Tonight's game will be one of many firsts for both the Indians of Southern Colorado and the KSC Gorillas. To begin with, this will be the first game for the two football clubs in the new RMAC, and will be the first game of the season for Southern Colorado.

The Indians boast a "monster-type" defense with an alignment of 5 men on the line, 3 linebackers, and 3 in the backfield. Coach Prater looks forward to the 1969 season with an enlarged squad, both in numbers and weight. The Indians had 21 returning lettermen this year, with most of them starters from last year. Gene Taylor, who is returning right guard for the Indians, has been tabbed by Head Coach Prater as one of his finest blocking linemen, and should keep a tight offensive line for the Indians. This is the second game of the season for KSC as they defeated Morningside College last week by the score of 50-29. Last week's game saw quarterback Rick Clark score 3 touchdowns, gain 79 yds. net rushings, and 105 yds. net passing. KSC gained 386 yds. total offense last week, while being penalized only 20 yds. KSC lost the game with Southern Colorado last year by the score of 10-7.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new blades are sharper than anything that's been in an electric shaver before. And there's a dial that lets you adjust them for your skin and beard.

What's more, you can dial a REMINGTON electric shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives.†

THIS SEASON**

Chrysler weather has arrived. Falling leaves take off on the wind—and our 1970 Chrysler Corporation lineup takes the field.

For a starter, Plymouth 1970 makes it with the Rapid Transit System: The fabulous Barracuda Series. Valiant Duster 340. And the imperturbable Plymouth GTX.

Or you could be Dodge material. Find out

with a run in the cars with the bumblebee stripe: The Challenger. Charger 500. Dart Swinger 340. Coronet Super Bee.

The loaded lineup. Performance on wheels, waiting for the moment you take over.

And while you're thinking about it—relax, sit back and enjoy the game.
