## FOREWORD

For most of us, the most formative and impressionable years of our lives are almost completed. These years will undoubtedly be the happiest of our lives. They will forever hold a fixed place in our memories. But as time's dark haze descends over and blurs our remembrances of faces and names, we will wish for a pictorial record to aid us. We dedicate this yearbook for that purpose.

### STUDENT COUNCIL

The Student Council is the governing body which represents all the school. Its members endeavor to fuse students' wishes with school policies so that a greater feeling of understanding may be attained between student, teacher, and administration.

With Mr. Henson as its present sponsor, this year's council has restrained the desire for radical change, but has increased the harmony between organization, teacher, and administrator in an effort to mold a better school. We commend the Student Council for its forward ideas and wise actions.

## ADMINISTRATION & FACULTY

The memories of the Caney Schools will become increasingly precious to you as the years go by. The 1966-67 Kane-Kan staff and sponsor have carefully recorded both the academic and extra-curricular activities of this school year within these pages. Cherish your Kane-Kan and be grateful to the staff who compiled it, and be appreciative, too, that you are, or have been, a member of the student body of the Caney Schools.

Charles Short  
Superintendent

As each worthwhile project or activity is completed by a student or group of students at Caney Jr. -Sr. High School, I must admit to a definite feeling of pride in being a part of this organization. It is with special pride that I congratulate the Kane-Kan staff on the excellent work you have done in recapturing the highlights of the 1966-67 school year.

### Caney Valley Historical Society

If every student will attack each problem and opportunity with the same dedication, imagination, and plain "hard work" which was necessary to make this volume possible, I am sure that your faculty, parents, and community can and will continue to look with pride upon your accomplishments in the years to come.

High School Principal

## Caney Valley Historical Society EDUCATION

The Caney District 436 Board of Education is a group of taxpayers who are elected by the people of the district to represent them in matters concerning property, maintenance and administration of the district's schools. An adequate Board of Education is necessary in order for a school to properly fulfill its educational function. We feel our board meets the requirements. Our Board of Education helps to promote community understanding by acting as a liaison between school and community. With responsibility to meet and hard work to do, our Board of Education is behind the policies that help to form the image of Caney Unified District 436 schools.

We are very grateful to these men for giving their time and effort to our school system. They give us the opportunity for a better education.

