INSPIRATION

Our single aim—to hold a mirror to Caney High School life for the 1953-54 year so that the fun and frolic, woes and work, be made permanent to you.

Caney Valley Historical Society

Our single hope—that in years to come you may glance often in this book to recall these memories so dear to you.

Greetings:

It is always a pleasure to write a word of greeting for the Yearbook. The staff works long hours and gives much attention to the problem of publishing a book that is attractive, informative, and inclusive of all classes. A yearbook contains information which becomes of great value as the years go by. Memories are among our most pleasant possessions, particularly pleasant memories.

Therefore, "So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry slave at night,
Scourged to his dungeon, but sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams."

What a beautiful thought the poet has left us, and what beautiful memories we will have if we do SO LIVE.

May each of you treasure your book and your memories.
