OKLAHOMA'S GREATEST NEWSPAPER

TULSA DAILY WORLD

MORNING AND SUNDAY

TULSA, OKLAHOMA

July 4 1950

Mr. Russell W. Davis,  
Bartlesville, Okla.

Dear Mr. Davis:

I certainly appreciate your letter and copies of your files on the trouble your Library board has had in Bartlesville. Naturally, since you believe there is no need for a statement from the board at this time, we are not giving the matter any publicity, but I want you to know that if the time comes when you would prefer a statement in the World it's only necessary to send it to me.

Fortunately we've not bumped into a similar problem in Tulsa but it is always possible and, if it should happen, I'm sure that much of the material your board has taken so much trouble to dig up would be of great aid.

I can only say that I hope you can work the problem out satisfactorily for the best interests of your library. Our correspondent there seems to have given us no news on developments since the new ordinance became effective last Saturday and I am reluctant to ask him for it since, it seems, our reports on the library troubles have not been too accurate in the past.

Thanking you again for your trouble, I am,

Sincerely

Lee Erhard,  
Managing Editor
