FOREWORD

Caney Valley Historical Society

The school year of 1964-65 has meant many things to many people. The Freshmen will remember it as their first year of high school, and the Seniors will remember it as their last. The Juniors can never forget their Prom, nor the Sophomores their magazine sale. But the year has meant something in common to all--it has meant companionship and a sense of belonging. We, the staff of the 1965 KANE-KAN, can never hope to record the "special" meanings of every person, so we have decided to show the year as it was--and to let your memories do the rest. Pleasant Memories!

Dedication

During our brief sojourn through Caney High, we, the Senior Class of 1965, have required much guidance from our sponsors, as well as an unending amount of effort in our various fund-raising projects. Many persons have taken part in this, but no single person has given so freely of his time and effort as Mr. Brad Buckner. We fully realize that nothing can accurately express our gratitude. In an attempt to show our thanks, we, the members of the Senior Class, dedicate the 1965 KANE-KAN to Mr. Buckner.

A full-page photograph of a sky at sunset or sunrise. The sky is a deep blue-purple, with numerous clouds of varying sizes and shapes. The clouds are illuminated from below, giving them a golden, orange, and yellow glow. The bottom of the image shows a dark, silhouetted horizon line, possibly representing a valley or a range of mountains. The overall mood is serene and majestic.
