Dear Sir: I thank you for your favor of June 17.

What I have done in the Jefferson Highway matter, has been chiefly for, and acting under the direction of, my brother, John O Morse, of Mound City, whom doubtless you know.

Anything farther which I can do to help prevent the manifestly unfair and harmful action which ~~the~~ some of the "bushwhacker" towns seem determined to take, I will be glad to do.

Yours truly

T.W. Morse
