Mr. Carson J. Robison
Pleasant Valley
New York

Dear Mr. Robison:

Thank you for your very nice letter of March 23rd. Natt is no longer with M-G-M Records, and I am taking the liberty of replying instead.

We like your new "More and More Tee-Jus" very much and have great hopes for it, of course. It is much too early yet, to tell whether it will do another land office business for us or not -- we certainly hope so. The public will either love it more than "Tee-Jus" or will feel that it is perhaps too much the same. We have hopes for the former theory.

I'm getting the record over to Randy Blake, who can make it a sensation if anyone can. If you wish, perhaps you might write him a little note, and I'm sure he would be pleased. His address is:

Mr. Randy Blake
Radio Station WJJD
230 N. Michigan Ave.
Chicago, Illinois

He is really our "King" of D.J's in the folk song field, and I know the name must be familiar to you.

From my own personal angle, I think I like "Don't Make Sense" best. At any rate, it will be interesting to see which side the public will go for.

Best of luck and good wishes,

Sincerely,

ZENITH RADIO DISTRIBUTING CORP.
