The KSC Gorillas are host to the Ft. Hays State Tigers today as the Crimson and Gold play their last conference opponents of the 1969 campaign. The Tigers have not won a game yet this season. They stand 0-7 for the year. The Tigers lost several key players from last year's squad. Probably the most prominent of those lost would be four-time all-CIC fullback Rich Dreiling. Fort Hays head mentor is Tom Stromgren.

The Gorillas stand 3-4 for the season and 1-3 in the Plains Division of the RMAC. With only three more games left on the schedule, KSC will have to win all of the remaining games to end up with a winning season. Last week in Emporia, KSC began what appeared to be an upset of the Hornets and All-American end Bruce Cerone. The Gorillas scored 21 points in the first quarter, and led at half-time 21-7. The Hornets came back to hit Cerone with 12 more passes which gave him a game total of 17 passes for 293 yards. The final score of last week's game was Emporia 34, KSC 21.

KSC Annual Football Awards

W. G. PARROTT AWARD

The W. G. Parrott award has been made annually since 1949. The recipient is a combination of best player, field leader, and one who has contributed greatly to team morale. In the early years of this award the letterman was called "The Most Valuable Player." In 1963, the award became the W. G. Parrott award in honor of two long time donors to KSC football, William and Pauline Parrott both of whom are now deceased.

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON *Lektro Blade* shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new Lektro Blade shaver has very sharp disposable blades. Just like a razor. So it gives very close shaves. Just like a razor.

What's more, you can dial a Lektro Blade shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives. ⁺SPERRY RAND® LEKTRO BLADE: TRADEMARK OF SPERRY RAND CORP. ©1969 S. R.
