Of course you know all about the big Silver Jubilee Celebration we are planning in honor of President Brandenburg and his twenty-five years of splendid service to K. S. T. C. and its graduates.

Many times in the years gone by we have met together for reunion dinners where we enjoyed that fine, friendly fellowship so characteristic of those who breathe the spirit of K. S. T. C.

As a fitting climax to a week of festivities we will meet in the cafeteria Saturday evening to do honor to Prexy, to mingle and visit with friends, to renew the bonds of friendship that tie us so closely to the MAN, the SCHOOL, and the PRODUCT.

C. M. Miller, President of the Alumni Association, will preside and that in itself is an absolute assurance that there will not be a dull moment in the entire evening.

The cafeteria management is charged with the responsibility of supplying the "Service that Satisfies" and the "Pause that Refreshes."

Greetings from Prexy and felicitations from well known guest speakers will intermingle with the strains of soft, dreamy music that will take you back to the silvery, moonlit nights of the days of yore.

And as you sit there in your chair and look across the candle-lit tables to faces calling back memories of yesterdays, you will be privileged to witness a Pageant, "Endearing Young Charms," which will commemorate the march of the years.

Lena Martin Smith has written and will direct this pageant. She will have fifty assistants and this presentation with all of its beauty, its significance, its charm, will be the high light of the evening. All classes from 1913 to the present time will be recognized. You will find this feature of the evening's entertainment clever, unique, beautiful and inspiring.

Come and sit with your pals of college days and you, yourself, will become a part of this brilliant pageant and fulfillment.
