The Student Council of Caney is an institution of student government that performs many functions. Its primary interests are the welfare of the student body, promotion of better inter-school relations and scholarship.

Selection of the members of this group is done in the fall. It is composed of one representative from each class and each major organization, three officers and a sponsor.

An alert and responsible student council is necessary for a well run school.

Playmakers is the Dramatic Club of Caney High School. Having been organized in 1923, it is the oldest service club in school. Mrs. Franks, our sponsor, was president in 1928.

Proving that they are progressive, Playmakers this year presented the play, "Girl From Outer Space," a 3-act comedy.

Meetings have been held once a month. They have striven to present a monthly program before the group. Much talent has been discovered through these programs.
