Caney Valley Historical Society

*Dedicated to Yetta* - who nursed us, babied us,  
bullied us, and worked tirelessly for us during our high school  
years.

It is with a great deal of pleasure that I take pen in hand to write a few words of greeting to you as you open this book and turn the pages of the 1955 Caney High School Yearbook. I want to congratulate the young people and their sponsor who have put so many hours of labor into the formation of this book. It is a meritorious accomplishment.

If in the distant future you open this book of memories, you will discover that what you are was in the process of formation then. That 'then' is now. So for every 'now, build your character, personality, and life with the same strict care for correct formation of word, page, and finished product that you put into the successful construction of this fine yearbook.

I wish for the youth of this school not exactly success, ease, nor plenty, but work, service, and a love of mankind as an appreciation of God's handiwork.

Sincerely,

J. C. WITTER

## Student Council

In 1952 the Student Council in Caney was reorganized and has been very active since that time. The Council has wrestled with some big problems that have needed to be solved and they have intelligently handled some and are working on others . . . . . Some of those problems have and are: beautification of grounds, parking problems and traffic lanes, Teen-town, a student canteen, a student handbook, planning a sane Halloween, sportsmanship talks at games and the development of good sportsmanship, vocation day, and a courtesy trip by the officers of the Student Council and band . . . . . These are some of the big questions which have been worked and solved. Then there are many

other student relation problems which the Student Council has studied.

The officers this year have done outstanding work. President Byron Culver has been a willing, conscientious, efficient leader. His leadership has been an inspiration to the entire student body . . . . . Lou Ann Sheldon has been a tireless worker as secretary-treasurer and a leader of student opinion. Kirk Rogers has served as vice-president and done a meritorious work. These three young people serve as a cabinet to advise and cooperate with the superintendent regarding student desires, opinion, and relationships.
