HOWDY! OLD TIMER

- 1 -

Friends may come and friends may go
But still I've never found anyone
To take the place of those in my
home town,
Makes no diff'rence where I go
How long I chance to roam,
Here's the way they greet me
Ev'ry time I go back home:

CHORUS

Howdy old timer,
I'm glad to see you say,
How be you, tell me is ev'rything okeh
Honest old timer I never say you lookin'
finer
I hope you'll always look that way
But if you ever need a friend when
Hard luck knocks at yore door
Just make a bet I won't forget
What a friend is really for
And between us old timer we'll make
your troubles fade like bubbles
I'll stick old timer to you.

- 2 -

Fortune has been kind to me and still my heart
is sad
Longin' for those good old pals the best I
ever had
Some have reached that distant shore where skies
are always fair
And I know how they'll greet me when I climb
that golden stair.
