

 Faculty Authors 2014 

A display case containing numerous small, framed documents, likely faculty author bios or research abstracts. The documents are arranged in rows and columns within the case. The case is made of wood and has a glass front. Below the case, there are more documents laid out on a wooden surface.

A grid of framed documents, likely faculty author bios or research abstracts, displayed on a wall. The documents are arranged in a 4x4 grid. Each document features a small image of a sunflower in the top left corner.

A grid of framed documents, likely faculty author bios or research abstracts, displayed on a wall. The documents are arranged in a 4x4 grid. Each document features a small image of a sunflower in the top left corner. One document prominently displays the TASN logo.
