Tonight's Parents Night football competition pits two hungry teams against each other in what could be the most decisive pre-season contest yet for each squad. Pittsburg has 14-13 and 14-7 wins over Central Oklahoma of Edmond and the University of Missouri at Rolla. The Northeast Missouri State Bulldogs have lost 18-7 to Southern Illinois University of Carbondale and 49-7 to Parsons College of Fairfield, Ia. However, both of the Kirksville Bulldog opponents are virtually in the major college football class and the Gorillas have not beaten Kirksville since 1963. Pittsburg has won only three in the 10-game series but tied the Bulldogs 12-12 in 1948. Last year's score was 49-14 in favor of Kirksville. This year both teams have new coaches, Tom Lester for Pittsburg and Marvin Braden for Kirksville. Tonight's contest could be a quarterback dual between KSC's regular starter Tom Gorman and veteran Bulldog signal caller Rick Gorzynski.

## TOM LESTER

Tom Lester becomes only the eighth man in the 59 year history of the College athletic program to hold the position of head football coach at Kansas State College of Pittsburg. Lester succeeds Carnie Smith who moved up to the position of athletic director with the turn of the spring semester of 1967. Lester is a former Gorilla star and a 6-year veteran of former coach Carnie Smith's staff.

An NAIA all-American honorable mention and all-CIC first-team end at KSC in 1951, Lester earned a B.S. degree in physical education in 1951 and an M.S. degree in education in 1955, both at Pittsburg. As Pittsburg State's eighth head coach, Lester is only the third mentor to have graduated from the College.

Lester, 40, joined the faculty of the department of health, physical education and recreation in the fall of 1961 as an assistant professor of physical education and assistant football and track coach. He has coached the freshman football squad and the varsity ends as well as fulfilling many other athletic assignments including scouting.

A high school football coach for nine years before coming to KSC, Lester posted a 22-2-2 mark at Caldwell, 1952-54 and a 28-19-1 record at Atchison, 1955-60. An all-State center in basketball as well as all-State end in football during his senior year at Drumright, Okla., high school in 1945, he also coached high school basketball at Caldwell.

Married to the former Margaret Melka of Medford, Okla., Lester served with the U. S. occupation forces in Japan from 1945 until 1947. The Lesters have two sons, Randy, 17 and Rusty, 12 and a daughter Sidney, 7.

The new head football coach stands 6-5 and weighs 205 pounds. He orginally came to KSC on a basketball scholarship but a knee injury hampered his playing so he put a brace on it and went out for football. He lettered as a freshman under Charlie Morgan then for the next three years under Smith. He won all-CIC first team end honors as a junior then again as a senior, along with NAIA all-American recognition.

New Chevrolet Impala, foreground. Chevelle Concours, top right. Camaro, "The Hugger," top left.

## Dramatic! Distinctive! Daringly new!

Expect a lot of never-befores and nice-to-haves from Chevrolet for 1968. You can count on nothing being newer. Formal and fastback roof lines. Elegant new interiors with exciting colors, fabrics, and easy-toreach instruments. Concealed headlights, Hide-A-Way windshield wipers, and refreshing Astro Ventilation, available on many models.

#### NEW SILENT RIDE.

More effective body and engine mounts, quieter exhaust systems, and further improved shock absorbers. The result? Every new Chevrolet rides incredibly smooth and silent.

#### NEW MODELS, TOO.

Like the elegant Impala Custom Coupe and rugged new Chevelle Nomad Station Wagons. For the serious sports fan, there's the completely re-styled Corvette Sting Ray, and the Chevelle SS 396 with long-hood short-deck styling and a wider wheel stance to make it cling to the road better. Camaro, "The Hugger," features Astro Ventilation, and special hood on all SS models. What's more, there's a larger 307-cubic-inch V8 standard on Chevrolet, Chevelle and Chevy II models for '68. And on automatic transmission models, there's even a builtin heater that warms air en route to the carburetor and increases engine efficiency during cold weather. The new GM exhaust emission control is standard.

#### **PROVED SAFETY FEATURES.**

The famous proved GM-developed energy absorbing steering column and many other popular safety items are back again. Plus new features like energy absorbing front seat backs, safety armrests that shield

door handles, padded windshield pillars, and seat belts for all passenger positions. Be smart. Be sure. Buy now at your Chevrolet dealer's.

#### Free! Get Chevrolet's 60-page College Football Handbook

Chevrolet's College Football Handbook contains a complete run-down on all the top teams, plus action photographs and inside stories by famous sports commentators. You'll also find the schedules and line-ups of all 33 NCAA games to be televised this fall. It's yours for the asking at your Chevrolet dealer's.
