DEDICATION

Dear Mr. Bradford,

We, the students of Caney High School
present this 1956-1957 edition
of the "Kane-Kan" as an open letter
to you in recognition of your services
and friendship to us.

Even though we no longer
hear your footsteps in
our halls, we feel your presence
because of the spirit that
you showed and shared with
others.

Therefore, we wish to dedicate
this, our 1956 1957 "Kane-Kan"
to you in remembrance of the
industry, understanding, and devotion,
that was a part of your everyday
attitude. You will always remain
in our hearts and thoughts
as a man of sterling
qualities, and a
custodian who cared.

"Hats Off!" to our Superintendent.

Caney Public Schools

**KENNETH I. RITCHEY, SUPERINTENDENT
CANEY, KANSAS**

The opportunity to write a few words of greeting for the Yearbook presents a challenge to me. This is one time that I like to say to the students of the Caney Public Schools that the door of the office of the superintendent of schools is open to you. I want to become better acquainted with you so that when you have received your diploma from the high school you can look back and say, "My school days helped open the right doors toward the future." There is no greater satisfaction for the teacher than to have former students return to the school for visits. The progress that the graduates make stimulates a challenge to the teaching profession. The accomplishments of the students bring joy and hope to the teachers and to the future welfare of mankind. Let the memories of the yearbook remind you that each succeeding day is the scholar of that which preceded it.

Kenneth I. Ritchey, Superintendent
