OFFICERS AND MEMBERS,  
ALL LOCAL UNIONS, U.M.W. OF A.,  
DISTRICT NO. 14.

GREETINGS: -

There seems to be some discussion and dissension among our membership, as to whether the District Board has filed any charges against any of our membership which would prohibit them from running for office at our next election.

This is to advise you that the District Board as a body, and that no individual member thereof, has filed any charges against anyone in this district which would prohibit them from running for office. And, other than as the District President recently advised some of our members on the question, there will be no charges filed by the District Board, or members thereof, except in accordance with orders which may be received from the International Union.

Fraternally yours,

District Executive Board.

M.L. WALTERS, Pres.  
DAN O'DONNELL, Vice Pres.  
HARRY W. BURR, Sec'y-Treas.
