My dear Mrs. Woodruff:

We have been advised by Mr. Schoolman,  
the Business Manager of Soviet Russia Today, that you are the  
donor of the gift subscription expiring December, 1950 of  
this magazine which is being received by the Bartlesville Free  
Public Library.

Naturally this kind of attention always  
interests us very much and I am wondering if you will not write  
me telling how you happened to select us, and if there is some  
special reason for your gift and the interest you have shown in  
us?

Sincerely yours,

---

R. W. Davis, Chairman of Board of  
Bartlesville Free Public Library.
