The Kansas State College of Pittsburg Gorillas will play the most important game of the 1967 season today as they host Fort Hays State College in the "Military Day" home season finale. This game is a must for the Gorillas if they hope to stay in possible contention for their second CIC crown in two years. Pittsburg must win against Fort Hays and Fort Hays must then defeat a strong, unbeaten Omaha team next week, if the Gorillas are to win a share of the conference championship. The Tigers from Hays are unbeaten in CIC play sporting a 2-0 record in the conference after defeating Emporia State and Washburn University. They are now 3-3 in all games this season, but have played some very strong non-conference teams and lost by very close scores. Pittsburg is leading in the 39-year old series that dates back to 1925 with 22 wins, 11 losses, and 6 ties. Last season the Gorillas beat the same Fort Hays State Tigers 21-12 to win a share of the CIC crown with Washburn University.

# **TOM LESTER**

## **Head Football Coach**

Tom Lester becomes only the eighth man in the 59 year history of the College athletic program to hold the position of head football coach at Kansas State College of Pittsburg. Lester succeeds Carnie Smith who moved up to the position of athletic director with the turn of the spring semester of 1967. Lester is a former Gorilla star and a 6-year veteran of former coach Carnie Smith's staff.

An NAIA all-American honorable mention and all-CIC first-team end at KSC in 1951, Lester earned a B.S. degree in physical education in 1951 and an M.S. degree in education in 1955, both at Pittsburg. As Pittsburg State's eighth head coach, Lester is only the third mentor to have graduated from the College.

Lester, 40, joined the faculty of the department of health, physical education and recreation in the fall of 1961 as an assistant professor of physical education and assistant football and track coach. He has coached the freshman football squad and the varsity ends as well as fulfilling many other athletic assignments including scouting.

A high school football coach for nine years before coming to KSC, Lester posted a 22-2-2 mark at Caldwell, 1952-54 and a 28-19-1 record at Atchison, 1955-60. An all-State center in basketball as well as all-State end in football during his senior year at Drumright, Okla., high school in 1945, he also coached high school basketball at Caldwell.

Married to the former Margaret Melka of Medford, Okla., Lester served with the U. S. occupation forces in Japan from 1945 until 1947. The Lesters have two sons, Randy, 17 and Rusty, 12 and a daughter Sidney, 7.

The new head football coach stands 6-5 and weighs 205 pounds. He originally came to KSC on a basketball scholarship but a knee injury hampered his playing so he put a brace on it and went out for football. He lettered as a freshman under Charlie Morgan then for the next three years under Smith. He won all-CIC first team end honors as a junior then again as a senior, along with NAIA all-American recognition.

Of one thing you can be sure. He'll need all the education he can get — college, certainly, possibly even graduate school.

But there's a problem. Colleges are crowded and enrollments are growing. More classrooms, laboratories, libraries, good teachers will be needed.

These take money. So, give to the college of your choice now and help make certain college will be ready when he is.

Foreground: Chevelle SS 396. Camaro SS, top right. Corvette Sting Ray, top left.

## Our Sports Department

A look of bold innovation and the feel of competitive excitement set Chevrolet sport models apart from the pack for '68.

### **Revolutionary styling.**

Looking like a dream car come to life, the '68 Corvette Sting Ray is an astonishingly beautiful new sports car. It's nearly seven inches longer and two inches lower. Startling new features include Hide-A-Way windshield wipers concealed beneath a power-operated cowl panel, rear deck spoiler, high-backed bucket seats and push-type door opening buttons.

### **Great performers, too.**

Quieter and smoother riding this year, Chevelle and Camaro,

"The Hugger," offer new sports car-type performance—better handling, big engines. Camaro SS has a bulging striped hood that covers your choice of either a 350- or 396-cubic-inch V8. Chevelle SS 396 for '68 has completely new styling, a wider tread, shorter wheelbase, and a twin-domed hood.

### **More engine efficiency.**

Standard on many models with automatic transmission is an ingenious carburetor heater that gives you increased efficiency in cold weather. Standard, also, is a new GM exhaust emission control.

### **New ventilation system.**

Astro Ventilation, a brand-new system of bringing in outside air, comes on Corvette, Camaro and the Caprice Coupe, and is available on many other models.

### **Proved safety features.**

All Chevrolet safety features are continued and you get many new ones such as energy-absorbing front seat backs and side marker lights for '68. Be smart. Be sure. Buy now at your Chevrolet dealer's.

### **Free!**

**Get Chevrolet's 60-page College Football Handbook**

Chevrolet's College Football Handbook contains a complete rundown on all the top teams, plus action photographs and inside looks by famous sports commentators. You'll also find the schedules and line-ups of all 33 NCAA games to be televised this fall. It's yours for the asking at your Chevrolet dealer's.
