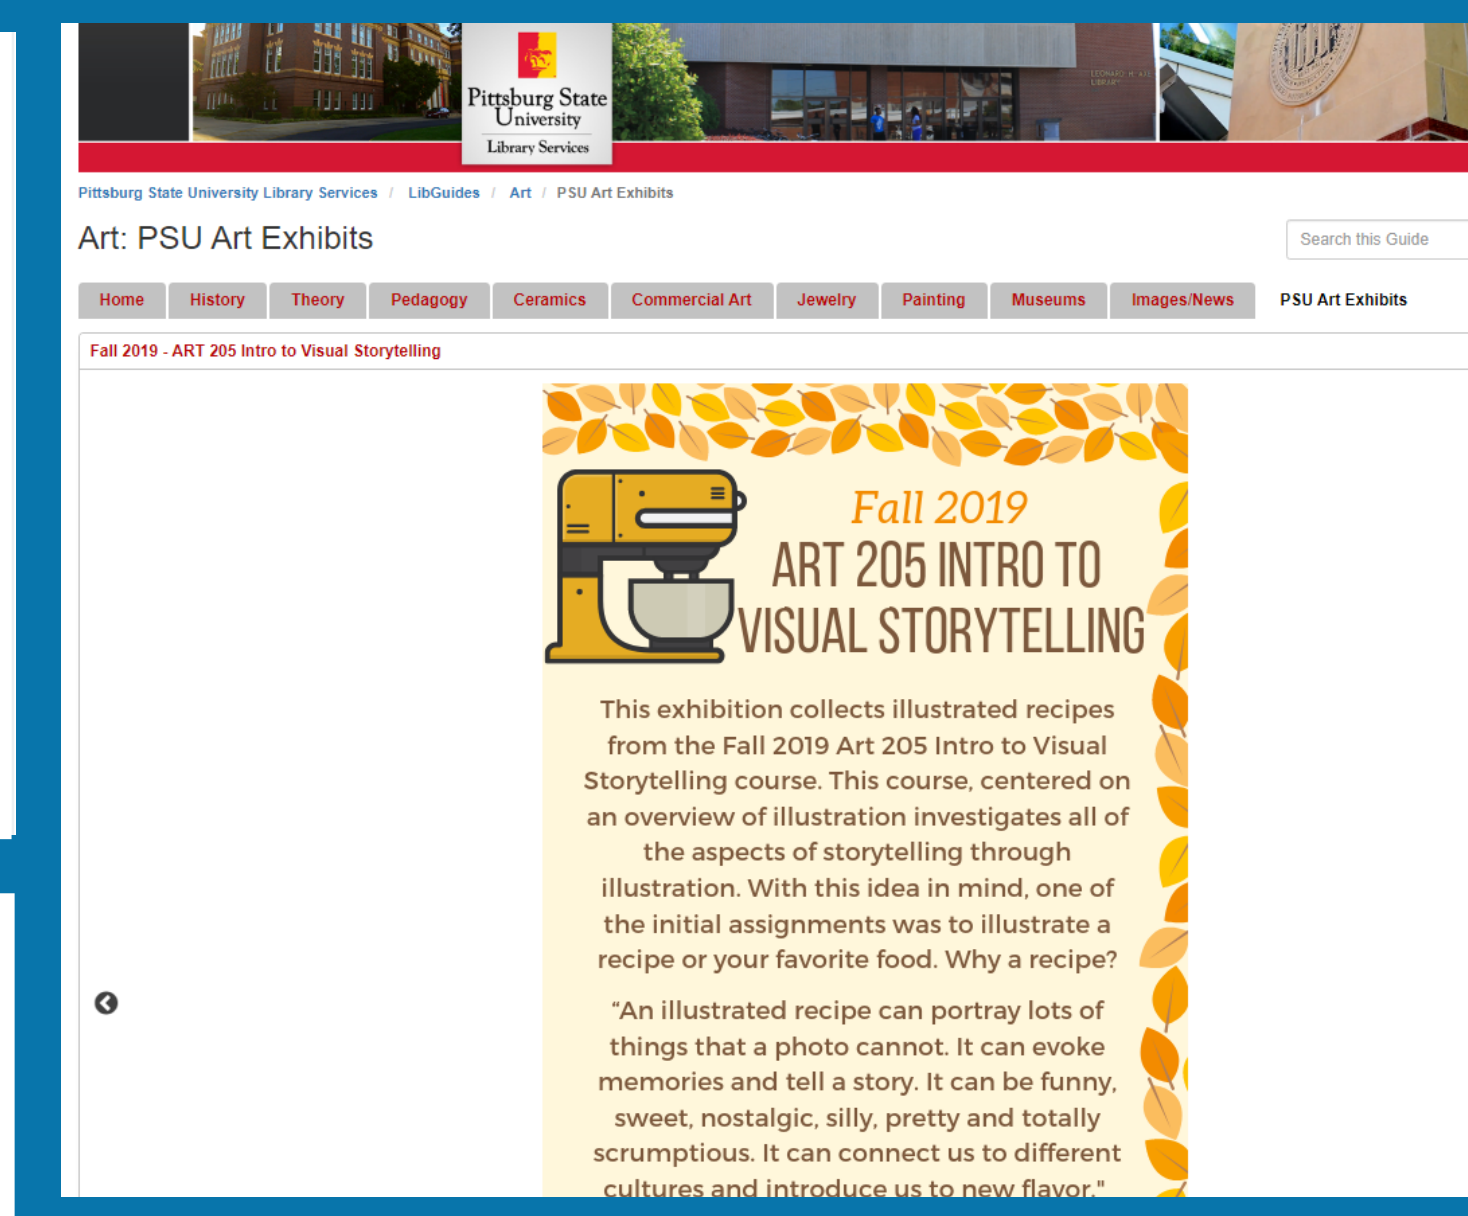

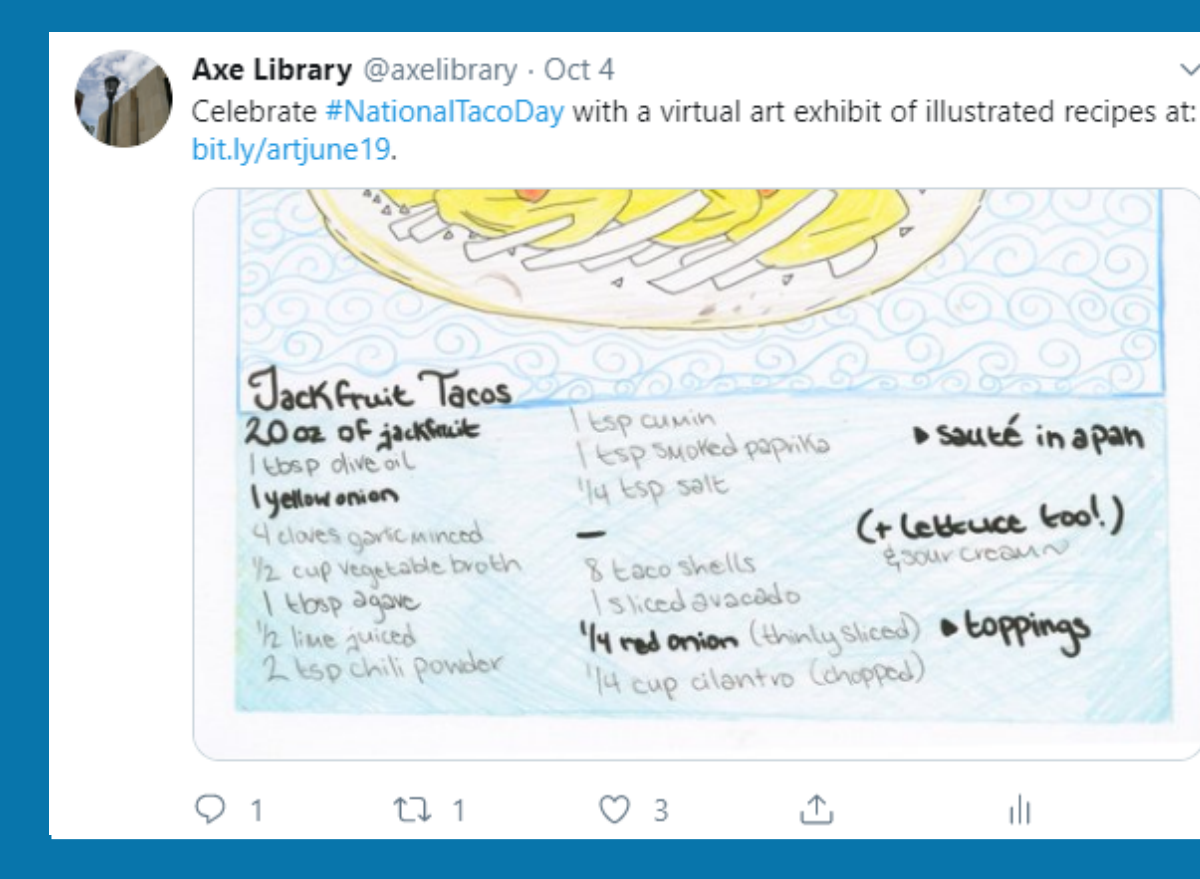

# Art Without Walls

**Ruth Monnier**  
**Pittsburg State University**

620.235.4885

## Process

- Meet with Art Department
- Determine hosting site and Creative Commons license
- Students submit work and gallery tag
- Art Professor delivers exhibit statement and student work
- Librarian curates the exhibit
- Publish and promote the exhibit

