CANEY HIGH SCHOOL

CANEY, KANSAS

FOREWORD

Herein we, the staff of the 1966 KANE-KAN, have endeavored to preserve some of the countless school experiences of you and your classmates. In this annual we have tried to reflect as accurately as possible the spirits of scholarship, leadership, and activity in Caney High School.

In the years to come we hope that you will enjoy looking back at yourself and your friends while sharing the experiences of this school year.

STUDENT COUNCIL

Caney Valley Historical Society

The purpose of the Student Council is to allow the students of Caney High School a voice in the school government. Under the guidance of their sponsor, Mr. Kugler, this organization molds the many varied ideas of the students into practical projects. These projects included the establishment of a student handbook, the purpose of which is to provide a basis for a common understanding between the school and the student.

Student Council work, in addition to serving the school in general, also serves each individual member by giving him valuable training in government and leadership.

ADMINISTRATION & FACULTY

MR. McKINNEY

The Kane-Kan staff has captured the highlights of another year and recorded these events that you may continue to enjoy them in future years as well as at the present time. We hope this school year has been filled with an appropriate blend of social and educational experiences, and that you will have pleasant memories of 1965-66. An educated person must possess more than knowledge alone--he must also develop the ability to work and play in harmony with people. The proper application of these human ingredients will enhance your chance of success. Our wish is that each of you will attain this goal.

Ray O. McKinney
Superintendent

A High School education is composed of many facets. Each edition of the KANE-KAN depicts in word and picture, these facets.

This year, as in the past, special emphasis is placed upon measurable personal attributes of leadership, scholarship, sportsmanship, and personality development. Certainly you underclassmen and seniors alike, whose efforts to achieve in these laudable endeavors herein faithfully chronicled, are to be congratulated upon your successes.

Caney Valley Historical Society

MR. KUGLER

But there are other benefits to be derived from twelve years of public education which are as important to the development of the truly educated person as those facets already referred to but which are not as readily measured. I refer to those "natural virtues" of prudence, fortitude, temperance, and justice, without which any graduate is simply an educated automaton.

Those of you who have achieved success in the "measurable personal attributes" because of the faithfulness of your teachers, owe a personal debt of gratitude to these dedicated professionals. But to those of you who have gained even more than this from associations with your teachers these past twelve years--those of you who will discover that ingrained within your inter-most being are the "natural virtues" you have achieved the ultimate goal--you have won the victory--you are most deeply indebted to your teachers.

IN APPRECIATION

We the Seniors of '66 wish to express our deep gratitude and appreciation to the three people who have done the most to make our years at Caney High a success. Their help, cooperation, and tireless work have been an inspiration to all who have come in contact with them. Our pleasant memories of High School years will certainly include these fine women.

Small words but sincere; Thank you, Thank you very much.

Senior Kayettes

The Senior Kayettes is a service organization made up of Senior High girls of Caney High School. Under the direction of Mrs. Ruth Dow, Kayette sponsor, the girls were engaged throughout the year in babysitting for P. T. A. meetings, cleaning the school trophies, helping with the T. B. Drive and Red Cross Bloodmobile, and contributed to Care and Meals for Millions. Also, this year the Kays and Kayettes hosted a Unit Conference.

Senior Kays

The Kansas Association for youth, now in its twentieth year, has been one of the leading extracurricular activities in over 250 high schools of Kansas. One of its chief values, as an organization in Caney High School, is its policy of group service for common goals.

To be a success, as the Caney group is, the club program must offer opportunities for the development of followers as well as leaders. Participation for awards is optional with individual clubs. Caney's club has worked for these awards for many years.

It is the purpose of the association to help high school students realize their potentialities and responsibilities as citizens in a democracy and share in the satisfaction that comes from participation in wholesome social recreation. Caney High School may well be proud of its KAYS organization, for it has proven to be one of the best throughout the state.

SIGMA ALPHA

Sigma Alpha Honor Society of Caney High School had its first meeting on the evening of March 9. 1956. The meeting brought into being the Student Council's objective to encourage and give recognition to high qualities of scholarship in the school.

The purpose of the organization is to foster courtesy, better scholarship, better study habits, and to extend service to the school and community.

Caney Valley Historical Society

Every semester an impressive candle-light ceremony is held to initiate the senior high students who possess the grade point average necessary to meet the organization's requirements for membership. Over the past ten years, 138 members of the student body have signed the organization's register. Each year the society is honored by the large number of scholarships and awards these members receive.

Much of the success of this organization is due to the unceasing and unselfish efforts of the sponsor, Mrs. F. F. Tyler.

The staff of the yearbook feels that the ideals of Sigma Alpha have and will continue to be of lasting benefit to the students of Caney High School.

OF AMERICA

The Caney Chapter of Future Farmers of America was organized in 1953. The Caney Chapter is one of more than 8, 500 chapters of a 350, 000 member national organization of, by, and for boys studying vocational agriculture in high school.

The organization tries to develop competent, agressive, rural, and agricultural leadership, to create a love of country life, to strenghten the confidence of farm boys and young men in themselves and their work, to create more interest in the intelligent choice of farming occupation, and to encourage members in the individual farming programs.

Some of the activities the boys have participated in this year are: Contests in judging animals, land judging, speech contests, and various community projects.

Jumping off to a fine start, the 1965-66 Caney football Bullpups showed some of the hardest hitting football ever seen in C.H.S. Stadium. Early victories over rival foes Eureka and Sedan stirred much enthusiasm in Caney football fans everywhere.

One particularly bright spot of the season was the Bullpup's mighty 19-15 upset victory over high ranking Altamont. This marked the only victory that anyone can remember over the boys from L.C.C.H.S.

Fine and outstanding team leadership was shown by Dan Edens, Tom Simpson, and Roger Burch. In Dick Fecht, Mike Boles, and Jack Simpson was shown the excellent interior lineplay that was needed to free such fine backs as Jim Meyers, Bob McGinnis, and Wendell Price. We of the annual know that Coach Taylor and Rau's praise of these boys is well founded and much deserved for their many fine efforts.

BASKETBALL

The end of the regular 1965-66 basketball season found the hard-fighting Bullpups possessing a 6-9 record. But records don't always tell the story of those close, hard fought games, such as those against L.C.C.H.S. and St. Marys of Pittsburg. Both of these teams just narrowed out victories in overtime play, St. Marys doing it in a record 4 overtime periods. Neither does the record tell of the two victories over arch-rival Sedan, there hasn't been too many seasons in which this has happened!

Fine individual talents were also shown throughout the season. Coach Brad Buckner's team had three fine play-makers in Brad Price, Roger Burch, and John Sanborn, as well as, the excellent shooting and rebounding of Fred Toner, Terry Trimble, Bob McGinnis, and Dan Edens. These boys deserve all the congratulations due to them for their excellent sportsmanship.
