## Academic Distinction

Students who are graduating with the Scholastic Honors summa cum laude, magna cum laude or cum laude are designated by ribbons worn around the neck. Red represents summa cum laude; green represents magna cum laude; white represents cum laude.

Students who have participated in the Departmental Honors Program and are graduating With Honors are designated by gold cordings worn around the neck.

The baccalaureate degree student(s) who is (are) graduating with the highest cumulative grade point average in each school will march with the banner that announces the graduates of the school.

## Academic Regalia

Since the regalia used in colleges and universities for academic occasions may not always be understood by visitors to a campus, the following information concerning the items of apparel is given.

Recipients of Associate degrees wear gray robes.

Everyone possessing a college degree is entitled to wear a black robe on appropriate occasions. Faculty members and candidates for graduate degrees wear hoods in addition to the gown. Hoods are generally black, trimmed with velvet in the color of the subject field, and are lined with the colors of the college or university conferring the degree.

The correct colors to denote various branches of learning have been established by the Intercollegiate Code: Arts and Letters: White; Commerce and Business Administration: Sapphire Blue; Education: Light Blue; Fine Arts: Brown; Home Economics: Maroon; Library Science: Lemon; Music: Pink; Nursing: Apricot; Philosophy: Blue; Physical Education: Sage Green; Science: Gold-Yellow; Social Work: Citron; Speech: Silver Gray; Law: Purple; General Studies: Black.