## IN APPRECIATION

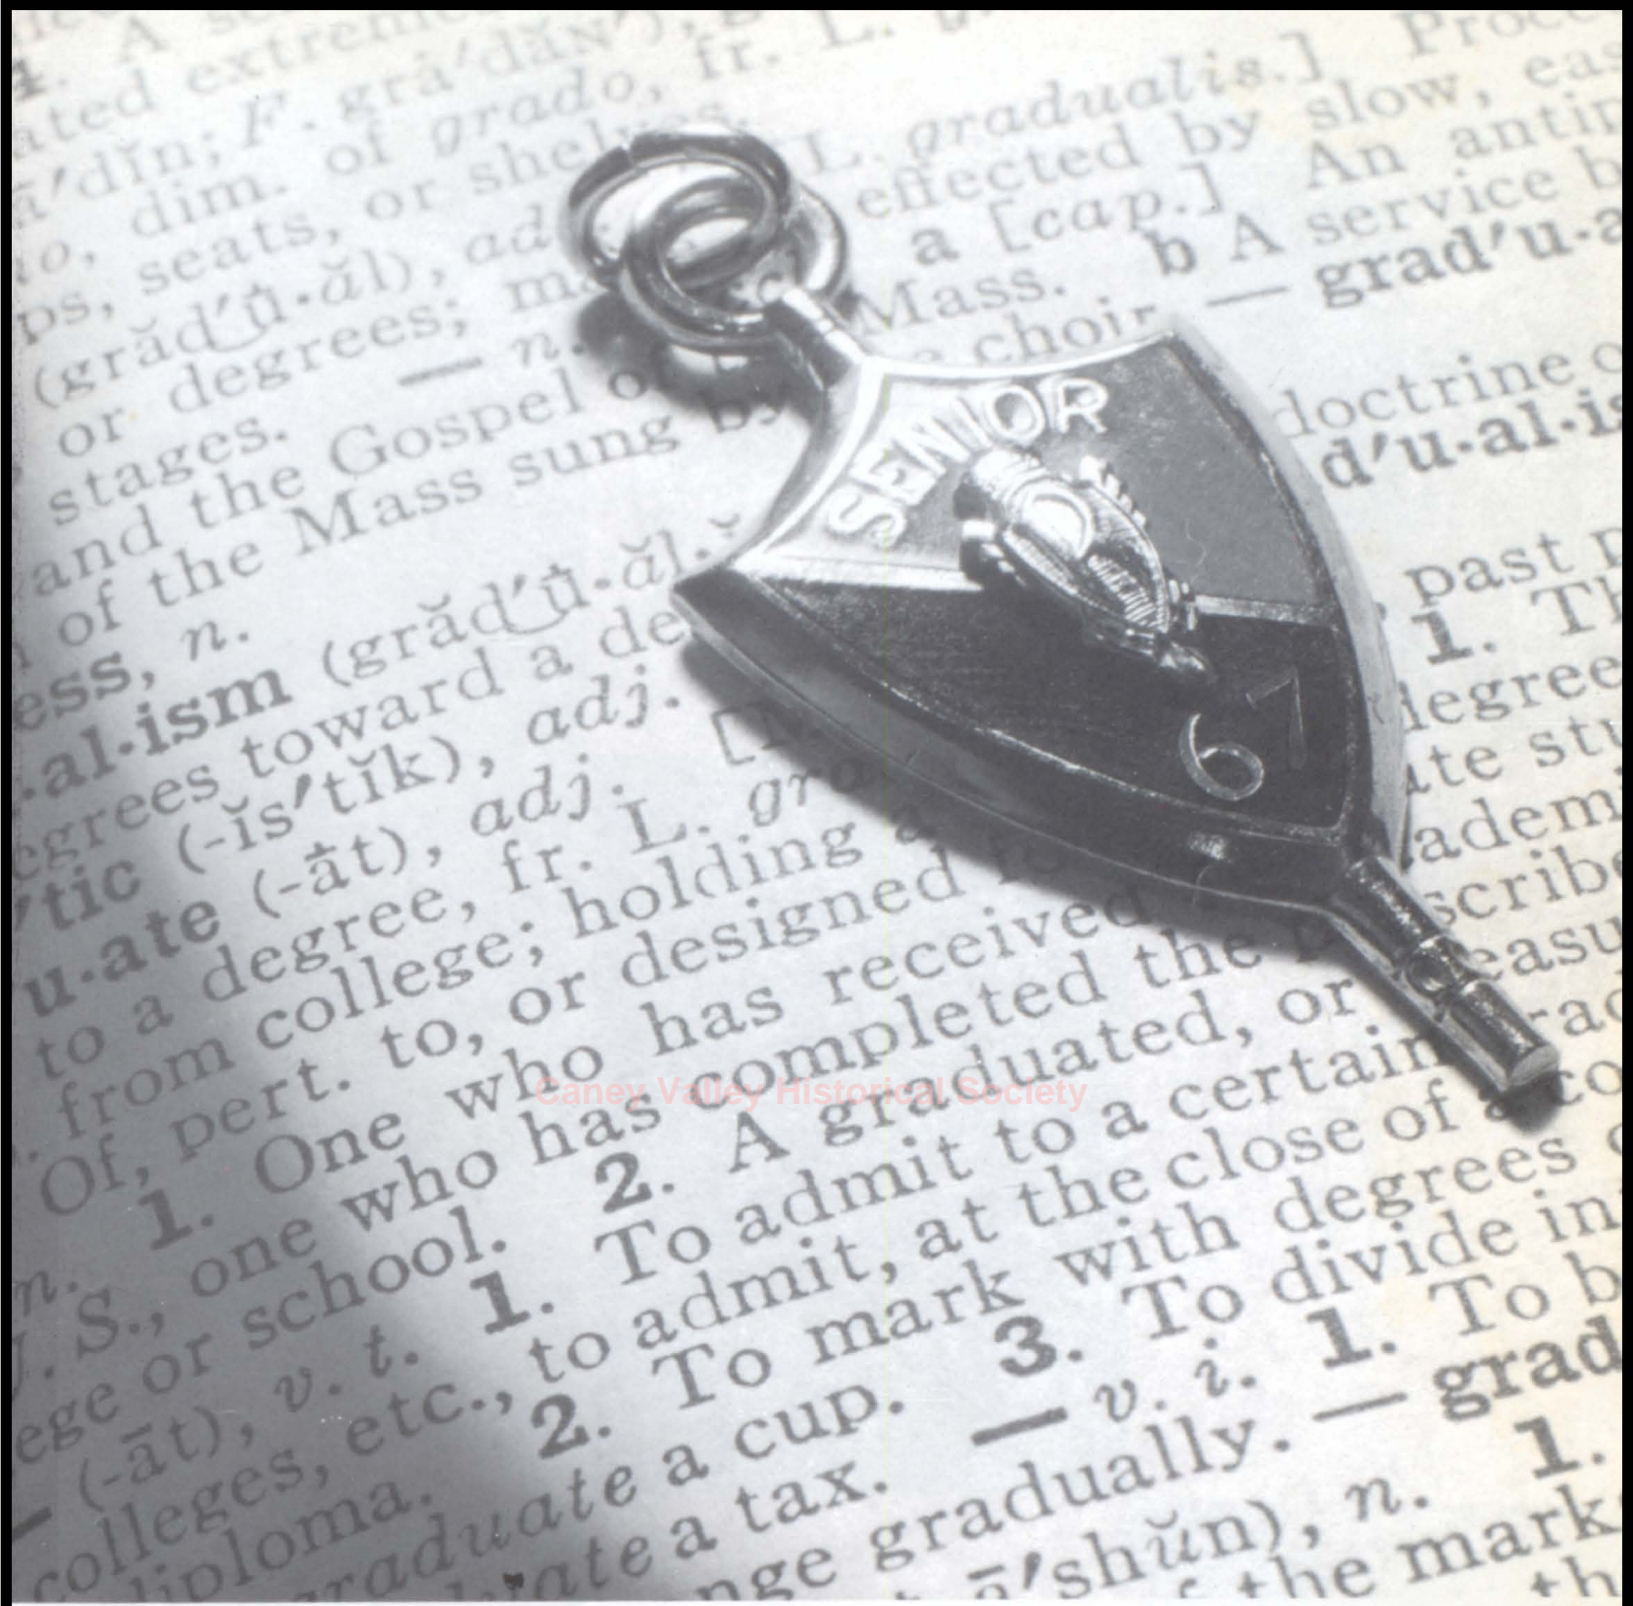

### IN APPRECIATION

Appreciation is often totally impossible to express in mere words alone. Frequently it is necessary for a group or body of people to join together in a salute of unanimous acclaim to their leaders. Such an act, we