Both the Omaha University Indians and the KSC Gorillas open their 1966 Central Inter-collegiate Conference seasons in tonight's "Senior Night" game at Brandenburg Stadium. The Indians are pre-season favorites to repeat their 1965 title as CIC champions despite four straight non-conference losses. One of the reasons is the caliber of teams they have fallen to — Idaho State, Hiram Scott, Morningside College and, last weekend, Bradley, 14-6. KSC is 3-1 in non-conference play with wins over Warrensburg, Rolla and Springfield and a loss to Kirksville. KSC is ahead one game in the 7-year old Pittsburg-Omaha series with victories in 1959, 1960, 1961 and 1964. Tonight's audience includes hundreds of area high school and junior college seniors attending the game as guests of the College Student Assembly.

"He must be using a lot of that greasy kid stuff."

"I haven't got the heart to tell him he hasn't got the ball!"

W. H. Davis (left), Alcoa's General Manager—Industrial Relations, says: "We've found that Army ROTC graduates with active duty experience as officers possess better than average initiative, foresight, and responsibility. These are qualities we rate very highly, and we gladly pay a premium to get them."

Why did Alcoa hire Rod Wilson?

Because Alcoa needs men to fill key positions—men capable of moving to the top; men who seek and measure up to responsibility. Rod Wilson is that kind of man. An Army ROTC Distinguished Military Graduate at Colorado State University, Rod won an officer's commission in the Regular Army along with his degree. Forty-four months of active duty, including 16 months overseas as an artillery commander, earned Rod Wilson 24-carat credentials as a leader, a man schooled in the demanding disciplines of command, the kind of man Alcoa looks for.

If you're this kind of man, prove it to yourself, and to the companies like Alcoa who are looking for you. How? Get in Army ROTC. Stay with Army ROTC, all the way to success.
