

STATE OF KANSAS
L. J. PETTIJOHN, SECRETARY OF STATE
TOPEKA

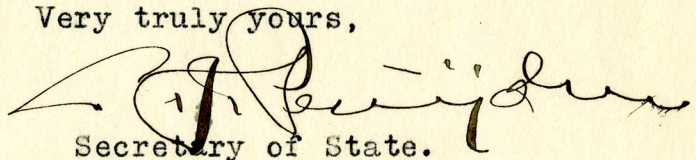

June 30th, 1922.

Parker Bailey, Secretary,
Girard, Kansas.

Dear Sir:

The testimony taken here in the Jefferson Highway case is not yet written up by the clerk in charge, and I presume that it is too incomplete to be of much advantage to you, as much of the testimony was left out of the records because of it not being germane to the point. Will look this over after it is written up and advise you.

Very truly yours,

Secretary of State.