the Seniors of 1967 now wish to institute. We wish to write a testimonial to our sponsors, who have directed us wisely through our high school years. We never want to forget all of our self-sacrificing teachers.

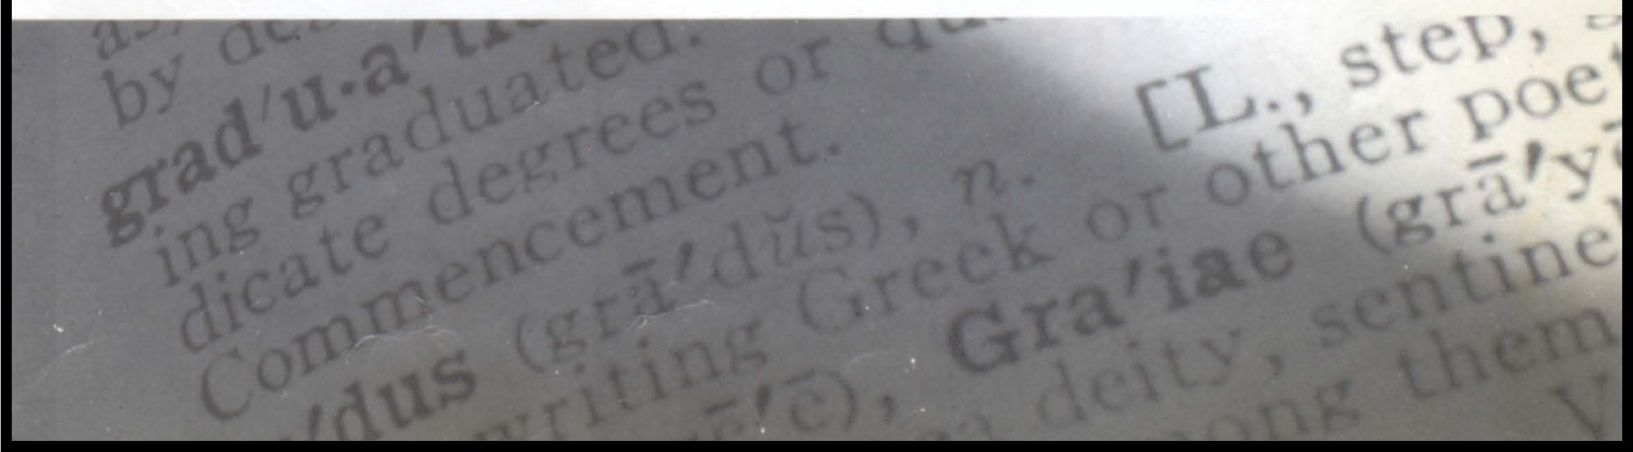

We offer you our eternal gratitude.