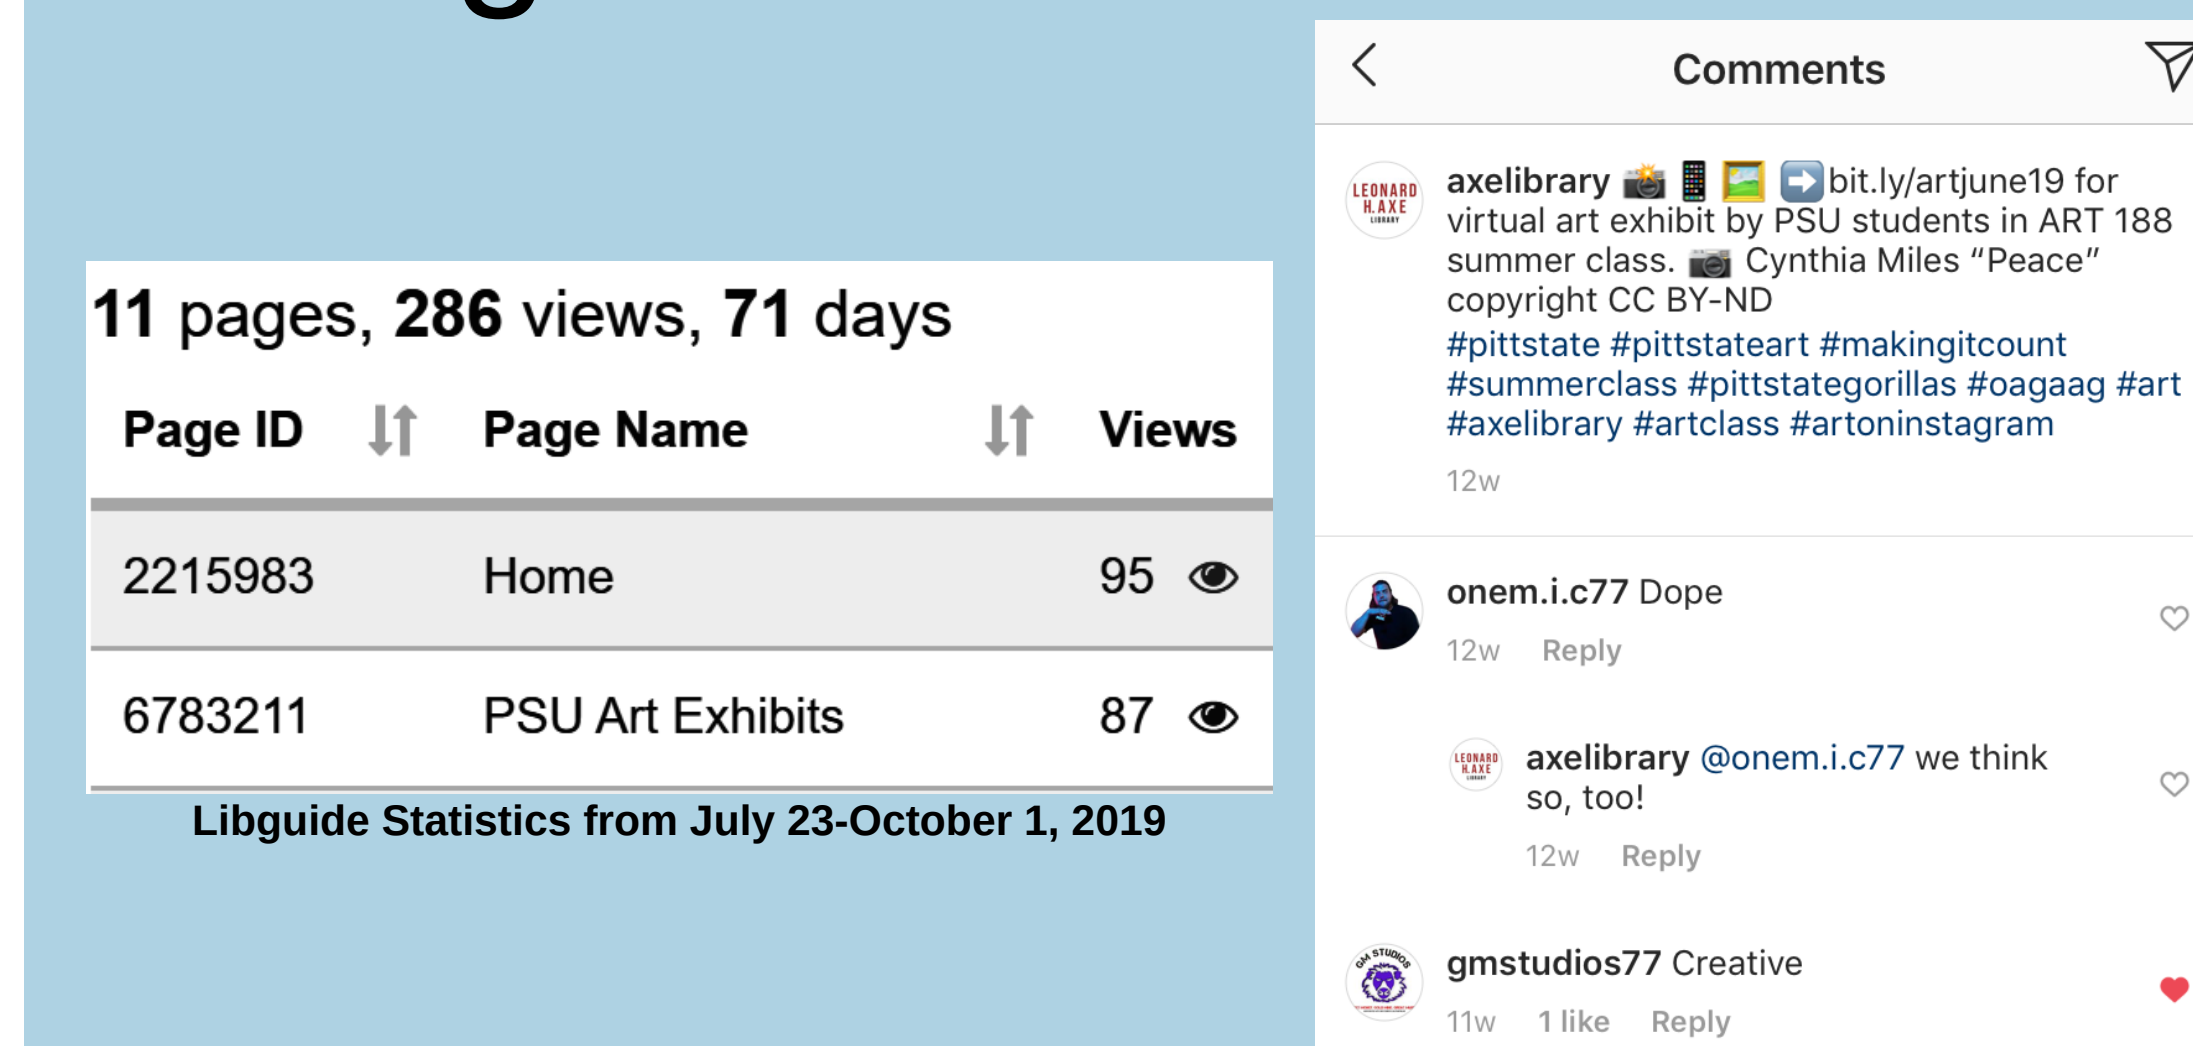

## Challenges

- Potential Hosting Sites
  - **Curat10n**- pricing starts at \$760 and is an interactive experience
  - **Exhibit**- monthly fee of \$15 and visually looks like a museum
  - **Libguides** - free and less of a gallery appearance
- Creative Commons Copyright License

## Successes

- Summer 2019 - Art 188 Designed World was viewed 87 times from Jul.23-Oct.1 according to Libguide statistics

- Non-art majors exhibited
- Viewership from: bit.ly/artjune19
  - Locations: United States - 54; France - 4; Germany - 4
  - Referrers: Email, SMS, direct - 44, Facebook - 16, Twitter - 2

## Moving Forward

- Future exhibits from campus partners
- Curation by art students
- More immersive or gallery-like hosting site
