The Bronchos from Edmond, Oklahoma are the home-opening opponents in the Gorillas annual Recognition Night contest honoring contributors to KSC's athletic scholarship drive. The Gorilla-Bronchoes contest is believed to be the first athletic competition in the history of the two schools. The Bronze and Blue of Central finished last season with a 7-2 mark in the tough Oklahoma Collegiate Athletic Conference. KSC was 7-2 and co-champion of the CIC last year. The Gorillas return twenty-two lettermen from last season. Twenty-one Broncho lettermen will be back from last year as Central State lost only ten lettermen by graduation. The Bronchos will be quick, aggressive, and dedicated. Offensively Coach Phil Ball's crew should have strong balance between the running and passing attack. Helping in the aerial maneuvers will be three-year letter winner, Danny Lamb. Greater offensive depth should be present with experienced returnees at the backfield positions. Defensively, after showing rapid improvement last fall, Central should match last year's defense which allowed only 90 points, best in their conference.

ste you never get tired of.

Here he comes . . . ready or not!

The world beckons and he's on his way—proud and independent.

He will need all the education he can get—college, even graduate school.

But there's a problem. Because enrollments are increasing every year, colleges must meet the expanding costs of providing more teachers and additional facilities.

You can help now.

Give to the college of your choice now to help assure his future . . . to help make sure that college is ready when he is.

**MAKE
EVERY YARD
COUNT...
DOUBLE!**

Double because you'll be earning a commission while you earn your college degree.

All it takes is a few hours a week and a six-week summer camp. It's that easy in Army ROTC.

Whether you plan a civilian or a military career, Army ROTC gives you the kind of training and experience you need to motivate, organize and lead men. You'll learn them all in Army ROTC.

Get the details from your Professor of Military Science at any ROTC college.

Your future, your decision... choose **Army ROTC.**