The Seniors of 1967

### Senior Kayettes

The Senior Kayettes is a service organization made up of Senior High girls of Caney High School. Under the direction of Mrs. Ruth Dow, Kayette Sponsor, the girls were engaged in many various activities throughout the year. Those activities included babysitting for P. T. A. meetings, contributing to "Care and Meals for Millions", and helping with the Tuberculosis Drive and Red Cross Bloodmobile.

Caney High School may well be proud of its Kayettes organization, for they are at all times striving to do and show their best.

## Senior Kays

There are few organizations more progressive than the Kansas Association for Youth in school and civic affairs. In the state of Kansas, the Kays are noted for their achievement in building stronger communities.

Under the direction of Mr. Nyle Brown, the Caney Kays have accomplished many goals. One community service that the Kays performed was the Cerebral Palsy Drive. Delegates were sent to the annual Kay-Kayettes Conference at ToLa.

Certain standards must be met in order to become a member. Both the creed and motto must be memorized.

It is the purpose of the association to help high school students realize their potentialities and responsibilities as citizens in a democracy and share in the satisfaction that comes from participation in wholesome social recreation. Caney High School may well be proud of its KAYS organization, for it has proven to be one of the best throughout the state.

Mr. Brown, Sponsor; Phil Parker, Secretary; Jim Lane, President; Mike Walker, Student Council Representative; Terry Trimble, Sergeant-at-Arms; John Sanborn, Vice-President. STANDING: Steve Anderson, Treasurer.

## SIGMA ALPHA

The Sigma Alpha Honor Society of Caney High School was established in the early spring of 1956 by the Student Council.

The purpose of the organization is fourfold: (1) to recognize the honor students, (2) to provide recreation, (3) to promote scholarship, and (4) to encourage research and further study.

Every semester an impressive candle-light ceremony is held to initiate the senior high students who possess the grade point average necessary to meet the organization's requirements for membership.

Over the past eleven years, 150 members of the student body have signed the organization's register. Each year the society is honored by the large number of scholarships and awards these members receive.

The emblem of the society is the lighted lamp of knowledge, and the motto is "Any task worth doing is worth doing well."

The staff of the yearbook is proud of the Sigma Alpha students who have upheld the high standards of Caney High School's honor society.

### AGRICULTURE THE STRENGTH OF AMERICA

The Caney Chapter of the Future Farmers of America was first organized in 1953. The organization's main goal is to produce competent, aggressive rural and agricultural leaders. The Caney Chapter is one of the more than 9,000 chapters throughout the state.

The Future Farmers of America is a national organization of, by and for boys studying vocational agriculture in primary and secondary schools. The FFA gives every boy, whether he lives on a farm or in the city, a common agricultural background. Some activities the boys engage in during the years are speech, land and cattle judging.

## FUTURE HOMEMAKERS OF AMERICA

The Caney Chapter of Future Homemakers of America was organized in October of 1966 in affiliation with the Kansas Association of F.H.A. and the National Organization of F.H.A.

The over-all goal of the organization is to help individuals improve personal, family, and community living, now and in the future.

Some of the highlights in which the girls participate are: "Home Economics Hospitality Day" at the Kansas State University. The college of Home Economics, a style review for parents, and various school projects.

Demonstrations in such areas as the art of quilting, good grooming, canning and freezing, child care, home nursing, flower arrangement, and modern electrical appliances are given at the monthly meetings in order to further interest in home economics.

The F.H.A. motto is "Toward New Horizons". This motto is a challenge. It reminds members that their contributions to home life today will influence the kinds of homes they have tomorrow; that the family life of members will influence the community and the world.

## FUTURE BUSINESS LEADERS OF AMERICA

### Caney Valley Historical Society

The FBLA is an organization of business students interested in learning more about the various occupations and vocations, and to better prepare themselves to enter the business world. Their meetings are social besides being educational.

The FBLA this year chose, as their project, to sponsor a needy child. Through the Christian Childrens' Fund, Inc., they "adopted" a 12-year old boy, Navin Kumar, from Bangalore, India. They send him \$10 monthly, and other gifts and letters.

They had a stand and an entry in the Veterans' Day Parade. There were various other projects to raise money for "their child."
