A photograph of a bonfire at night. In the foreground, a group of people are silhouetted against the dark background, standing and watching the fire. The fire itself is a large, bright orange and yellow flame on the right side of the image. The scene is dark, with the fire providing the primary light source. Caney Valley Historical Society

Foreword

One of the most important functions of a yearbook is to serve as a record of happenings of a school year. The 1969 KANE-KANE staff has also endeavored to create and preserve the feeling of unity and the spirit of the student body.

We hope in years to come this yearbook will provide pleasant memories each time you look back upon it.

Yetta Liberman

Dedication

We, the students, Faculty, and Administration of Caney High School, dedicate the 1969 Kane-Kan to Miss Yetta Liberman.

Yetta, as she is affectionately called, has worked for the Caney schools for over forty years. She has seen thousands of students pass through these halls, and now we give her our thanks for all the help she has so generously given us.

ADMINISTRATION AND FACULTY

Another school term has been completed. During the year 1968--1969, we have seen many memorable events take place. Many achievements have been reached in the social, academic and physical facets of school life. The KANE-KAN staff has endeavored to preserve some of the countless school experiences of you and your classmates. The 1968-69 KANE-KAN is the largest and most comprehensive annual that has ever been published in Caney. Cherish your year-book, and you will find it to be a treasured possession in the years to come.

ADMINISTRATIVE PERSONNEL

As we approach the close of another school year, I desire to express my heartfelt appreciation for your splendid cooperation, your wholesome attitude, and your sincere efforts. You have done well in school and school activities. There have been disappointments, but there have also been friendships and pleasant memories. It has been a pleasure to have been associated with all of you--students, teachers, superintendent, and parents.

Our superintendent and Board of Education have been most cooperative in providing you with the best that resources and finances would permit.

I congratulate Mr. Wilkins and the KANE-KAN staff for an outstanding job in producing this fine year-book. You will derive many happy moments as you recall the pleasurable experiences that have been recorded in the KANE-KAN of 1968-69.

To the graduating seniors we wish the best that life may provide.

STUDENT COUNCIL

Student Council in Caney High School has evolved into an effective influence on the school establishment. Through the democratic procedures of the Student Council rather than radical protests, students' opinions have been heard and acted upon by administration officials. The council, composed of organization and class representatives and three elected officers, has expanded this year into the areas of student welfare, student-teacher relations, efficient school organization, and favorable public relations.

KAYETTE OFFICERS

Sponsor, Mrs. Gaut; President, Gail Messner; V. President, Marsha Bolden; Secretary, Diana Kincaid; Student Council, Linda Deal; Treasurer, Loia Hait.

KAYETTES

The Senior Kayettes is a service organization made up of Senior High girls of Caney High School. Under the direction of Mrs. Jean Gaut, Kayette Sponsor, we were engaged in various activities. Many of these were in conjunction with the Kays. These activities were helping with the Tuberculosis drive, the Cerebral Palsy drive, the Meals For Millions. The girls also did babysitting for the P. T. A. These activities kept the girls busy throughout the year.

Caney High School can show just pride in its Kayettes organization, for they are at all times striving to do and show their best.

KAYS

The Kansas Association for Youth, now in its twenty-third year, has been one of the leading extracurricular activities in over 250 high schools of Kansas. One of its chief values, as an organization in Caney High School, is its policy of group service for common goals.

To be a success, as the Caney group is, the club program must offer opportunities for the development of followers as well as leaders. Participation for awards is optional with individual clubs. Caney's club has worked for these awards for many years.

It is the purpose of the association to help high school students realize their potentialities and responsibilities as citizens in a democracy and share in the satisfaction that comes from participation in wholesome recreation. Caney High School may well be proud of its KAYS organization, for it has proven to be one of the best throughout the state.

FUTURE HOMEMAKERS OF AMERICA

FHA

The Caney Chapter of Future Homemakers of America was organized in October 1966 in affiliation with the Kansas Association of FHA and the National Organization of FHA.

The over-all goal of the organization is to help individuals improve personal, family, and community living now and in the future.

The FHA motto is "Toward New Horizons". The motto is a challenge. It reminds members that their contributions in home life today will influence the kind of homes they have tomorrow; that the family life of members will influence the community and the world.

Demonstrations in such areas as grooming, wigs, child care, and flower arrangement are given at monthly meetings in order to further interest in home economics.

FUTURE FARMERS

The National Emblem of the FUTURE FARMERS OF AMERICA is significant and meaningful in every detail. Used by members in all recognized units of the organization, it is made up of five symbols: the owl, the plow, and the rising sun, within the cross section of an ear of corn, which is surmounted by the American eagle. Upon the face of the emblem appear the words, "Vocational Agriculture," and the letters, "FFA." The owl is symbolic of wisdom and knowledge; the plow is the symbol of labor and tillage of the soil; the rising sun is emblematic of progress and the new day that will dawn when all farmers are trained and have learned to cooperate; the cross section of an ear of corn represents common agricultural interests since corn is native to America and grown in every State; and the eagle is indicative of the national scope of the organization.

A photograph of a bonfire at night. In the foreground, a group of people are silhouetted against the dark background, standing and watching the fire. The fire itself is a large, bright orange and yellow flame on the right side of the image. The scene is dark, with the fire providing the primary light source. The text "Caney Valley Historical Society" is overlaid in the center of the image.
